Re: Proposal and Estimated Budget to Own, manage and Operate the Jordan River Parkway and Golf Course

File: FY01-02, FY02-03 Budget

The Administration has transmitted briefing material relating to the ownership and operation of the Jordan River Parkway and Golf Course. The Council has discussed this issue briefly. Council staff feels that an additional briefing is not necessary and as such this item is noted as a written briefing on the agenda. The Council may wish to confirm that the City will own the properties in question.
