This memorandum pertains the to July 16 briefing by the Administration and Utah Transit Authority representatives about the proposed intermodal freight facility.

The packet is divided into two sections. The first section contains responses from the Administration to questions from City Council Members. The second section contains responses from the Utah Transit Authority and the Utah Department of Transportation to questions from City Council Members.

Both sections contain letters from various officials addressing various topics and maps to help illustrate various points. The format of both sections involves listing a question in boldface and following each question with a response below it.
