### BACKGROUND

The Administration is recommending that the City Council adopt a resolution authorizing the Mayor to approve an Interlocal Cooperation Agreement between Salt Lake City and the Salt Lake County AmeriCorps Program. The agreement is for an AmeriCorps member to work as staff support in the computer center at the Sorenson Multi-Cultural Center. The AmeriCorps person will provide 25-30 hours of support to the computer program. The City will contribute \$4,000 towards the costs of the AmeriCorps member. The AmeriCorps program through the County will provide benefits and other considerations for this position as outlined in Attachment A of the recommended Interlocal Agreement. The City is not adding additional staff with this program.

The City Council has previously appropriated funds to the Sorenson Multi-Cultural Center for staffing. The \$4,000 that is required from the City will be expensed from current appropriations in the Sorenson Multi-Cultural Center budget.

Specific program details are included in the transmittal from the Administration.
