FROM: Sylvia Jones, Research and Policy Analyst
SUBJECT: Request for funding assistance from CAP
DATE: April 2, 2004
CC: Rocky Fluhart, Sam Guevara, Lee Martinez, David Dobbins

On March 16, 2004 during the public hearing for Budget Amendment #3, the Council appropriated \$10,828 for the Community Action Program to assist with relocation efforts contingent on satisfaction of a study as required by Utah Code Section 10-8-2. The Administration has forwarded the attached resolution accepting the study and authorizing a one-time contribution to the Community Action Program.

Motion language:

I move that we adopt the resolution authorizing the funding for the Community Action Program to assist with relocation efforts and that we specify that this is a one-time contribution and that future requests for housing-related programs should be directed through existing City programs such as Community Development Block Grants, HOPWA, HOME, and ESG.
