This memorandum pertains to the scheduled City Council discussion with representatives of the Economic Development Corporation of Utah.

Council staff has attached three items that may provide some background pertinent to the discussion with representatives of the Economic Development Corporation of Utah.

The first item is a list of “collateral resources” prepared by the Downtown Alliance for members of the Alliance/Salt Lake Area Chamber of Commerce’s Downtown Development Committee. The list contains synopses of member organizations that are part of the Downtown Development Committee.

The second item is a March 10 City Council staff memorandum summarizing the *Salt Lake County Economic Development Study and Recommendations for 2004* and remarks by Salt Lake County Mayor Nancy Workman. The study and Mayor Workman’s remarks reference the Economic Development Corporation of Utah.

The third item is a copy of the *Salt Lake County Economic Development Study and Recommendations for 2004* for Council Members to read if they wish to have more detail beyond the March 10 summary.
