

**COUNCIL TRANSMITTAL**

**TO:** Rocky Fluhart, Chief Administrative Officer  **DATE:** October 13, 2004

**FROM:** David Dobbins, Deputy Director 

**RE: Petition # 400-04-14 & 400-04-15:** A request by Garff Family LLC to close Hamilton Place (extending north from 600 South between State Street and 200 East) and Hawthorn Avenue (extending west from 200 East between 500 and 600 South) to disclaim any interest the City or the public may have in these private streets.

**STAFF CONTACT:** Jackie O. Gasparik, 535-6354

**DOCUMENT TYPE:** Ordinance

**BUDGET IMPACT:** The City Property Manager has determined that the City's ownership interest in these two streets is minimal and therefore that the compensation due Salt Lake City for the fair market value of the land contained in these two private streets is also minimal. After property title history research and after holding the public hearing before the Planning Commission, it has been determined that the City's ownership interest is limited to the City's claim of ownership through prescriptive use, for sub-surface utility easements (sewer lines). The City Public Utility Department is willing to accept the formal dedication by the property owner of a utility easement for the existing sewer mains and the Property Manager has determined that the easements are acceptable as payment in full, in lieu of actual cash compensation.

**DISCUSSION:** These two "mid-block court" streets appear on the County ownership plats as public streets and at one time many years ago provided access for a small number of residential properties. However, city and county records show that neither of these "mid-block courts" streets were ever formally dedicated or deeded to the City for use by the public as public streets. Research shows that Hamilton Place has not been used for any type of public access in at least 20 years and that Hawthorn Avenue has not been used for at least 35 years. The houses were torn down many years ago and these two "street" parcels have been combined with the surrounding properties and developed as parking and driveway areas which serve the multiple automobile dealerships which the Garff family operates on this downtown block.

In order to clear up the chain of title on these properties the Salt Lake City Attorney's Office determined that the City could not simply disclaim any interest in the subject properties, but that the applicant would have to apply and go through the City's formal Street Closure process to fully resolve any interest the City (or the public) might have (see petitioners' letter attached to the Planning Commission staff report dated April 5, 2004).

Both the Utah Code and City ordinances regulate review and approval of street closure applications. Utah Code, Title 10-9-305, discusses the process for determining the public's interest in the street and Salt Lake City Code, Section 2.58 regulates the disposition of City-owned property. State law requires public hearings before both the Planning Commission and the City Council to consider the potential impact of losing the public benefit of the street.

**ANALYSIS:** All necessary City departments and divisions have reviewed the proposal and recommended approval of the petitions to close the public streets, and to declare the subject properties as surplus. The applicant has agreed to all conditions of the various department/divisions and has agreed to purchase the property at fair market value, as determined by the City Property Manager (the value has been determined to be the value of the easement for the two existing sewer mains). Street closure requests are evaluated based upon City Planning and other departmental/division(s) recommendations and public hearing comments. The following specific findings of fact, relative to these two petitions, were determined by the Planning Commission:

1. The streets proposed to be closed within the plat are not needed by either the city or the general public for required access.
2. The proposed street closures are consistent with the applicable City master plans.
3. Easements for public utilities infrastructure must be retained by the City where public facilities exist.
4. The private street right-of-way will remain.
5. Public safety access is adequate on site.

**PUBLIC PROCESS:** State law requires that public hearings be held prior to any decision being made by both the Planning Commission and City Council. Once the Planning Commission recommends that the street is no longer needed for the benefit of the public that recommendation is forwarded to the City Council for their consideration. The Planning Commission must also make a recommendation to the Mayor regarding the disposition of the surplus property. If the Planning Commission determines that the street property is surplus to the needs of the City as a street or for other public purpose, the property must then be disposed of according to the Salt Lake City Code, Section 2.58 City-Owned Real Property. This ordinance states that the City shall retain title to the surplus property until the land is sold at fair market value or other acceptable compensation is provided. In addition, this ordinance requires that the City Council be offered an opportunity to request an additional public hearing before the Mayor

on the declaration of the property as surplus to the needs of the City.

Street closures are not required by ordinance to be presented to the affected community councils. However, the standard Planning Commission agenda was sent to all the chairs of the community councils, including the Central City Community Council and no questions or comments have been received to date.

At its September 8, 2004 public hearing, the Planning Commission voted to forward to the City Council, a favorable recommendation that the subject portions of Hamilton Place and Hawthorn Avenue be closed, because they no longer exist and are no longer needed as public streets. They also recommend that the property be declared surplus and disposed of according to the Salt Lake City Code, Section 2.58.

**RELEVANT ORDINANCE:**

Salt Lake City Zoning Ordinance	Salt Lake City Code, Section 2.58 regulates the disposition of City-owned property.
Utah Code	Utah Code, Title 10-9-305, discusses the process for determining the public's interest in the street.

**ORDINANCE**

SALT LAKE CITY ORDINANCE  
No. \_\_\_\_\_ of 2004

AN ORDINANCE CLOSING AND ABANDONING A PORTION OF  
HAMILTON PLACE EXTENDING NORTH FROM 600 SOUTH BETWEEN STATE  
STREET AND 200 EAST, PURSUANT TO PETITION NO. 400-04-14.

WHEREAS, the City Council of Salt Lake City, Utah, finds after public hearings that the City's interest in the portion of the street described below is not necessary for use by the public as a street and the closure and abandonment of this portion of the street will not be adverse to the general public's interest;

WHEREAS, the title to the closed and abandoned portion of the street shall remain with the City until sale for fair market value;

NOW, THEREFORE, be it ordained by the City Council of Salt Lake City, Utah:

SECTION 1. Pursuant to Utah Code Annotated Section 72-5-105, a portion of Hamilton Place extending north from 600 South between State Street and 200 East, which is the subject of Petition No. 400-04-14, and which is more particularly described on Exhibit A attached hereto, be, and the same hereby is, closed and abandoned and declared no longer to be needed or available for use as a street.

SECTION 2. Reservations and Disclaimers. The above closure and abandonment is expressly made subject to all existing rights-of-way and easements of all public utilities of any and every description now located on and under or over the confines of this property, and also subject to the rights of entry thereon for the purposes of maintaining, altering, repairing, removing or rerouting said utilities, including the

City's water and sewer facilities. Said closure and abandonment is also subject to any existing rights-of-way or easements of private third parties.

SECTION 3. Conditions. This street closure and abandonment is conditioned upon the following:

A. Payment to the City of the fair market value of that portion of the street, or its equivalent, and title to the street shall remain with the City until sale for fair market value, or the receipt of equivalent value, in accordance with Salt Lake City Code Chapter 2.58.

B. Emergency access lanes for the existing buildings must be maintained and any existing fire hydrants must be maintained and remain accessible to fire apparatus.

C. Execution and recording of an easement to Salt Lake City Corporation for the operation, maintenance, repair, and inspection of the existing sewer mains.

D. All future developments on this block will be required to comply with Salt Lake City codes and ordinances. In addition, any future lot consolidation or subdivision must also comply with the requirements of Conditional Use Permit No. 410-644.

SECTION 4. Effective Date. This ordinance shall become effective upon its first publication and shall be recorded with the Salt Lake County Recorder. The City Recorder is instructed not to publish or record this ordinance until the conditions identified above have been met as certified by the Salt Lake City Property Manager and the Salt Lake City Planning Director.

SECTION 5. Time. If the conditions identified above have not been met within one year after adoption, this ordinance shall become null and void. The City Council

may, for good cause shown, by resolution, extend the time period for satisfying the conditions identified above.

Passed by the City Council of Salt Lake City, Utah, this \_\_\_\_\_ day of \_\_\_\_\_, 2004.

**NOTICE OF CITY COUNCIL PUBLIC HEARING**

## **NOTICE OF PUBLIC HEARING**

The Salt Lake City Council is currently reviewing Petition #400-04-14 & 400-04-15 initiated by Garff Family LLC to consider the street closures of Hamilton Place (extending north from 600 South between State street and 200 East) and Hawthorn Avenue (extending west from 200 East between 500 and 600 South) to disclaim any interest the City or the public may have in these private streets (mid-block courts).

The City Council is holding a public hearing to receive comments regarding the petition request. During this hearing, the Planning staff may present information on the petition and anyone desiring to address the City Council concerning this issue will be given an opportunity to speak. The hearing will be held:

NOTICE OF HEARING

**AGENDA FOR THE  
SALT LAKE CITY PLANNING COMMISSION MEETING  
In Room 326 of the City & County Building at 451 South State Street  
Wednesday, September 8, 2004, at 5:45 p.m.**

The Planning Commission will be having dinner at 5:00 p.m., in Room 126. During the dinner, Staff may share general planning information with the Planning Commission. This portion of the meeting will be open to the public.

1. **APPROVAL OF MINUTES** from Wednesday, August 25, 2004
2. **REPORT OF THE CHAIR AND VICE CHAIR**
3. **REPORT OF THE DIRECTOR**
  - a. The City of North Salt Lake is requesting a boundary adjustment between Salt Lake City and North Salt Lake concerning an 80-acre parcel of property owned by North Salt Lake City located east of the gravel pits along Beck Street.
4. **CONSENT AGENDA – Salt Lake City Property Conveyance Matters / Request for time extension:**
  - a. Handy Trucking and Salt Lake City Public Utilities Department – The owners of Handy Trucking Company are requesting that Public Utilities allow the reduction in width of an existing 30 foot wide public utility and drainage easement, which was created by a recently recorded subdivision plat for the Tom Rich Subdivision. The proposal is to reduce the width of the easement from 30 feet to 12 feet, to accommodate the proposed building development on the lot in this industrial subdivision. The property is located just south of I-80 at 30 South 5100 West in the Manufacturing "M-1" zoning district, within Salt Lake City limits. Public Utilities and Planning Staff recommend approval of the proposed reduction in the easement width as requested.
  - b. Jerry and Linda Petersen and Salt Lake City Public Utilities Department – The Petersens are requesting Public Utilities' approval to place a concrete box culvert, to contain a portion of the existing East Jordan Canal (irrigation water), and to lease the surface rights to the canal right-of-way property at 1441 East Fort Union Blvd (6910 South) in unincorporated Salt Lake County. Public Utilities and Planning Staff recommend approval of the request.
  - c. Quest Communications and Salt Lake City Public Utilities Department – Quest is requesting that Public Utilities issue a standard utility permit, allowing Quest to install two communications conduits which would cross a portion of the Jordan and Salt Lake City Canal property, at approximately 12080 South Lone Peak Parkway (125 West) in Draper, Utah. Public Utilities and Planning Staff recommend approval of the standard utility permit as requested.
  - d. Quest Communications and Salt Lake City Public Utilities Department – Quest is requesting that Public Utilities issue a standard utility permit, allowing Quest to install a communications conduit, which would cross a portion of the East Jordan Canal (irrigation water) Public Utilities owned canal property located at 6890 South 1495 East, in unincorporated Salt Lake County. Public Utilities and Planning Staff recommend approval of the standard utility permit as requested. (Staff – Karryn Greenleaf at 483-6769 or Doug Wheelwright at 535-6178)

**Request for time extension on prior approval**

- a. Petition No. 410-643, by Redman Investment Partnership, requesting an extension of time for the Planned Development approval of September 24, 2003, for the renovation of the Redman building and Conditional Use approval for an off-site parking lot associated with the future commercial/residential condominium use of this property. The project is located at 1240 East 2100 South in the Sugar House Business District "C-SHBD" zone. (Staff – Doug Wheelwright at 535-6178)
5. **PUBLIC HEARINGS**
    - a. **PUBLIC HEARING** – Petition No. 400-04-32, by KAS, L.L.C., requesting a zoning text amendment to allow car washes in the Downtown "D-2" zoning district. The proposal is to add car wash uses to Section 21A.30.050, "the table of permitted and conditional uses", within the "D-2" zoning district. This text change would allow the Applicant to construct a car wash at 628 South 300 West. (Staff – Everett Joyce at 535-7930)
    - b. **PUBLIC HEARING** – Petition No. 410-682, by Peterson Oil, requesting Planned Development approval to reconstruct the Chevron convenience store and car wash located at 2110 South 1300 East in the "CSHBD" Sugar House Business District. (Staff – Joel Paterson at 535-6141)
    - c. **PUBLIC HEARING** – Petition No. 400-04-14 & 400-04-15, by Garff Family L.L.C., requesting the street closures of Hamilton Place (extending north from 600 South between State Street and 200 East) and Hawthorne Avenue (extending west from 200 East between 500 and 600 South) to disclaim any interest the City or the public may have in these private streets. (Staff Jackie Gasparik at 535-6354)
  6. **UNFINISHED BUSINESS**

Salt Lake City Corporation complies with all ADA guidelines. If you are planning to attend the public meeting and, due to a disability, need assistance in understanding or participating in the meeting, please notify the City 48 hours in advance of the meeting and we will try to provide whatever assistance may be required. Please call 535-7757 for assistance.

**PLEASE TURN OFF CELL PHONES AND PAGERS BEFORE THE MEETING BEGINS. AT YOUR  
REQUEST A SECURITY ESCORT WILL BE PROVIDED TO ACCOMPANY YOU TO YOUR CAR AFTER  
THE MEETING. THANK YOU.**

**CASE#:** Petition # 400-04-14, Hamilton Place  
Petition # 400-04-15, Hawthorn Avenue

**APPLICANT:** Garth Family LLC

**STATUS OF APPLICANT:** Property owner

**PROJECT LOCATION:** Hamilton Place extending north from 600 South between State Street and 200 East.  
Hawthorn Avenue extending west from 200 East between 500 & 600 South.

**PROJECT/PROPERTY SIZE:** Area of street closure properties:  
Hamilton Place, 8,481 sq. ft. (.19 acre).  
Hawthorn Avenue, 6,600 Sq. ft. (.15 acre).

**COUNCIL DISTRICT:** District 4, Nancy Saxton.

**REQUESTED ACTION:** The Applicant is requesting a closure of Hamilton Place and Hawthorn Avenue

**PROPOSED USE(S):** NA

**APPLICABLE LAND USE REGULATIONS:**

Salt Lake City Code, Section 2.58 – Sale of Real Property – Notice and Hearing.  
Utah Sate Code, Title 10-9-305 – Effect of Plan on Public Uses.

**SURROUNDING ZONING DISTRICTS:**

**North** – PL  
**South** –D-2  
**East** –D-3  
**West** –D-1

**SURROUNDING LAND USES:**

**North** –Government Building  
**South** –Commercial  
**West** –Commercial  
**East** –Government Building/ Commercial

**MASTER PLAN SPECIFICATIONS:** The Central Community Master Plan- Land Use Map identifies this area as Central Business District.

**SUBJECT PROPERTY HISTORY:** The subject private right-of-ways (sometimes referred to as “mid-block courts”) at one time provided access for a handful of residential properties approximately eighty plus years ago. However, City and County records show that neither of these private right-of-ways were ever formally dedicated to the City for use by the public. Research shows that Hamilton Place has not been used as any type of public access in at least 20 years and that Hawthorn Avenue has not been used for at least 35 years. In order to clear up the chain of title the Salt Lake City Attorneys Office determined that the City could not simply disclaim any interest in the subject properties, but that the applicant would have to apply and go through the City’s Street Closure process to resolve any interest the City (i.e. the public) may have, if at all.

**ACCESS:**

Hamilton Place is located at the curb cut driveway entrance off of 600 South. Hawthorn Avenue is located approximately at the curb cut driveway off of 200 East. The main access to the Garff block will remain as is, from these locations on 200 East and 600 South Streets.

## **PROJECT DESCRIPTION:**

Petition No. 400-04-14 & 400-04-15, By Garff Family L.L.C., requesting the closures of Hamilton Place (extending north from 600 South between State Street and 200 East) and Hawthorn Avenue (extending west from 200 East between 500 and 600 South) to disclaim any interest the City or the public may have with these private streets.

## **COMMENTS, ANALYSIS AND FINDINGS:**

### **1. COMMENTS**

Comments from Community Council(s) and City Departments:

- a) **Community Council(s)** Street closures are not required by ordinance to be presented to the affected Community Councils. However, the standard Planning Commission agenda notice of this hearing was sent to the Chair of the Central City Community Council and no questions or comments have been received to date.
- b) **Property Management:** Property Management recommends approval of the proposed street closures; as per City Ordinance the City Property Manager has determine the value of compensation required, and this amount has been agreed upon by the applicant.
- c) **Transportation:** The Transportation Division recommends approval of the subject street closures.
- d) **Police:** Recommends approval.
- e) **Salt Lake City Engineering:** Recommends approval of the proposed street closures, and has no issues because both streets are private streets according to the Salt Lake City Engineering records.
- f) **Fire Department:** Has no objections to the subject street closures. Emergency access lanes for the existing buildings must be maintained and any existing fire hydrants must be maintained and accessible to fire apparatus.
- g) **Public Utilities Division:** Within the subject street closures, Public Utilities owns and operates an eight-inch sanitary sewer main. No water main or storm drain facilities exist within these right-of-ways. Public Utilities recommend approval subject to recordation of an easement dedication to Salt Lake City Corporation for the maintenance, repair, operation and inspection of this sewer facility.

## **ANALYSIS AND FINDINGS**

The applicants are of the view that they already own the subject property based on the historical use of the property, which has been exclusively used by the Garffs for business purposes for more than thirty-five years. During that time, the subject property has only been used for internal access to and from other parcels of property owned by Garff. Garff has been responsible for maintaining the property.

The record title showing ownership of the two right-of-ways is not clear through research of the County records. Fee simple title of the subject property has not been conveyed to any party in over eighty years. The subject streets have shown up on City and County plat maps for several decades, which indicate that the City (i.e., the public) may have had some interest in the past.

Both Utah Code and Salt Lake City ordinances regulate the review and approval of street closure applications. Utah Code, Title 10-9-305, establishes the process for determining the public's interest in the street and Salt Lake City Code Section 2.58 regulates the disposition of surplus property. State law requires public hearings before both the Planning Commission and the City Council to consider the potential impact of losing the public benefit of the street.

Once the Planning Commission declares the property surplus the applicant must make payment of fair market value as determined by the City's Property Management Division in accordance with Salt Lake City Code, Chapter 2.58.

In accordance with State Law 10-9-305, the above mentioned City Departments and Divisions have reviewed the proposal and recommended approval of the street closures. The applicant has agreed to all conditions of approval of the various departments /divisions prior to the closure Ordinance being recorded.

### **Findings of Fact:**

1. The streets proposed to be closed within the plat are not needed by either the city or the general public for required access.
2. The proposed street closures are consistent with the applicable City Master Plans.
3. Easements for public utilities infrastructure must be retained by the City where facilities exist.
4. The private street right-of-way will remain.
5. Public safety access is adequate on site.

### **RECOMMENDATION:**

Based upon the above analysis and findings of fact, staff recommends that the Planning Commission hold the required public hearing and approve a motion to favorably recommend the street closures to the City Council based upon the following conditions:

1. Emergency access lanes for the existing buildings must be maintained and any existing fire hydrants must be maintained and accessible to fire apparatus.

2. Recordation of an easement dedication to Salt Lake City Corporation for the maintenance, repair, operation and inspection of the sewer mains.
3. The Garff block needs to be brought into compliance with Salt Lake City Codes and Ordinances. Future lot consolidation/subdivision approval to designate one building and sign per lot, defining parking, and landscaping per Petition # 410-644, November 19, 2203.

Re: Application for Street Closure of Hamilton Place

To Whom It May Concern:

We represent Garff Family, LLC and are submitting herewith a completed application for Street Closure of Hamilton Place in Salt Lake City, Utah with the required fee. This letter is intended to be the letter described in Section 1 of such application.

The applicant, Garff Family, LLC owns all of the property adjacent to and abutting Hamilton Place. Garff Family, LLC is requesting a closure of Hamilton Place as a precautionary measure after review of the County's property records and after consultation with City Attorney, Lynn Pace. Garff Family, LLC believes that it is already the rightful owner of Hamilton Place based on its historical use of the property for business purposes. Garff Family, LLC (or its predecessor Garff-related entities) (collectively, "Garff") has exclusively used Hamilton Place for business purposes for more than 20 years. During that time, Hamilton Place has only been used for internal access to and from other parcels of property owned by Garff as well as for parking relating to Garff's automobile dealerships, and Garff has been solely responsible for all repair, maintenance and replacement of the improvements located on Hamilton Place. In fact, the curb and gutter cutout and the sidewalk running across Hamilton Place on 600 South confirm that the property is not viewed by the City as a public street, but rather a private right-of-way. Prior to Garff's use, it appears that Hamilton Place was merely a private right-of-way serving a handful of residential properties.

However, "record title" ownership of Hamilton Place is not clear from a review of the County's property records. Fee simple title has not been conveyed to any party for more than 80 years. The fact that Hamilton Place has had that name on City and County plat maps for several decades indicates that the City (i.e., the public) might have had some interest in the far distant past. However, Hamilton Place was never formally dedicated to the City and, again, the property has not been used as any type of public access way for at least 20 years, if ever. Because of the lack of continuity and clarity in the chain of "record title" of Hamilton Place, the City Attorney, Lynn Pace, indicated that the City could not simply disclaim any interest in Hamilton Place, but rather Garff Family, LLC should go

through the street closure process to resolve once and for all any interest the City might, if at all, have in Hamilton Place.

The proposed street closure does not conflict with any public policy or interest. As stated above, Hamilton Place has been used solely by Garff privately for more than 20 years for its businesses. The City (i.e., the public) is not giving away anything in formally closing Hamilton. In fact, the street closure will actually confirm, on a formal basis, what has been a reality for many decades from a practical standpoint, namely, the City has no interest in Hamilton Place. It is also in the public interest for the City to make certain that it does not have any financial repair, maintenance and replacement responsibility for property that is being used solely for private business purposes by Garff.

Finally, as the City processes this request for a street closure, Garff asks that the City consider what is the actual fair market value of the City's interest in Hamilton Place. The City clearly does not own fee simple title to the property such that the fair market value would be based on fee simple ownership. The City has not had any responsibility for, and has not spent any money repairing, maintaining or replacing any portion of, Hamilton Place for many decades, if ever. From Garff's perspective, especially since Garff alone has been responsible for the costs of repair, maintenance and replacement of the improvements on Hamilton Place, the fair market value of the City's interest in Hamilton Place should be deemed to be nothing more than a nominal amount, at best.

We look forward to working with your department to complete this street closure process as Lynn Pace has recommended. Please let us know immediately if the application is deficient in any way or if you need any further information or documentation.

Respectfully,

Re: Application for Street Closure of Hawthorne Ave.

To Whom It May Concern:

We represent Garff Family, LLC and are submitting herewith a completed application for Street Closure of Hawthorne Ave. (off of 200 East) in Salt Lake City, Utah with the required fee. This letter is intended to be the letter described in Section 1 of such application.

The applicant, Garff Family, LLC owns all of the property adjacent to and abutting Hawthorne Ave. Garff Family, LLC is requesting a closure of Hawthorne Ave. as a precautionary measure after review of the County's property records and after consultation with City Attorney, Lynn Pace. Garff Family, LLC believes that it is already the rightful owner of Hawthorne Ave. based on its historical use of the property for business purposes. Garff Family, LLC (or its predecessor Garff-related entities) (collectively, "Garff") has exclusively used Hawthorne Ave. for business purposes for more than 35 years. During that time, Hawthorne Ave. has only been used for internal access to and from other parcels of property owned by Garff as well as for parking relating to Garff's automobile dealerships, and Garff has been solely responsible for all repair, maintenance and replacement of the improvements located on Hawthorne Ave. In fact, the curb and gutter cutout and the sidewalk running across Hawthorne Ave. on 200 East confirm that the property is not viewed by the City as a public street, but rather a private right-of-way.

However, "record title" ownership of Hawthorne Ave. is not clear from a review of the County's property records. Fee simple title has not been conveyed to any party for more than 80 years. The fact that Hawthorne Ave. has had that name on City and County plat maps for several decades indicates that the City (i.e., the public) might have had some interest in the far distant past. However, Hawthorne Ave. was never formally dedicated to the City and, again, the property has not been used as any type of public access way for at least 35 years., if ever. Because of the lack of continuity and clarity in the chain of "record title" of Hawthorne Ave., the City Attorney, Lynn Pace, indicated that the City could not simply disclaim any interest in Hawthorne Ave., but rather Garff Family, LLC should go through the street closure process to resolve once and for all any interest the City might, if at all, have in Hawthorne Ave.

The proposed street closure does not conflict with any public policy or interest. As stated above, Hawthorne Ave. has been used solely by Garff privately for more than 35 years for its businesses. The City (i.e., the public) is not giving away anything in formally closing Hawthorne Ave. In fact, the street closure will actually confirm, on a formal basis, what has been the reality for many decades from a practical standpoint, namely, the City has no interest in Hawthorne Ave. It is also in the public interest for the City to make certain that it does not have any financial repair, maintenance and replacement responsibility for property that is being used solely for private business purposes by Garff.

Finally, as the City processes this request for a street closure, Garff asks that the City consider what is the actual fair market value of the City's interest in Hawthorne Ave. The City clearly does not own fee simple title to the property such that the fair market value would be based on fee simple ownership. The City has not had any responsibility for, and has not spent any money repairing, maintaining or replacing any portion of, Hawthorne Ave. for many decades, if ever. From Garff's perspective, especially since Garff alone has been responsible for the costs of repair, maintenance and replacement of the improvements on Hawthorne Ave., the fair market value of the City's interest in Hawthorne Ave. should be deemed to be nothing more than a nominal amount, at best. This would be consistent with the abandonment by the City in 1967 of property that was a part of Hawthorne Ave. That abandonment was completed in favor of Garff at that time for no compensation.

We look forward to working with your department to complete this street closure process as Lynn Pace has recommended. Please let us know immediately if the application is deficient in any way or if you need any further information or documentation.

Respectfully,

RAY QUINNEY & NEBEKER

Re: Petition 400-04-15 Request to close Hawthorn Avenue from 150 E to 200 E.

Dear Jackie:

The Division of Transportation review comments and recommendations are as follows:

The request for the Hawthorn Avenue closure is assumed to be driven by the proposed development in the area. The concept of closing and removing the public roadway corridor from the transportation system is feasible. Approval would be subject to the approval by all abutting property uses owned by Garff Family. Our understanding is that this roadway has been used for the off loading of vehicles in the past. Currently off loading has occurred in the public roadway ( 200 East) which impacts the public transportation system and should be restricted to on site functions with the closure of this public right of ways. Planning needs to verify abutting property issues for frontage on public street and consolidation of lots.

Please feel free to call me at 535-6630 if you have any further questions.

Sincerely,

Barry D. Walsh

RE: Street Closure – Petition 400-04-14  
Located off 600 South between State Street and 200 East

Dear Jackie,

Salt Lake City Public Utilities has reviewed the above referenced request and offer the following comments:

Within this existing street right-of-way section, Salt Lake City Public Utilities owns and operates an eight-inch sanitary sewer main. No water main or storm drain facilities exist within this right-of-way. This existing sewer facility currently provides service for several customers.

In order to insure reliable service to these existing customers, unrestricted access to this facility must be maintained at all times. This will mean that no new structures, buildings, fences, trees, islands, large landscaping features, etc. may be built within 15-feet of this existing facility. The existing right-of-way must remain as an easement dedicated to Salt Lake City Corporation for the maintenance, repair, operation and inspection of this sewer facility.

If you should need further assistance with this matter, please contact Jeff Snelling at 483-6889.

**Subject:** Legals for Proposed Street Closures - Garff Family, LLC

Jackie:

I believe the legal descriptions for the proposed street closures are as follows:

**Hamilton Place**

*Commencing 66 feet West of the Southeast corner of Lot 2, Block 35, Plat "A," Salt Lake City Survey; and running thence West 33 feet; thence North 258 feet, thence East 33 feet; thence South 258 feet to the place of beginning.*

I believe that makes the piece of property approximately 8,514 square feet.

**Hawthorne Ave.**

*Commencing at a point 1-1/4 rods North of the Southeast corner of Lot 7, Block 35, Plat "A," Salt Lake City Survey; and running thence West 10 rods; thence South 2-1/2 rods; thence East 10 rods; thence North 2-1/2 rods to the point of commencement.*

I believe that makes the piece of property 165' x 41.25' or approximately 6,806.25 square feet.

I hope this helps.

In light of the fact that the extent of the City's interest is in the subsurface only (sewer lines), Public Utilities has agreed to accepting a formal easement, in our format, in lieu of cash compensation. If in the future the sewer lines are abandoned at the request of the property owner, a cash compensation would be expected then. Property Management is in agreement with having the property owner grant us an easement.

**AGENDA FOR THE  
SALT LAKE CITY PLANNING COMMISSION MEETING  
In Room 326 of the City & County Building at 451 South State Street  
Wednesday, September 8, 2004, at 5:45 p.m.**

The Planning Commission will be having dinner at 5:00 p.m., in Room 126. During the dinner, Staff may share general planning information with the Planning Commission. This portion of the meeting will be open to the public.

1. **APPROVAL OF MINUTES** from Wednesday, August 25, 2004
2. **REPORT OF THE CHAIR AND VICE CHAIR**
3. **REPORT OF THE DIRECTOR**
  - a. The City of North Salt Lake is requesting a boundary adjustment between Salt Lake City and North Salt Lake concerning an 80-acre parcel of property owned by North Salt Lake City located east of the gravel pits along Beck Street.
4. **CONSENT AGENDA** – Salt Lake City Property Conveyance Matters / Request for time extension:
  - a. Handy Trucking and Salt Lake City Public Utilities Department – The owners of Handy Trucking Company are requesting that Public Utilities allow the reduction in width of an existing 30 foot wide public utility and drainage easement, which was created by a recently recorded subdivision plat for the Tom Rich Subdivision. The proposal is to reduce the width of the easement from 30 feet to 12 feet, to accommodate the proposed building development on the lot in this industrial subdivision. The property is located just south of I-80 at 30 South 5100 West in the Manufacturing "M-1" zoning district, within Salt Lake City limits. Public Utilities and Planning Staff recommend approval of the proposed reduction in the easement width as requested.
  - b. Jerry and Linda Petersen and Salt Lake City Public Utilities Department – The Petersens are requesting Public Utilities' approval to place a concrete box culvert, to contain a portion of the existing East Jordan Canal (irrigation water), and to lease the surface rights to the canal right-of-way property at 1441 East Fort Union Blvd (6910 South) in unincorporated Salt Lake County. Public Utilities and Planning Staff recommend approval of the request.
  - c. Quest Communications and Salt Lake City Public Utilities Department – Quest is requesting that Public Utilities issue a standard utility permit, allowing Quest to install two communications conduits which would cross a portion of the Jordan and Salt Lake City Canal property, at approximately 12080 South Lone Peak Parkway (125 West) in Draper, Utah. Public Utilities and Planning Staff recommend approval of the standard utility permit as requested.
  - d. Quest Communications and Salt Lake City Public Utilities Department – Quest is requesting that Public Utilities issue a standard utility permit, allowing Quest to install a communications conduit, which would cross a portion of the East Jordan Canal (irrigation water) Public Utilities owned canal property located at 6890 South 1495 East, in unincorporated Salt Lake County. Public Utilities and Planning Staff recommend approval of the standard utility permit as requested. (Staff – Karryn Greenleaf at 483-6769 or Doug Wheelwright at 535-6178)

**Request for time extension on prior approval**

- a. Petition No. 410-643, by Redman Investment Partnership, requesting an extension of time for the Planned Development approval of September 24, 2003, for the renovation of the Redman building and Conditional Use approval for an off-site parking lot associated with the future commercial/residential condominium use of this property. The project is located at 1240 East 2100 South in the Sugar House Business District "C-SHBD" zone. (Staff – Doug Wheelwright at 535-6178)

**5. PUBLIC HEARINGS**

- a. **PUBLIC HEARING** – Petition No. 400-04-32, by KAS, L.L.C., requesting a zoning text amendment to allow car washes in the Downtown "D-2" zoning district. The proposal is to add car wash uses to Section 21A.30.050, "the table of permitted and conditional uses", within the "D-2" zoning district. This text change would allow the Applicant to construct a car wash at 628 South 300 West. (Staff – Everett Joyce at 535-7930)
- b. **PUBLIC HEARING** – Petition No. 410-682, by Peterson Oil, requesting Planned Development approval to reconstruct the Chevron convenience store and car wash located at 2110 South 1300 East in the "CSHBD" Sugar House Business District. (Staff – Joel Paterson at 535-6141)
- c. **PUBLIC HEARING** – Petition No. 400-04-14 & 400-04-15, by Garff Family L.L.C., requesting the street closures of Hamilton Place (extending north from 600 South between State Street and 200 East) and Hawthorne Avenue (extending west from 200 East between 500 and 600 South) to disclaim any interest the City or the public may have in these private streets. (Staff Jackie Gasparik at 535-6354)

**6. UNFINISHED BUSINESS**

Salt Lake City Corporation complies with all ADA guidelines. If you are planning to attend the public meeting and, due to a disability, need assistance in understanding or participating in the meeting, please notify the City 48 hours in advance of the meeting and we will try to provide whatever assistance may be required. Please call 535-7757 for assistance.

**PLEASE TURN OFF CELL PHONES AND PAGERS BEFORE THE MEETING BEGINS. AT YOUR REQUEST A SECURITY ESCORT WILL BE PROVIDED TO ACCOMPANY YOU TO YOUR CAR AFTER THE MEETING. THANK YOU.**

**SALT LAKE CITY PLANNING COMMISSION MEETING  
In Room 326 of the City & County Building  
451 South State Street, Salt Lake City, Utah  
Wednesday, September 8, 2004, 5:45 p.m.**

Present from the Planning Commission were Chair Prescott Muir, Vice Chair Tim Chambless, Bip Daniels, Babs De Lay, Craig Galli, Laurie Noda, Kathy Scott and Jennifer Seelig. John Diamond and Peggy McDonough were excused.

Present from the City Staff were Planning Director Louis Zunguze, Deputy Planning Director Brent Wilde, Deputy Planning Director Doug Wheelwright, Principal Planner Everett Joyce, Senior Planner Joel Patterson, Principal Planner Jackie Gasparik and Acting Planning Commission Secretary Deborah Martin.

A roll is being kept of all who attended the Planning Commission Meeting. Chair Muir called the meeting to order at 5:46 p.m. Minutes are presented in agenda order and not necessarily as cases were heard by the Planning Commission. Tapes of the meeting will be retained in the Planning Office for a period of one year, after which they will be erased.

**Approval of minutes from Wednesday, August 25, 2004**

Referring to page 6, Commissioner Seelig asked that the audio recording of the meeting be reviewed. Commissioner Seelig explained that she believed she asked the color of the utility box rather than the different colors that are available for graffiti paint.

Commissioner Noda moved to approve the minutes as amended.

Commissioner De Lay seconded the motion.

Commissioner Chambless, Commissioner Daniels, Commissioner De Lay, Commissioner Galli, Commissioner Noda, Commissioner Scott and Commissioner Seelig voted "Aye". Prescott Muir as Chair did not vote. All voted in favor, and therefore the motion passed.

The revisions as noted are reflected in the August 25, 2004 ratified minutes.

**REPORT OF THE CHAIR AND VICE CHAIR**

Chair Muir asked for an overview of subcommittee activities.

Responding for the Downtown Subcommittee, Commissioner Noda explained that they met last week with Planning Staff and discussed restructuring the 1996 Downtown Master Plan. Staff is in the process of making changes that the Subcommittee recommended, and will bring back to the Subcommittee those changes. The Subcommittee will then report to the full Planning Commission with the final revisions.

Commissioner Noda explained that the Policies and Procedures Committee also met on Tuesday, September 7, and reviewed the draft policies that were presented to the Committee during the retreat. Staff is making the revisions and will submit them back for final review. The Policies and Procedures Committee will then submit the final results to the full Planning Commission.

**5. The Applicant shall provide documentation to Planning Staff that the Community Council had adequate notice of the existence of the drive through on the project site.**

Commissioner Daniels seconded the motion.

Commissioner Galli asked to amend condition number five to read, "Provided the Applicant provides documentation to Planning Staff that the Community Council had adequate notice of the existence of the drive through on the project site".

Commissioner De Lay accepted the amendment.

Commissioner Daniels accepted the amendment as well.

Commissioner Chambless, Commissioner Daniels, Commissioner De Lay, Commissioner Galli, Commissioner Noda, and Commissioner Seelig voted "Aye". Commissioner Scott voted "Nay". Prescott Muir as Chair did not vote. Six Commissioners voted in favor, one Commissioner voted against, and therefore the motion passed.

**Petition No. 400-04-14 & 400-04-15, by Garff Family L.L.C., requesting the street closures of Hamilton Place (extending north from 600 South between State Street and 200 East) and Hawthorne Avenue (extending west from 200 East between 500 and 600 South) to disclaim any interest the City or the public may have in these private streets.**

This item was heard at 8:37 p.m.

Principal Planner Jackie Gasparik presented the petition as written in the staff report. She stated that the Applicant, Garff Family L.L.C, represented by Attorney Michael Creer, requests that the City close Hawthorne Place and Hawthorn Avenue. The Applicant has researched the property and is of the view that they already own the property which they have exclusively used and maintained for over 35 years. However, currently formal ownership of this property is unclear, they do not have title of the subject property and City records show these mid block courts as private streets.

Based on the analysis and findings of fact noted in the staff report Planning Staff and all relevant City departments recommend that the Planning Commission forward a favorable recommendation to the City Council to close the requested streets subject to the conditions noted in the staff report. Ms. Gasparik noted a modification to condition 2 that shall read "Recordation of an easement dedication to Salt Lake City Corporation for the maintenance, repair, operation and inspection of the sewer mains, unless the Applicant can convince Public Utilities that no other properties require this sewer main, they may allow this main to be designated as a private main and owned and maintained by the property owner".

Mr. Michael Creer addressed the Commission to answer questions. The Planning Commission did not have questions for the Applicant.

Chair Muir opened the public hearing.

No one was forthcoming.

Chair Muir closed the public hearing.

Motion for Petition No. 400-04-14 & 400-04-15

Commissioner Noda made a motion regarding Petition No. 400-04-14 & 400-04-15, based on the analysis and findings of fact noted in the staff report that the Planning Commission forward a favorable recommendation to the City Council to close the requested streets subject to the following conditions:

1. Emergency access lanes for the existing buildings must be maintained and any existing fire hydrants must be maintained and accessible to fire apparatus.
2. **Recordation of an easement dedication to Salt Lake City Corporation for the maintenance, repair, operation, and inspection of the sewer mains, unless the Applicant can convince Public Utilities that no other properties require this sewer main, they may allow this main to be designated as a private main and owned and maintained by the property owner.**
3. The Garff block needs to be brought into compliance with Salt Lake City Codes and Ordinances. Future lot consolidation/subdivision approval to designate one building and sign per lot, defining parking, and landscaping per Petition # 410-644, November 19, 2003.

Commissioner Chambless seconded the motion.

Commissioner Chambless, Commissioner Daniels, Commissioner De Lay, Commissioner Galli, Commissioner Noda, Commissioner Scott, and Commissioner Seelig voted "Aye". Prescott Muir as Chair did not vote. All voted in favor, and therefore the motion passed.

**UNFINISHED BUSINESS**

There being no other unfinished business to discuss, the Planning Commission meeting adjourned at 8:41 p.m.
