22	Emigration Canyon Bike Lanes - Emigration Canyon,	18	8	13	\$450,000	\$450,000	\$450,000	\$50,000			
	Crestview Dr. to City's East Boundary										
	To construct 1/2 mile of bike lane to connect bike lane										
	on Sunnyside Avenue to County bike lane in the canyon.										
	60% of cost is for retaining walls. The total cost of project is \$1,163,350. The City has received \$376,350										
	of ISTEA Enhancement Funds & has \$337,000 in CIP										
	Funds previously awarded for this project set aside. An										
	additional \$450,000 is need to complete the project.										
23	Jordan River Trailway Safety Lighting - 900 S	20	12	14	\$100,000	\$0	\$100,000	\$100,000			
23	Brooklyn	30	13	14	\$100,000	ΦО	\$100,000	\$100,000			
	To install new safety lighting along the existing Jordan										
	River Trailway. This is a continuation of the lighting that										
	currently exists along other sections of the trail. Design										
	\$9,200.										
24	Jordan River Trailhead - No. Temple	29	17	15	\$300,000	\$0	\$0	\$100,000			
	To construct new trailhead at Jordan River & North										
	Temple. This is a joint project with Pacific Corp. who										
	has donated and completed the necessary design										
	services. These are matching funds to complete										
	parking area, boat dock & pedestrian bridge.										
25	Public Safety Building Replacement Study	33	10	16	\$200,000	\$0	\$200,000	\$100,000			
	Funding for feasibility study of the replacement of the										
	existing public safety building, which houses the City's										
	Operation Center. Study will include analysis of site										
	location, move of Liberty Patrol to other location,										
	construction alternatives, etc.										
26	Bicycles Facilities Development - Citywide	31	28	17	\$50,000	\$0	\$0	\$50,000			
	To develop, design & construct pedestrian & bike paths,										
	routes & facilities.
