In keeping with the Council's discussion and request during the Work Session of August 24, 2004, the City Attorney's Office modified the existing Olympic Legacy Project resolution which established funding criteria for Olympic Legacy Projects. The Council requested the following change to the verbiage under item A.2.a. (Please see bolded text.)

The Project shall be limited to:

- a. Property that is owned by the City **or by other governmental agencies**, or will become City property as a result of the Project; and
- b. Involves an area easily accessible to the council community, i.e. located on a major/common thoroughfare.

For your information, the Attorney's Office also added a sentence of clarification to read as follows: **Whereas, this Council desires now to amend Resolution No. X of 2003, previously enacted pertaining to this subject, to read as set forth below;**

The new resolution is attached for your reference.
