**GRANT DETAILS:**

The funds received from this grant support activities of the Citizen Corp Council.

- The Salt Lake City Citizen Corps program supports homeland security by incorporating it into the community wide all-hazards approach to emergency preparedness.
- The Salt Lake Citizen Program highlights homeland security issues through prevention, preparedness, response, and recovery.
- All Citizen Corps activities compliment existing community services and volunteer opportunities.
- Citizen Corps matches skills of volunteers to the needs of first responders in order to free first responders for priority emergency response.
- Citizen Corps will provide quarterly training activities and sponsor an annual homeland security and emergency preparedness conference to educate the public.
- Citizen Corps will provide legitimate volunteer opportunities for citizens to participate in homeland security, public safety, and emergency preparedness.
- Provide citizens with guidelines and a forum for self-help and community service in time of emergency.
- Capture innovative practices ad report accomplishments.
