### **A. Decisions, Feedback & Information needed by staff**

1. Board Appointment: Maralee Lassiter was appointed to serve on the Arts Council on September 21, 2004. We have received an application for her to also serve on the Art Design Board. The ordinance for the Art Design Board requires that a member of the Arts Council is represented on the Art Design Board also. Would Council Members like to schedule an interview or would you like to go ahead with the appointment?
