
SALT LAKE CITY COUNCIL STAFF REPORT

DATE: October 14, 2005
SUBJECT: Omnibus Housekeeping Ordinance
AFFECTED COUNCIL DISTRICTS: Citywide
STAFF REPORT BY: Gary Mumford
ADMINISTRATIVE DEPT. AND CONTACT PERSON: City Attorney's Office
 Larry Spendlove

KEY ELEMENTS:

The City Attorney's Office is proposing various revisions to City Code to correct minor procedural changes, technical errors, inconsistencies, ambiguities, duplications, language that conflicts with state or federal law, and changes as a result of recent court decisions. The Council may wish to discuss some of the proposed changes with representatives of the City Attorney's Office or other representatives of the Administration that may be present at the briefing. For some items, the most knowledgeable city employee may not be present at the briefing. Therefore, the Council may need to request additional written explanations for certain proposed revisions.

In discussing these "housekeeping" items, some policy issues could become apparent. Council Members may wish to indicate to staff any policy items for which the Council may wish to have a future discussion or legislative actions initiated. The City Attorney's Office did not intend to include policy issues in this proposed housekeeping ordinance.

SUMMARY OF PROPOSED ORDINANCE CHANGES

6	<p>Write-in candidates - revisions to comply with state law</p> <p>Note: This amendment is consistent with state code 20A-9-601(1)(a). 7	<p>Since traffic violations have been re-criminalized by the state legislature, the City Attorney's Office is proposing to delete criminal items from civil sections in Title 2. However, since the City's criminal code doesn't address the role of hearing officers relating to traffic violations, the court director prefers that this change not be made at this time. <i>Council Members may wish to discuss this with representatives of the Administration.</i></p>	<p>"Hearing officer means an individual designated as a hearing officer, violation coordinator or referee, or such other person who has authority to make decisions regarding civil or criminal citations that have been issued by an enforcement officer, before the matter is referred to a justice court judge."</p>

COUNCIL TRANSMITTAL

TO: Rocky J. Fluhart
Chief Administrative Officer

DATE: September 30, 2005

FROM: Ed Rutan, City Attorney

SUBJECT: Omnibus housekeeping ordinance

STAFF CONTACT: Larry Spendlove, Senior City Attorney, 535-7685. Various representatives of City staff who suggested certain City Code amendments may need to be consulted for particular details.

DOCUMENT TYPE: Ordinance

RECOMMENDATION: Enact the ordinance

BUDGET IMPACT:

Most of the proposed changes do not have a budget impact. The amendment to Section 9.08.070 provides for the payment by a property owner of the cost of the replacement of a damaged refuse container plus \$10 for delivery of the replacement container. The moneys received are intended to cover the City's container and delivery costs.

BACKGROUND/DISCUSSION:

Over a period of many months, the City Attorney's office has identified and City employees have brought to our attention various typographical or other technical errors currently existing in the City Code as well as internal inconsistencies, ambiguities, duplications, language that has been preempted or is in conflict with state or federal laws, language that is of questionable validity in view of recent court decisions, and needed minor procedural changes (see items #3, 11, and 19 listed below).

Part of this effort to identify problems areas in the Code has involved contacting all City departments and the City Council staff to elicit suggestions regarding City Code amendments or deletions that would be appropriate for this endeavor. The attached ordinance is the result of these combined efforts.

Summary of Changes

The amendments set forth in this ordinance include the following:

- 1 Providing that disposal of custodial and unclaimed property to public interest organizations be done in conformity with Utah Code Ann. §10-8-2, sometimes referred to as the "Doug Short rules." The statute requires a study to be done to

- verify that the benefit to be received by the City is at least equivalent to the value of the property being donated to a bona fide charity, public notice, and a public hearing before the City Council. (We anticipate that an “umbrella” study could be done given the generally low value of the property involved.) . [See Section 1.]
- 2 Providing that appeals from notices of abatement of nuisances be filed with the Public Services Director rather than the Parks Director. [See Section 2.]
 - 3 Requiring that a notice of disclosure of substantial interest by a member of the City Council staff be filed with the City Council. [See Section 3.]
 - 4 Repealing outdated early retirement incentive program. [See Section 4.]
 - 5 Clarifying language dealing with the City’s Personnel System Rules and Regulations to (1) delete archaic reference to the City’s health department; (2) clarify that the probationary employment period of a civil service employee is to be established by the City’s Civil Service Commission; and (3) making clear that “seniority” consists of continuous full-time paid service with the City rather than accumulated paid service. [See Section 5.]
 - 6 Amending wording pertaining to write-in candidates in public elections to conform to state law requiring a write-in candidate to file a declaration of candidacy at least 14 days prior to a regular general election or a municipal general election. [See Section 6.]
 - 7 Correcting anomalies in sections regarding hearing officers handling civil notices and mandatory appearances before judicial officers resulting from the legislature’s requiring recriminalization of moving traffic violations. [See Sections 7, 8 and 9.] Wording regarding reporting violations to the state is being deleted from Section 2.75.020 since it is no longer applicable to civil violations. Language regarding mandatory appearance before a judge in the same section is being moved to Title 12 and renumbered as 12.20.033 [See Section 27] since it now applies to the criminal traffic title rather than to the civil notice chapters.
 - 8 Deleting outdated sections enacted especially for the 2002 Olympics that are no longer applicable and which contain sunset dates of April 30, 2002. [See Sections 10 and 11.]
 - 9 Clarifying wording pertaining to the requirement of a business license and the process for renewal. [See Sections 12 and 13.]
 - 10 Amending the definition of “seminude dancing bars” in the sexually oriented business ordinance to include Class B private clubs. [See Section 14.]

- 11 Amending the appeal process in the sexually oriented business ordinance to allow for a designee of the mayor to hear appeals from a hearing officer's decision. [See Section 15.]
- 12 Adding wording to make clear that the general prohibition against sales of products upon City property is subject to other provisions of the Code allowing for such sales in specific situations. [See Section 16.]
- 13 Repealing language regulating commercial solicitors which is now legally suspect due to Supreme Court rulings. [See Sections 17 and 18.]
- 14 Clarifying the hours of operation of the Salt Lake County Animal Shelter. [See Section 19.]
- 15 Making the provision regarding attacking dogs applicable to any attacking animal. [See Section 20.]
- 16 Deleting inapplicable wording allowing for licenses, now no longer issued per City Code, for hybrid animals. [See Section 21.]
- 17 Replacing former title of parks director with the currently used title. [See Section 22.]
- 18 Clarifying language regarding applicability of monthly charges for general garbage pick up and including eligible churches and non profit organizations among entities for which pick up service is available. [Section 23]
- 19 Providing for the payment by a property owner of the cost of the replacement of a damaged refuse container plus \$10 for delivery of the replacement container and regarding the replacement of damaged or lost containers. [See Section 24].
- 20 Modifying the hours and placement of refuse containers to be consistent with the rules of the Salt Lake Valley Health Department. [See Section 25.]
- 21 Amending Section 12.08.150 replacing requirement that traffic schools give instruction in traffic laws of the United States of America and its territories and possessions with requirement that they give instruction in traffic laws of the State of Utah. [See Section 26.]
- 22 Language regarding mandatory appearance before a judge in the same section is being moved from Chapter 2.75 regarding civil violations to Title 12 and renumbered as 12.20.033 since it pertains to criminal traffic matters. [See Section 27.]
- 23 Modifying wording regarding driving under the influence of drugs and intoxicants to conform to state law. [See Section 28.]

- 24 Changing outdated reference to Metropolitan Hall of Justice and Salt Lake County regarding City employee parking areas. [See Section 29.]
- 25 Changing all references in the Code to Salt Lake City and County Health Department to its current correct title of "Salt Lake Valley Health Department." [See Sections 30 and 31.]
- 26 Deleting the legal descriptions of the City parks in Chapter 15.04 and referring instead to "the public parks, playgrounds and golf courses as shown on the records of the City's real property manager." Legal descriptions are not legally required to be set forth in the Code and take up space unnecessarily. [See Sections 32, 33 and 34.]
- 27 Striking cross-references to deleted wording regarding the 2002 Olympics regarding park hours. [See Section 35.]
- 28 Striking cross-reference to deleted legal descriptions of parks and golf courses in section prohibiting beer or other alcohol in a park. [See Section 36.]
- 29 Clarifying wording prohibiting aircraft, vehicles or persons from crossing an airport runway without control tower clearance to include the term "taxiway." [See Section 37.]

It is the opinion of the City Attorney's office that these changes should be made to the City Code in order to bring it current, to eliminate errors, to make its provisions legally enforceable, to avoid vulnerability in the event of legal challenges, and to make needed minor procedural changes.

PUBLIC PROCESS:

Since the changes suggested in this ordinance are essentially of a legal nature involving the correction of technical and other errors, it has not been reviewed by boards, commissions or community groups.
