
SALT LAKE CITY COUNCIL MEMORANDUM

D

ATE: October 13, 2005

TO: City Council Members

FROM: Jan Aramaki, Constituent Liaison/Policy Analyst

SUBJECT: Annual Assessment for Special Lighting District No. L02

CC: Cindy Gust-Jenson, Rocky Fluhart, Sam Guevara, Louis Zunguze, Chris Bramhall, Brent Wilde, Tim Harpst, Dan Mulé, Garth Limburg, Michael Barry, Karen Carruthers, and Gary Mumford

FILE LOCATIONS: Community Development/Special Lighting District L02/SID

Requested Action:

The Administration requests that the City Council adopt an ordinance to approve the annual assessment on the properties incorporated within Lighting District No. L02. This action will renew the annual assessment levied upon each parcel of property described in the assessment list for the purpose of paying the costs for operating, maintaining, patrolling and furnishing of electrical energy.

The Office of the City Engineer has determined that the total estimated annual costs for street lights in Lighting District No. L02 will be \$163,000. The City's portion is \$40,750 leaving an assessment of \$122,250 upon the 383 property owners in the lighting district (for exact property locations, refer to parcel map attached to the ordinance).

There are 50 existing street lighting special improvement districts (extensions). The City has combined the individual districts into three super districts to simplify the annual assessment process. These extensions were combined based on assessment due dates, not on geographical location. On an annual basis, each district is renewed by assessment ordinance.

The number of property owners included in SID L02 assessment for 2005 has dropped significantly from 2004 because three of the extensions of this District (shown on the attached parcel map: L02-57, L02-31, L02-32) will later be assessed as part of the Rose Park SID. According to the Administration, nine total extensions received new lights, including the three mentioned above, as part of the Rose Park SID. The other six extensions are dispersed amongst Lighting SIDs L01 and L03. These nine extensions will be separated from Lighting Districts L01, L02, and L03 and will be assessed one-time only as the Rose Park SID before the end of the year. However, in years following this one-time assessment, to stay in keeping with the three super districts, and to simplify the number of annual assessment process, all nine extensions that are included in the Rose

in the Rose Park SID will be rolled back into Lighting District L02 in 2006 and will be assessed annually.

The Administration reported that there is a provision for maintenance and power increases within the calculated original formula Notice of Intention back in 1995; therefore a public hearing is not required.

Background:

Salt Lake City provides continuous street lighting along collector and arterial streets. Intersection lighting and mid-block lights are provided on local streets. Special improvement district lighting provides additional lighting in areas where property owners desire special decorative lighting or more lighting fixtures than the City's standard level of lighting and are willing to be assessed for the additional costs of the lighting.

When property owners within a specific neighborhood desire special or additional lighting, they may petition the City for the creation of a special assessment street lighting district. Creating this kind of a district is a legal process whereby property owners can arrange for funding of a public improvement that will benefit their properties. Special assessment districts are formed by ordinance upon agreement of a majority of the area property owners.

Street lighting districts require the abutting property owners to pay for 75% of the ongoing operating and maintenance cost of the lights. The City pays the remaining 25% as the equivalent of lighting that would be provided by the City. The property owners' costs are levied and billed annually in the form of special assessments.

OFFICE OF THE DIRECTOR

ROSS C. "ROCKY" ANDERSON
MAYOR

Council Transmittal

TO: Rocky Fluhart, Chief Administrative Officer *Rocky* **DATE:** October 12, 2005
FROM: Louis Zunguze, Community Development Director *[Signature]*
RE: An ordinance, authorizing the Mayor to approve the annual assessment ordinance for Special Lighting District LO2.

STAFF CONTACT: Tim Harpst, Transportation Director, at 535-6630 or tim.harpst@slcgov.com

DOCUMENT TYPE: Ordinance

BUDGET IMPACT: None: This is included in the City's non-departmental operating budget.

DISCUSSION:

Issue Origin: This is a request authorizing the Mayor to approve the annual assessment ordinance for Special Lighting District LO2. This ordinance sets the rate for this District.

Analysis: The annual operating, maintenance and electrical energy costs for the district is estimated at \$163,000.00. The City pays 25% of the annual expenses (\$40,750.00) and the residents in the district pay the remaining 75% (\$122,250.00). The City's portion is included in the City's non-departmental operating budget.

The attached assessment LO2 authorizes the Mayor to approve the annual assessment for Special Lighting District LO2 to be levied upon each parcel of property in the lighting district for the purpose of paying the operating, maintenance and electrical energy costs of the district. There are 383 property owners in the lighting district, which are at various locations throughout the City.

LO2 2005

Calendar for Street Lighting Special Improvement Districts

Date	Event
Sep 14, 2005	Preliminary tax rolls prepared.
Sept 16, 2005	Assessment costs to City Treasurer for approval.
Sept 16, 2005	Review of Assessment Ordinance from Ballard Spahr to Treasurer and Engineering.
Sept 27, 2005	Assessment and Council letter sent to Community Development for approval.
Sept 30, 2005	Assessment Ordinance and council letter returned to engineering for copies.
Oct 18, 2005	Assessment Ordinance approved by City Council, and to Recorder's Office for publication.
Oct 31, 2005	Assessment Ordinance Published.
Nov 1, 2005	District transferred from set-up to billing. (Or before depending on when I recovers the parcels to be removed.)
Nov 15, 2005	Billings mailed to property owners.

Salt Lake City, Utah

October 18, 2005

A regular meeting of the City Council of Salt Lake City, Utah, was held on Tuesday, the 18th day of October, 2005, at the hour of 7:00 p.m., at the offices of the City Council at 451 South State Street, Salt Lake City, Utah, at which meeting there were present and answering roll call the following members who constituted a quorum:

Dale Lambert	Chair
Nancy Saxton	Vice Chair
K. Eric Jergensen	Councilmember
Carlton Christensen	Councilmember
Van Blair Turner	Councilmember
David L. Buhler	Councilmember
Jill Remington Love	Councilmember

Also present:

Ross C. Anderson	Mayor
	City Attorney
	Deputy City Recorder

Absent:

After the meeting had been duly called to order and after other matters not pertinent to this resolution had been discussed, the Deputy City Recorder presented to the City Council a Certificate of Compliance With Open Meeting Law with respect to this the 18th day of October, 2005, meeting, a copy of which is attached hereto as Exhibit A.

Thereupon the following proceedings, among others, were duly had and taken:

It was noted Salt Lake City, Utah Special Lighting District No. 2 (the "District") was duly created, pursuant to notice and public hearing, on October 10, 1995. The District was created with notice to all property owners within the District that assessments are to be paid annually when assessed and after passage of the due date set out in the Notice of Assessment, interest will accrue on any unpaid balance until paid. On November 21, 1995, Ordinance No. 80 of 1995 (the "Original Assessment Ordinance") was adopted by the City Council. In November of each year thereafter an assessment ordinance has been adopted to cover actual and estimated costs of the District for a twelve month period.

Pursuant to the procedures established in the proceedings creating the District and the Original Assessment Ordinance, the following assessment ordinance (the "2005 Assessment Ordinance") was then introduced in writing, was fully discussed, and pursuant to motion duly made by Councilmember _____ and seconded by Councilmember _____ adopted by the following vote:

AYE:

NAY:

ABSENT:

The 2005 Assessment Ordinance was then signed by the Chair, presented to and approved by the Mayor and recorded by the Deputy City Recorder in the official records of Salt Lake City, Utah. The 2005 Assessment Ordinance is as follows:

ORDINANCE NO. ____ of 2005

AN ORDINANCE (THE "2005 ASSESSMENT ORDINANCE") APPROVING THE ASSESSMENT LIST AND LEVYING AN ANNUAL ASSESSMENT UPON PROPERTY IN SALT LAKE CITY, UTAH LIGHTING DISTRICT NO. 2, NOW KNOWN AS L02 (THE "DISTRICT L02"); ESTABLISHING THE EFFECTIVE DATE OF THE 2005 ASSESSMENT ORDINANCE; PROVIDING FOR A PROCEDURE TO CONTEST AN ASSESSMENT; AND RELATED MATTERS.

BE IT ORDAINED BY THE CITY COUNCIL (THE "COUNCIL") OF SALT LAKE CITY (THE "CITY"), SALT LAKE COUNTY, UTAH:

Section 1. Determination of Costs. All costs and expenses for providing street lighting within the District and the reasonable cost of any work to be done have been determined.

Section 2. Approval of Assessment List; Findings. The Council confirms and adopts the District L02 assessment list, a copy of which is attached hereto as Exhibit B and incorporated herein by reference (the "Assessment List"). The Assessment List has been adjusted to comport with the previous year's experience for the District and it includes estimated operation and maintenance expenses for the coming year. The Council has determined that the Assessment List is just and equitable; that each piece of property to be assessed within the District will be benefited in an amount not less than the assessment to be levied against said property; and that no piece of property listed in the assessment list will bear more than its proportionate share of the cost of such improvements or services.

Section 3. Levy of Assessments. The Council hereby levies an assessment upon the real property identified in the Assessment List. The assessments levied upon each parcel of property therein described shall be in the amount set forth in the Assessment List as adjusted.

The assessments hereby levied are for the purpose of paying the costs of providing for the operation, maintenance and patrolling of incandescent, fluorescent, metal halide and sodium vapor lamps and the furnishing of electrical energy. It is hereby determined and established that the property being assessed will be specifically benefited to the full amount of the assessment hereby levied to cover the cost of operating, maintaining, patrolling and furnishing electrical energy. The properties benefited are within the boundaries of the lots, blocks and streets as set forth in the Assessment List. Unless future modifications revise the purposes and plans of the District, future assessments will continue to be levied annually based upon applicable rates established by the energy contract with the City. Future non-energy costs of operation and maintenance relating to the providing of lighting benefits will also be a factor in determining future rates. The City Treasurer is hereby authorized and directed to notify

property owners of this assessment and to collect assessments in accordance with the provisions of the 2005 Assessment Ordinance for the purposes herein provided.

Section 4. Cost of Services Improvements; Amount of Total Assessments. As determined by the office of the City Engineer, the total actual and estimated costs of all services and improvements for this fiscal year of the District is \$163,000, of which the City's portion is approximately \$40,750. The remainder of \$122,250 is to be paid from assessments levied upon property within the District as set forth in the Assessment List.

Section 5. Method, Rate and Payment of Assessment. The total assessment for the District is levied in accordance with the method set out in the Notice of Intention pertaining to the District as adopted by the City Council on August 8, 1995. The applicable rate for each property was determined based on the costs of street lighting services, together with other related factors, the totals of which are set out in the preceding Section.

Assessments shall be payable on December 15, 2005 (the "Due Date"). Interest on assessments shall accrue only after passage of the Due Date set out in the Special Assessment Notice to be mailed by the Treasurer to property owners. The rate of interest accruing on any delinquent assessment shall be the rate allowed by Utah statute (the "Delinquent Rate"). The whole or any part of the assessment may be paid without interest on or prior to the Due Date. Future annual assessments may include adjustments to reflect changes in operation and maintenance costs and any balances or deficits resulting from the previous year's operations.

Section 6. Default in Payment. The assessment installment shall be delinquent if it remains unpaid after the Due Date. Any delinquency shall constitute a default of the payment of the assessment. If a default occurs in the payment of any installment when due, the City may file for recording a notice (the "Notice of Delinquency") with the Salt Lake County Recorder. The resulting recording fees for both the filing and the release, shall be added to the assessment together with accrued interest due and owing. In addition, costs of collection as determined by the City Treasurer or required by law shall be charged and paid on all delinquent amounts.

If the delinquency continues after the filing of the Notice of Delinquency, the City Treasurer may determine that additional enforcement action may be appropriate. Prior to commencement of such enforcement action the City shall give an additional notice (the "Notice of Default"), in writing, of the default to the owner of the property in default. Notice of Default shall be effective upon deposit of the notice in the U.S. Mail, postage prepaid, and addressed to the owner as shown on the last equalized assessment rolls for the City or on the official ownership records of the City. The Notice of Default may provide for a period of thirty (30) days in which the owner shall pay the assessment balance then due and owing together with accrued interest at the Delinquent Rate plus recording costs and other costs as determined by the City Treasurer. The Notice of Default may also declare that after the thirty (30) day period the City may bring suit for the total amount due plus costs of the enforcement action remedy, or the City may elect to commence foreclosure proceedings in the manner provided for actions to foreclose

mortgage liens or trust deeds. In the event the City elects to foreclose using trust deed procedures, a trustee shall be designated by the City to serve as trust deed trustee for purposes of the enforcement proceedings. If at the sale no person or entity shall bid and pay the City the amount due on the assessment plus interest and costs, the property shall be deemed sold to the City for these amounts. The City shall be permitted to bid at the sale.

The election by the City to use or not to use a Notice of Delinquency and a Notice of Default shall have no effect on the perfecting of the lien resulting from a delinquency in the payment of any assessment after publication of the applicable assessment ordinance. The remedies provided herein for the collection of assessments and the enforcement of liens shall be deemed and construed to be cumulative and the use of any one method or means of collection or enforcement shall not deprive the City of the use of any other method or means. The amounts of accrued interest and all costs of collection shall be added to the amount of the assessment up to the date of judgment or, in the case of foreclosure action, the date of the foreclosure sale.

Section 7. Remedy of Default. If prior to the final date payment may be legally made under a final sale or foreclosure of property to collect delinquent assessment installments, the property owner pays the full amount of the unpaid assessment balance with interest at the Delinquent Rate, plus all approved or required costs, the owner will have the right to make payment in full and receive a release of the assessment lien.

Section 8. Lien of Assessment. An assessment levied by the 2005 Assessment Ordinance or any unpaid portion of an earlier assessment, any interest accruing and the costs of recording and collection shall constitute a lien against the property upon which the assessment is levied as of December 1, 2005, the effective date of the 2005 Assessment Ordinance (the "Effective Date"), or as of the effective date of any earlier applicable assessment ordinance. Unless the assessment becomes delinquent, no notice of lien may be recorded and no release of lien will be recorded at the time of payment. When a delinquency occurs, a notice of lien setting out the assessment balance due may be incorporated into a Notice of Delinquency which will be recorded. The assessment lien based on the 2005 Assessment Ordinance, or on an earlier assessment ordinance, if the delinquency predates the effective date of the 2005 Assessment Ordinance, shall be superior to the lien of any trust deed, mortgage, mechanic's or materialman's lien or other encumbrance and shall be equal to and on a parity with the lien for general property taxes. The lien shall continue until the assessment and any interest, penalties and costs on it are paid, notwithstanding any sale of the property for or on account of a delinquent general property tax, special tax or other assessment or the issuance of a tax deed, an assignment of interest by the governing entity or a sheriff's certificate of sale or deed.

Section 9. Appeal of Assessment. An owner of property assessed within the District may, within fifteen (15) days from the Effective Date, file a written appeal with the City Engineer contesting the equity or justice of his/her assessment. Upon receipt of a written appeal, the City shall convene a Board of Equalization and Review to consider the appeal and, where appropriate, make adjustments to said assessment, provided

however, that no adjustment may be made which would result in an increase in said assessment. The City shall report to the property owner the determination of the Board of Equalization and Review within five (5) days after its recommendation is made. If an adjustment is recommended, the City Treasurer shall note said adjustment on the Assessment List attached hereto. If no adjustment is made, the property owner may take such additional legal action as provided in Section 10.

Section 10. Contestability. No assessment shall be declared void or set aside in whole or in part in consequence of any error or irregularity which does not go to the equity or justice of the assessment or proceeding. Any party who has not waived his or her objections to the assessment may commence a civil action against the City to enjoin the levy or collection of the assessment or to set aside and declare unlawful the 2005 Assessment Ordinance.

Such action must be commenced and summons must be served on the City not later than 30 days after the Due Date of the 2005 Assessment Ordinance. This action shall be the exclusive remedy of any aggrieved party. No court shall entertain any complaint which the party was authorized to make by statute but did not timely make or any complaint that does not go to the equity or justice of the assessment or proceeding.

After the expiration of the 30-day period provided in this section, the assessments levied in the District shall become incontestable as to all persons who have not commenced the action provided for in this section; and no suit to enjoin the levy, collection or enforcement of the assessments, or in any other manner attacking or questioning the legality of the assessments may be instituted in this state, and no court shall have authority to inquire into these matters.

Section 11. Notice to Property Owners. The City Treasurer is hereby authorized and directed to give notice of assessment by mail to the property owners in the District. Said notice shall, among other things, state the amount of the assessment and the date for payment. A copy of the form of notice of assessment is available for examination upon request at the office of the Deputy City Recorder.

Section 12. All Necessary Action Approved. The officials of the City are hereby authorized and directed to take all action necessary and appropriate to effectuate the provisions of the 2005 Assessment Ordinance.

Section 13. Repeal of Conflicting Provisions. All ordinances or parts thereof in conflict with the 2005 Assessment Ordinance are hereby repealed.

Section 14. Publication of Ordinances. An emergency is hereby declared, the preservation of peace, health and safety of the City and the inhabitants thereof so requiring. Immediately after its adoption, the 2005 Assessment Ordinance shall be signed by the Mayor and City Recorder and shall be recorded in the ordinance book kept for that purpose. The 2005 Assessment Ordinance shall be published once in the Deseret Morning News, a newspaper published and having general circulation in the City, and shall take effect immediately upon its Effective Date.

PASSED AND APPROVED by the City Council of the City, this 18th day of
October, 2005.
