

City Council Announcements

January 10, 2006

1. **Ambulance Service:** Some Council Members have received calls inquiring about the change in ambulance service providers. The Fire Department is prepared to give a briefing if Council Members are interested. **Would Council members like to schedule a briefing?**
2. **Work Group on Energy Efficiency:** the Mayor has invited the Council to designate 2 or 3 Council Members to work with the Administration on reviewing ordinances and identifying ways to make it easier for residents to make energy-efficient decisions with their homes (example – solar panels). **Does the Council wish to set up a subcommittee to collaborate with the Administration?**
