Employees subject to this plan shall be Full-Time, Regular Part-Time and Job Sharing City employees, classified as "600 Series" and "300 Series" "Exempt and Non-Exempt Professional" employees. However, employees on an unpaid military leave of absence may be entitled to the restoration of certain leave benefits as provided by city ordinance.

III. WAGES AND SALARIES

A. Determination.

1. To the degree that funds permit, employees classified as "600 Series" and "300 Series" "Exempt Professional" or "Non-Exempt Professional" employees shall be paid compensation that:
  - a. Is commensurate with the skills and abilities required of the position.
  - b. Is competitive with the compensation paid by other public and private employers with whom the City competes for personnel recruitment and retention.
2. Compensation surveys, which are used to determine comparability, shall include a reasonable cross section of comparable benchmark positions in organizations with whom the City competes for personnel recruitment and retention.
3. Compensation surveys shall measure total compensation including salaries and wages, paid leave, group insurance plans, retirement, and all other benefits.
4. The compensation plans may provide salary range widths that reflect the normal growth and productivity potential of employees within a job classification.
5. The Mayor shall develop policies and guidelines for the administration of the pay plans.

  - a. As used in this Compensation Plan, "Exempt Professional" employees shall mean Professional employees who are defined by §213 of the Fair Labor Standards Act (the "Act") as exempt from the Act's overtime provisions.
  - b. As used in this Compensation Plan, "Non-Exempt Professional" employees shall mean Professional employees who are covered by the overtime provisions of the Act.
2. Effective ~~June 19, 2005~~ July 1, 2006, Full-Time "600 Series" Exempt Professional employees shall be paid compensation according to the wage schedule attached as Appendix "A."
3. Effective ~~June 19, 2005~~ July 1, 2006, Full-Time "300 Series" Non-Exempt Professional employees shall be paid compensation according to the salary schedule attached as Appendix "B."

- C. Other Compensation. The foregoing shall not restrict the Mayor from distributing appropriated monies to employees of the City in the form of retention incentives or retirement contributions; or special lump sum supplemental payments in recognition of weather-related emergencies, special projects or other extraordinary circumstances. Retention incentives or special lump sum payments are recommended by the department directors and are subject to the Mayor's approval. Additionally, nothing in the foregoing shall restrict the Mayor from classifying or advancing employees under rules established by the Mayor.

IV. LONGEVITY PAY

- A. Eligibility. Full-Time employees who have completed 6 full years of employment with the City, shall receive a monthly longevity benefit in the sum of \$50.00. Said benefit shall be \$75.00 per month for employees who have completed 10 full years of employment with the City. Said benefit shall be \$100.00 per month for employees who have completed 16 full years of employment with the City. Said benefit shall be \$125.00 per month for employees who have completed 20 full years of employment with the City. The computation of longevity pay shall be based on the most recent date the person became a Full-Time salaried employee.
- B. Pension Base Pay. Longevity paid to Full-Time employees pursuant to paragraph IV.A shall be deemed included within base pay for purposes of pension contributions.
- C. The benefit under this Article IV is paid pro-rata each bi-weekly pay period, based on the most recent date the person became a full-time salaried employee. Employees do not earn or receive longevity payments while on unpaid leave of absence. Upon return from an approved, unpaid leave of absence, longevity

payments will resume on the same basis as if the employee had not been on such leave of absence.

V. OVERTIME COMPENSATION

Payment of Overtime Compensation. Non-exempt "300 Series" employees who are authorized and required by their supervisors to perform City work on an overtime basis as defined by the Fair Labor Standards Act shall be compensated by pay or compensatory time off. Only hours actually worked shall be used in the calculation of overtime. It shall be at the discretion of the Department Director, subject to the limitations of the Fair Labor Standards Act and City policy, to determine whether an employee receives cash payment or compensatory time off. All overtime work must be pre-authorized. In no case shall overtime compensation exceed the rate of 1-1/2 times an employee's regular hourly rate of pay.

VI. EDUCATION AND TRAINING PAY

Education Incentives. The Mayor may adopt programs to promote employee education and training, provided that all compensation incentives under such programs are authorized within appropriate budget limitations established by the City Council.

VII. WAGE DIFFERENTIALS

A. Call-back and Standby. Full-Time "300 Series" employees may receive call-back and standby compensation based on Department Director approval and the following guidelines:

1. Employees who have been released from normally scheduled work and standby periods, and who return to their normal work site upon direction of an appropriate department head or designated representative prior to their next normal duty shift and without advanced notice or scheduling, shall receive a minimum of three (3) hours straight-time pay and in addition shall be guaranteed a minimum four (4) hours work or straight-time pay thereof.
2. Employees who have been released from normally scheduled work but have not been released from standby status and who return to their normal work site upon direction of an appropriate department head or designated representative prior to their next normal duty shift and without advanced notice or scheduling, shall be guaranteed a minimum four (4) hours work or straight-time pay thereof.
3. Full-Time "300 Series" employees may be eligible for: (1) 2 hours of straight time pay for each 24 hour period of limited standby status; or (2) 2 hours straight time pay for each 12 hour period of limited standby status if they are Department of Airports and Public Utilities Department employees.

Any employee on standby as a member of the Snow Fighter Corps shall not receive standby/on-call pay or shift differential when on standby or called back to fight snow.

- B. Shift Allowance. Full-Time "600 Series" employees who work a regularly scheduled swing shift or night shift during a month will receive a monthly allowance of \$120.00. See paragraph D. below.
- C. Shift Differential. Full-Time "300 Series" employees who work a regularly scheduled swing shift or night shift will receive a differential of \$.68 an hour. See paragraph D below.
- D. For purposes of paragraphs B. and C. above, a regularly scheduled swing shift or night shift means a regularly scheduled shift that starts between 12:00 noon and 5:59 a.m. However, if an employee requests a start time falling within this period that is not the regular start time otherwise designated by the City, and the granting of such request will not compromise the City's needs, then the request may be granted without shift differential. The request must be in writing and signed by the employee.
- E. Acting/Working out of Classification. From time to time, employees may be asked to temporarily assume some or all of the duties of a supervisor or other team member in that person's absence. Employees who feel that they are asked to perform the duties of a position in a higher classification, should discuss the matter with the person to whom they report during the temporary assignment. With guidance from the department head, said person will decide—on the basis of how much responsibility is assumed and the length of the temporary assignment—whether additional compensation is warranted. Where the department and the employee disagree on the decision, and provided the temporary assignment lasts for at least 20 working days, the employee may request a review by the Division of Human Resource Management. Compensation adjustments made under this paragraph VII.D. may be retroactive.
- F. Snowfighter Pay for Full-Time "300 Series" Employees Designated by the City. Full-Time "300 Series" employees designated by the City as members of the Snow Fighter Corps shall receive a pay differential equal to ~~\$300~~ \$150 per month pay period for the snowfighter season (November ~~65~~, ~~2005~~ 2006 to February ~~2524~~, ~~2006~~ 2007), not to exceed \$1,200 during each fiscal year of this compensation plan. Such pay differential shall be for work related to snow removal and shall be separate from regular earnings on each employee's wage statement. Employees who are qualified to operate snow-removal equipment shall be assigned to the Snowfighter Corps by department seniority on a volunteer basis. If the City does not have enough volunteers to staff a snowfighter crew, as determined by the supervisor or department head, employees shall be assigned on a department seniority basis with the junior employees assigned first.

Provided, however, that any employee otherwise qualified for the allowance, who is absent from normal scheduled work more than ~~10~~ 5 working days in a ~~month~~ pay period, shall be ineligible to receive the allowance for that ~~month~~ pay period. Vacation and compensatory time shall not be considered as absent work days for purposes of determining eligibility for the allowance described in this article VII. F.

## VIII. ALLOWANCES

- A. Meal Allowance. Employees shall be eligible for meal allowances in the amount of \$8.00 when said employees work 2 or more hours consecutive to their normally scheduled shift, as pre-approved by their supervisor. Said employees may also receive \$8.00 for each additional 4 hour consecutive period of work which is in addition to the normally scheduled work shift, as preapproved by their supervisor.
- B. Business Expenses. City policy shall govern the authorization of employee advancement or reimbursement for actual expenses reasonably incurred in the performance of City business. Advancement or reimbursement shall be approved only for expenses documented and authorized in advance within budget limitations established by the City Council.
- C. Automobiles.
  - 1. The Mayor may authorize, subject to the conditions provided in City policy, an employee to utilize a City vehicle on a take-home basis, and may require said employee to reimburse the City for a portion of the take-home vehicle cost as provided in City ordinance.
  - 2. Employees who are authorized to use, and who do use, privately owned automobiles for official City business shall be reimbursed for the operation expenses of said automobiles at the rate specified in City policy.
- D. Uniform Allowance. Employees shall be provided the following monthly uniform allowances when required to wear uniforms in the performance of their duties:
  - 1. Field Supervisor (Parking Enforcement) -- \$50.00
  - 2. Non-sworn Police and Fire Department employees -- \$50.00.
  - 3. Watershed Management Division Personnel -- \$50.00
  - 4. Uniform allowances are provided if the employees maintain their uniforms in reasonably good, clean, neat and pressed condition. Uniforms shall have proper identification and insignias and shall not be frayed or unsightly. Uniforms shall be in compliance with applicable department regulations. Failure to maintain the uniform in accordance with the above shall be grounds for forfeiture of uniform allowances provided in this paragraph VIII.D.
- E. Allowances for Golf Professionals. The Mayor may, within budgeted appropriations, authorize golf lesson revenue sharing between the City and employees classified as golf professionals and assistant golf professionals as business needs and market surveys dictate.

## IX. HOURS OF SERVICE – 300 SERIES EMPLOYEES

- A. Hours Worked. For Full-Time “300 Series” employees, 7 days shall constitute a workweek and 40 hours shall constitute a normal work schedule. Exceptions may be permitted with approval of the Director of Human Resource Management. Overtime work is to be discouraged. In case of unforeseen circumstances or

whenever public interest demands, an employee may be required by a Department Director to perform overtime work.

This paragraph shall not be construed to limit or prevent the City from changing or establishing work schedules and shifts as the need arises or to guarantee employees 40 hours work per week. The City may adopt variable work week schedules including 8 hour, 10 hour, 12 hour or other approved shifts. It is the City's intent to give reasonable notice of any work schedule and shift changes to all affected employees. A shift change shall mean a change from one permanent shift (day shift, swing shift, graveyard shift) to another permanent shift.

- B. Rest Periods. Employees shall be entitled to a 15 minute rest period during each 4-hour working period, which time shall be included within the work shift, except where extraordinary circumstances render such break impracticable. A reasonable effort shall be made to provide such breaks near the middle of each 4-hour work period; provided, however, there shall be no additional compensation paid to employees electing or required to forego such rest period. Rest periods provided herein shall be counted as time worked for purposes of computing overtime compensation.
- C. Meal Period. Employees shall be granted a lunch period not to exceed sixty (60) minutes during each work shift; provided, however, said lunch period shall be scheduled in accordance with the operational needs of the department as determined by the shift supervisor. An employee shall not be compensated for such periods unless the employee is required by the supervisor to be on the work site, or perform any work during such time. In lieu of payment, the employee may, with the consent of the supervisor, end the work shift early by the same number of minutes worked into the lunch break. A lunch period where the employee performs no work shall not be counted as time worked for purposes of computing overtime compensation.

## X. HOLIDAYS AND VACATION

Full-Time employees shall receive holidays and vacation as provided in this paragraph X. Employees do not earn or receive holiday and vacation benefits while on unpaid leave of absence. However, employees on an unpaid military leave of absence may be entitled to the restoration of such leave benefits, as provided by city ordinance.

### A. Holidays.

- 1. The following days shall be recognized and observed as holidays for Full-Time employees covered by this plan. Such Full-Time employees shall receive their regular rate of pay for each of the unworked holidays:
  - a. New Year's Day, the first day of January.
  - b. Martin Luther King, Jr. Day, the third Monday of January.
  - c. President's Day, the third Monday in February.
  - d. Memorial Day, the last Monday of May.
  - e. Independence Day, the fourth day of July.

- f. Pioneer Day, the twenty-fourth day of July.
  - g. Labor Day, the first Monday in September.
  - h. Veteran's Day, the eleventh day of November.
  - i. Thanksgiving Day, the fourth Thursday in November.
  - j. The Friday after Thanksgiving Day. (floating holiday, see explanation below.)
  - k. Christmas Day, the twenty-fifth day of December.
  - l. One personal holiday, taken upon request of the employee and at the discretion of the supervisor.
- 2. When any holiday listed above falls on a Sunday, the following business day shall be considered a holiday. When any holiday listed above falls on a Saturday, the preceding business day shall be considered a holiday. In addition to the above, any day may be designated as a holiday by proclamation of the Mayor and/or the City Council.
  - 3. No employee shall receive in excess of one day of holiday pay for a single holiday. Employees must work or be on authorized leave their last scheduled working day before and the next working day following the holiday to qualify for holiday pay.
  - 4. Holiday Exception. In lieu of taking the Friday after Thanksgiving Day as a holiday, employees may observe this holiday up to 50 days prior to Thanksgiving Day, provided that the date chosen is approved by the supervisor.

B. Vacations.

- 1. Full-Time employees shall be entitled to receive their regular salaries during vacation periods earned and taken in accordance with the provisions in this paragraph; provided, that no employee shall be entitled to use any vacation unless the employee has successfully completed his or her initial probationary period.
- 2. For Full-Time employees, the following schedule shall apply:

<u>Years of City Service</u>	<u>Hours of Vacation Accrued Per Biweekly Pay Period</u>
0 to end of year 3	3.08
4 to 6	3.69
7 to 9	4.62
10 to 12	5.54

13 to 15	6.15
16 to 19	6.77
20 or more	7.69

For any plan year in which there are 27 pay periods, no vacation leave hours will be awarded on the 27<sup>th</sup> pay period.

Years of City Service shall be based on the most recent date the person became a Full-Time salaried employee.

3. Full-Time employees may accumulate vacations, according to the length of their full-time years of City Service up to the following maximum limits:

Up to and including 9 years	Up to 30 days (240 hours)
After 9 years	Up to 35 days (280 hours)
After 14 years	Up to 40 days (320 hours)

"Days," herein, means "8-hour" days.

Any vacation accrued beyond said maximums shall be deemed forfeited unless utilized prior to the end of the calendar year in which the maximum has been accrued. However, in the case of an employee returning from an unpaid military leave of absence, related provisions under city ordinance shall apply.

4. Vacation Buy Back. The City may purchase within any calendar year up to, but not exceeding, 80 hours of accrued vacation time, to which an employee is entitled, with the consent of said employee and upon favorable written recommendation of the employee's Department Director and approval of the Chief Administrative Officer.

Said purchase of accrued vacation time may be authorized, in the discretion of the City, when, in its judgment, it is demonstrated that:

- a. The cash payment in lieu of vacation time use shall not interfere with an employee's performance or create an unreasonable hardship on said employee;
- b. There is a demonstrated need for the City to retain the services of the employee for said vacation time;
- c. There are sufficient funds in the Department budget to pay for the vacation time as certified by the Chief Administrative Officer or designee, without disturbing or interfering with the delivery of City services; and

- d. The amount to be paid for any such purchase of vacation time as provided herein shall be based on the wage or salary rate of the said employee at the date of approval by the City.

The City shall make a diligent effort to provide employees their earned annual vacation, and shall, through appropriate management efforts, seek to minimize the recommendations for cash payments in lieu of vacation use. Any vacation purchased by the City shall be considered to be an extraordinary circumstance and not a fringe benefit of the employee.

#### XI. SICK AND OTHER RELATED LEAVE OR PERSONAL LEAVE.

- A. Benefits in this section are for the purpose of continuing income to employees during absence due to illness, accident or personal reasons. Some of these absences may qualify under the Family and Medical Leave Act (FMLA). This is a federal law that provides up to 12 weeks of unpaid leave each year and protects jobs and health care benefits for eligible employees who need to be off work for certain "family and medical" reasons. APPENDIX D outlines the FMLA rights and obligations of the employee and the City. The City requires all employees using FMLA leave to exhaust their paid leave allotments for FMLA-qualifying events prior to taking FMLA leave unpaid. The paid leave parameters are defined in this Compensation Plan. Employees do not earn or receive leave benefits under this Section XI. while on unpaid leave of absence. However, employees on an unpaid military leave of absence may be entitled to the restoration of such leave benefits, as provided by city ordinance.
- B. Full-Time employees shall receive benefits in this section either under a plan as provided in paragraph XI.D. (Plan "A"), or as provided in paragraph XI.E. (Plan "B").
- C. Employees hired on or after November 16, 1997 shall participate in Plan B. All other employees shall participate in the plan they participated in on November 15, 1998.
- D. Plan "A."
  1. Sick Leave.
    - a. Sick leave shall be provided for Full-Time employees under this Plan "A" as insurance against loss of income when an employee is unable to perform assigned duties because of illness or injury. The Mayor may establish rules governing the interfacing of sick leave and Workers' Compensation benefits and avoiding, to the extent allowable by law, duplicative payments.
    - b. Each Full-Time employee shall accrue sick leave at a rate of 4.62 hours per pay period. For any plan year in which there are 27 pay periods, no sick leave hours will be awarded on the 27<sup>th</sup> pay period. Authorized and unused sick leave may be accumulated from year to year, subject to the limitations of this plan.
    - c. Under this Plan "A," Full-Time employees who have accumulated 240 hours of sick leave may choose to convert up to 64 hours of the sick leave earned and unused during any given year to vacation.

Any sick leave used during the calendar year reduces the allowable conversion by an equal amount.

- d. Conversion at the maximum allowable hours will be made unless the employee elects otherwise. Any election by an employee for no conversion, or to convert less than the maximum allowable sick leave hours to vacation time, must be made by notifying his or her Personnel/Payroll Administrator, in writing, not later than the second payperiod of the new calendar year. Otherwise, the opportunity to waive conversion or elect conversion other than the maximum allowable amount shall be deemed waived for that calendar year. In no event shall sick leave days be converted from other than the current year's sick leave allocation.
- e. Any sick leave hours, properly converted to vacation benefits as above described, shall be taken prior to any other vacation hours to which the employee is entitled; provided, however, that in no event shall an employee be entitled to any pay or compensation upon an employee's separation for any sick leave converted to vacation. Any sick leave converted to vacation remaining unused at the date of separation shall be forfeited by the employee.

2. Hospitalization Leave

- a. Hospitalization leave shall be provided for Full-Time employees under this Plan "A," in addition to sick leave authorized hereunder, as insurance against loss of income when employees are unable to perform assigned duties because of scheduled surgical procedures, urgent medical treatment, or hospital inpatient admission.
- b. Employees shall be entitled to 30 days of hospitalization leave each calendar year. Hospitalization leave shall not accumulate from year to year. Employees may not convert hospitalization leave to vacation or any other leave, nor may they convert hospitalization leave to any additional benefit at time of retirement.
- c. Employees who are unable to perform their duties during a shift due to preparations (such as fasting, rest, or ingestion of medicine), for a scheduled surgical procedure, may report the absence from the affected shift as hospitalization leave, with the prior approval of their division head or supervisor.
- d. Employees who must receive urgent medical treatment at a hospital, emergency room, or acute care facility, and who are unable to perform their duties during a shift due to urgent medical treatment, may report the absence from the affected shift as hospitalization leave. The employee is responsible to report the receipt of urgent medical treatment to the employee's Division head or supervisor as soon as practical. For purposes of use of hospitalization Leave, urgent medical treatment includes at-home

care directed by a physician immediately after the urgent medical treatment and within the affected shift.

- e. Employees who are admitted as an inpatient to a hospital for medical treatment, so they are unable to perform their duties, may report the absence from duty while in the hospital as hospitalization leave.
- f. Medical treatment consisting exclusively or primarily of post-injury rehabilitation or therapy treatment, whether conducted in a hospital or other medical facility, shall not be counted as hospitalization leave.
- g. An employee requesting hospitalization leave under this section may be required to provide verification of treatment or care from a competent medical practitioner.

3. Bereavement Leave

- a. Under this Plan "A" time off with pay will be granted to a Full-Time employee who suffers the loss of a wife, husband, child, mother, father, brother, sister, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, grandfather, step-grandfather, grandmother, step-grandmother, grandchild, or stepgrandchild, stepchild, stepmother, stepfather, stepbrother or stepsister, or domestic partner, as defined in Paragraph b. below, or domestic partner's ~~unmarried child under age 26~~relative as listed above. In the event of death in any of these instances, the employee will be paid ~~their~~his or her regular base pay for scheduled work time from the date of death through the day of the funeral or memorial service, not to exceed five working days. ~~The Employees~~employee will be permitted one additional day of funeral or memorial service leave on the day following the service if: such service is held more than 150 miles distance from Salt Lake City; the employee attends the service; and the day following the service is a regular work shift. Satisfactory proof of such death, together with the date thereof, the date and location of the service, and the date of burial, must, on request, be furnished by the employees to ~~their~~his or her supervisor.
- b. "Domestic Partner" means an individual with whom an eligible employee has a long term committed relationship of mutual caring and support. The domestic partner must have resided in the same household with the eligible employee for at least the past six consecutive months, and must have common financial obligations with the employee. The domestic partner and the employee must be jointly responsible for each other's welfare. The domestic partner may not be related by blood to the employee to a degree of closeness that would prohibit legal marriage in the State of Utah. The domestic partner benefit provided under this bereavement benefit is not effective before February 23, 2006.

- c. In the event of death of an uncle, aunt, niece, nephew, or first cousin to the respective employee, said employee will be paid for time off from scheduled working hours while attending the funeral or memorial service for such person, not to exceed one shift.
- d. In the event of death of friends or relatives not listed above, an employee may be granted time off without pay, not to exceed four hours, or may use available vacation leave while attending the funeral or memorial service for such person, subject to the approval of his or her immediate supervisor.
- e. In the event the death of any member of the immediate family as set forth in this paragraph XI.D.3(a) occurs while an employee is on vacation, his or her vacation will be extended by the amount of time authorized as bereavement leave under said paragraph.
- f. The provisions of this paragraph shall not be applicable to employees who are on leave of absence other than vacation leave.

4. Dependent Leave.

- a. Under Plan "A," dependent leave may be requested by a Full-Time employee covered by this Compensation Plan for the following reasons:
  - 1. Becoming a parent through birth or adoption of a child or children.
  - 2. Placement of a foster child in the employee's home.
  - 3. Due to the care of the employee's child, spouse, spouse's child, domestic partner (as defined in Paragraph c. below), domestic partner's unmarried child under age 26, or parent with a serious health condition.

Domestic partners and domestic partners' children are not covered by FMLA.

- b. Under Plan "A," dependent leave may also be requested by a Full-Time employee to care for an employee's child, spouse, spouse's child, domestic partner (as defined in Paragraph c. below), domestic partner's unmarried child under age 26, or a parent who is ill or injured but who does not have a serious health condition.
- c. "Domestic Partner" means an individual with whom an eligible employee has a long term committed relationship of mutual caring and support. The domestic partner must have resided in the same household with the eligible employee for at least the past six consecutive months, and must have common financial obligations with the employee. The domestic partner and the employee must be jointly responsible for each other's welfare. The domestic partner may not be related by blood to the employee to a degree of closeness that would prohibit legal marriage in the State of Utah.

The domestic partner benefit provided under this dependent leave benefit is not effective before February 23, 2006.

- d. The following provisions apply to the use of dependent leave by a Full-Time employee:
  - 1. Dependent leave may be granted with pay on a straight time basis.
  - 2. If the employee has available unused sick leave, the employee shall be entitled to use as dependent leave such unused sick leave.
  - 3. The employee shall give notice of the need to take dependent leave and the expected duration of such leave to to his or her supervisor as soon as possible under the circumstances.
  - 4. The employee shall provide, upon request of the supervisor, certification of birth or evidence of a child placement for adoption, or a letter from the attending physician in the event of hospitalization, injury or illness of a child, spouse, spouse's child, domestic partner, domestic partner's child, or parent within five calendar days following termination of such leave.
  - 5. An employee's sick leave shall be reduced by the number of hours taken by an employee as dependent leave under this paragraph provided, however, that up to 40 hours of dependent leave used during the calendar year will not affect the sick leave conversion options as outlined in paragraph XI.D.1.c.
  - 6. Probationary employees are not eligible for dependent leave.
- 5. Career Incentive Leave, Plan "A." Full-Time employees, who have been in continuous Full-Time employment with the City for more than 20 years, and who have accumulated to their credit 1500 or more sick leave hours, may make a one-time election to convert up to 160 hours of sick leave into 80 hours of paid Career Incentive Leave. Career Incentive Leave must be taken prior to retirement. Sick leave hours converted to Career Incentive Leave will not be eligible for a cash payout upon termination or retirement even though the employee has unused Career Incentive Leave hours available. This leave can be used for any reason. Requests for Career Incentive Leave must be submitted in writing to the Department Director and be approved subject to the department's business needs (e.g., work schedules and workloads).
- 6. Retirement Benefit, Plan "A."
  - a. Persons who retire under the eligibility requirements of the Utah State Retirement System will be paid in cash at their then current pay scale, a sum equal to their daily rate of pay for 25% of the accumulated sick leave days reserved for the benefit of said employee at the date of the employee's retirement.

- b. In lieu of the above, Full-Time employees may elect to convert the sick leave privilege provided above to hospital and surgical coverage. If such an election is made in writing, 50% of the sick leave hours available at retirement may be converted to a dollar allowance at the time of retirement. The sick leave hours converted to a dollar allowance shall be subject to any state and federal income and social security tax withholding required by law. An employee's available sick leave account balance, computed by the hours therein times the salary rate at the effective date of employment separation, determines the number of months of medical and surgical coverage which may be purchased. The purchase is made on a monthly basis, which shall be computed on a monthly basis of charges against the account balance. If insurance premiums increase, the number of months of coverage will decrease. This provision shall not act to reinstate an employee with sick leave benefits which were in any respect lost, used, or forfeited prior to the effective date of this plan.

E. Plan "B."

1. The benefit Plan Year of Plan "B" begins in each calendar year on the first day of the pay-period that includes November 15. Under this Plan "B," paid personal leave shall be provided for employees as insurance against loss of income when an employee needs to be absent from work because of illness or injury, to care for a dependent, or for any other emergency or personal reason. Where the leave is not related to the employee's own illness or disability—or an event that qualifies under the FMLA—a personal leave request is subject to supervisory approval based on the operational requirements of the City and any policies regarding the use of such leave adopted by the department in which the employee works.
2. Each Full-Time employee under this Plan "B" shall be awarded, at the beginning of the second pay period of November in each calendar year, personal leave hours based on the following schedule:

Months of Consecutive City Service	Hours of Personal Leave Per Bi-weekly Pay Period
Less than 6	<u>1.5440</u>
