

# City Council Announcements

## April 20, 2006

### **A. Information Needed by Council Staff**

1. Council Schedule: The Council Chair asked staff to alert Council Members that, due to the short summer schedule we have had, we have a number of issues that will need to be addressed in late September and in October. Dave would like to suggest that the Council Members tentatively reserve September 28 as an extra meeting night just in case it is needed. **Would that work for Council Members?**
