
MEMORANDUM

DATE: APRIL 7, 2009
SUBJECT: Valley Police Alliance Agreement
STAFF REPORT BY: Karen Halladay, Budget and Public Policy Analyst
AFFECTED COUNCIL DISTRICTS: ALL

Recommendation from Administration

For the past couple of months, the Salt Lake City Police Department along with eleven (11) municipal police departments within Salt Lake County have been pursuing ways to more efficiently obtain equipment and share information to better serve their neighborhoods and communities.

The Administration is recommending that the Salt Lake City Police Department (SLCPD) enter into an interlocal agreement with these eleven (11) other Salt Lake County cities to formalize the alliance which promotes the health, safety and welfare of citizens whose police departments participate in the alliance. According to the agreement's purpose, additional benefits of the strategic alliance would be: 1) improved police protection for municipalities, 2) immediate, unified and cooperative action when alliance cities experience potential threats to their citizens or properties, 3) ability to negotiate purchase contracts so each participating city can benefit from the alliance's enhanced purchasing power, and 4) where possible, create operational efficiencies and cost savings.

The Administration proposes that the City Council adopt a resolution authorizing the Mayor to approve and sign the agreement, joining the Valley Police Alliance, on behalf of Salt Lake City Corporation.

Background Information

The Administration is proposing that Salt Lake City Corporation along with the following Salt Lake County cities – Cottonwood Heights, Draper, Midvale, Murray, Sandy, South Jordan, South Salt Lake, Taylorsville, West Jordan, and West Valley City – enter into a three (3) year interlocal agreement to create the “Valley Police Alliance”. Currently, these cities have mutual aid and automatic aid agreements and systems in place to assist in providing police services. These cities have been successful in working together in the past and may wish to broaden the scope of their cooperation. Terms of the agreement allow each of the participating cities to control, own and maintain its individual facilities, apparatus and equipment at its sole expense. In addition, each participating City acknowledges the right of each Party to choose whether or not to participate in any of the Alliance recommendations.

According to the Valley Police Alliance agreement, the activities of the Alliance will be governed by the Board of Police Commissioners and a Board of Trustees. The following table provides additional details and responsibilities of each group:

Group	Membership	Duties and Responsibilities
Board of Police Commissioners	Mayor or City Manager of each participating City.	Review Alliance Board of Trustees recommendations. The Board of Police Commissioners does not have authority over other member departments.
		Commissioners' decisions shall be based on a majority vote of its members. Each City shall have one vote.
		Adopt, amend, and repeal Alliance rules, by-laws, policies and procedures which regulate the alliance and affairs of the organization.

Group	Membership	Duties and Responsibilities
Board of Trustees	Police Chief of each participating City or up to two (2) designees that can serve in the absence of that City's member. Designees have the same rights as the member.	Act as the daily operational board of the Alliance. Trustees of the Alliance shall have no authority over the other member departments.
		Trustees who do not agree with a proposed action of fellow Trustee(s) may with written notice abstain from participating in specific issues being addressed.
		Each individual Police Chief shall maintain his/her authority. Participation in the Alliance does not in any way diminish any current power or authority of each Police Chief.

According to the terms of the agreement, each City participating in the Alliance will continue to maintain its separate purchasing processes. However, Alliance-wide purchasing contracts may be used and purchasing alliances may be formed within the Alliance for submitting bids to vendors. Licenses, special resources, human resources functions - payroll, benefits, recruiting, hiring, and compensation issues - will be handled by each individual City, not by the Alliance. In addition, participating Cities are solely responsible for providing workers compensation, benefits, and insurance for their employees and volunteers who provide services under the Valley Police Alliance. However, the Alliance will purchase insurance in amounts required by law, independent of the insurance or other coverage maintained by each Party, to provide protection for the Alliance's operations, which include, but may not be limited to, liability and worker's compensation insurance.

The initial Alliance agreement is for three years, but the agreement may be renewed in writing for up to fifty (50) years provided the terms and conditions are acceptable to the Parties of the Alliance agreement. In addition, the agreement may be terminated and the Alliance dissolved by either Party/Trustee, if the Parties wishing to dissolve the agreement are not part of any capital acquisitions or financing arrangements, unless mutually acceptable provisions are negotiated and approved in writing by the Parties involved. In this case, upon dissolution, each Party shall be entitled, subject to equitable adjustment for any prior credits given, to receive back any original equipment or asset the Party leased, donated, or otherwise provided to the Alliance. In the event of Alliance-wide termination and dissolution, any remaining real or personal property acquired under this Agreement shall be allocated as agreed upon by the Parties.

Finally, Salt Lake County cities with individual police departments may apply for Alliance membership. A unanimous vote of the Board of Trustees and, if accepted for Alliance membership, a signed, written agreement to be bound by the terms and conditions of the Alliance agreement are necessary for a new municipality to be added as Trustee/Party in the Valley Police Alliance.
