## **POTENTIAL MOTION:**

If the Council desires to adopt the bond resolution, the following motion would be appropriate:

["I move that the Council"] Adopt a resolution authorizing the issuance and providing for the sale of the \$380,000 Salt Lake City, Utah Special Assessment Bonds, Series 2009A (Sidewalk Replacement Special Improvement District 2005/2006, 2006/2007 FY Job. No. 102136) (The "Series 2009A Bonds") providing for pricing and terms of the Series 2009A Bonds, prescribing the form of bonds, and the maturity and denomination of said bonds, providing for the continuance of a guaranty fund; authorizing and approving a bond purchase agreement; and related matters.

## **NEW INFORMATION:**

The Administration requests that the City Council take the final step of action to adopt a bond resolution authorizing the issuance and confirming the sale of \$380,000 of special assessment bonds, Series 2009A, for the Sidewalk Replacement Special Improvement District 2005/2006, 2006/2007 FY Job No. 102136.

According to the Administration's paperwork, "The Bonds are authorized to be issued for the purpose of:

(a) installing concrete sidewalks, driveway aprons, curb, gutter, asphalt tie-ins and other miscellaneous improvements;

(b) retiring any outstanding interim warrants, and

(c) paying issuance expenses incurred in connection with the sale of the Series 2009A Bonds."

The total estimated cost of the Sidewalk Replacement Special Improvement District 2005/2006, 2006/2007 FY Job No. 102136 improvements amounted to \$1,372,225, of which the City paid \$772,634. In September 2008, the City Council adopted an ordinance to assess properties affected or benefited by the improvements within the District in the amount of \$599,591. Property owners were given the option

to pay the whole or any part of their portion of the assessments without interest within a pre-payment period of 25-days after the assessment ordinance became effective. Any part of the assessment not paid within the 25-day pre-payment period shall be payable over a period of five (5) years in substantially equal annual principal installments plus interest at the bond rate to pay off bond debt. During the pre-payment period, \$219,555 was remitted by property owners resulting in a balance of \$380,036 to be assessed over a five year period. However, because bonds are issued in even \$1,000 increments and the bond amount cannot exceed the balance due, the par amount of bonds to be issued is \$380,000 (rounded down to the nearest \$1,000).

The City is required to maintain a guaranty fund equal to 10 percent of the par amount of all outstanding special assessment bonds for the purpose of guaranteeing the payment of debt service on these bonds. The City's guaranty fund has a sufficient balance to provide this guaranty.

The City has a contract with an investment banking firm to act as underwriter for all SAA bonds. Because the dollar amount to be bonded is minimal, the Administration decided to issue these bonds as "private placement" bonds meaning that bonds issued by a state or local government are sold directly to an investor and not re-offered to the public. As such, the investor will purchase these bonds and place them into their own portfolio. JP Morgan Chase Bank, N.A., as underwriter, has been awarded the purchase of the bonds at a net interest cost to the City of 4.41% per annum. A copy of the debt service schedule is attached to the Administration's cover transmittal.

## **KEY ELEMENTS AT THE TIME OF NOTICE OF INTENTION:**

Each year, a concrete replacement project is identified for funding. As the first step in creating the process to establish the Special Improvement District (SID), the Administration requested that the Council adopt a resolution declaring the Notice of Intention for Sidewalk Replacement Special Improvement District 2005/2006, 2006/2007 FY, No. 102136, and set a protest hearing date for Tuesday, April 3, 2007 at 7 p.m. before the City Council.

There are 1,245 properties identified within the outlining boundaries of the district which includes:

- 1300 South (south side only) to 1700 South (north side only) from 700 East (east side only) to 1100 East (both sides).
- Both sides of 900 East and 1100 East from 1700 South to 2100 South

For the 2005/2006, 2006/2007 Sidewalk Replacement Special Improvement District No. 102136, improvements involve the removal and reconstruction of concrete sidewalk which has been determined to be defective by the office of the City Engineer. Projected construction schedule indicated work to begin in the spring of 2007 with anticipated completion by November 15, 2007.

Assessments may be paid by property owners in five (5) equal annual installments with interest accrual on the unpaid balance, or the assessment may be paid without interest in whole or in part within 25 days from the date when the ordinance levying the assessment becomes effective.

## **BUDGET RELATED FACTS AT THE TIME OF NOTICE OF INTENTION:**

Funding sources are allocated from the Salt Lake City CIP budget and property owner assessments.

Following Council's approval of the attached resolution, estimated costs, a copy of the Notice of Intention, and a letter was sent to property owners living within the boundary areas of the proposed SID notifying property owners that the City is considering a proposed sidewalk replacement project that includes their properties. All residential property owners were informed that the cost to replace defective concrete will be shared 50/50 by the City plus administrative costs, and other expenses described hereafter; however, commercial properties pay the full cost of the replacement.

In conjunction with the concrete replacement, property owners were also informed that new sidewalk access ramps for ADA accessibility will be installed at all street corners, costs paid by the City. Costs associated with defective driveway approaches into alley ways are also paid by the City. Also, property owners were made aware that the City will use a horizontal saw cutting contractor to remove the vertical displacements of up to one inch in sidewalk sections at no cost to the property owner thus reducing property owner costs and eliminating hazardous situations. Saw cutting of the vertically displaced section could either take place before or after the work of replacing the designated sidewalk

sections is completed. For areas identified for saw cutting, property owners are given the option to express preference to have sidewalk area replaced rather than saw cut; however sidewalk replacement in these incidences requires property owners to pay the full cost of the sidewalk removal and replacement.

Areas identified by the City exceeding the one inch of sidewalk vertical displacement that do not warrant horizontal saw cutting or that are badly broken and deteriorated will be replaced as part of the SID.

To ensure that the assessments are equitable to the property owners involved in the District, an exception is given to corner lot properties. The sidewalk replacement costs associated with the first 75 feet along a non-address side of a property is excluded from the property owner's assessment cost.

Property owners are provided the option to have sidewalks replaced that have not been determined to be defective by the office of the City Engineer, driveway aprons, asphalt tie-ins, additional curb and gutter work performed in conjunction with the proposed SID improvements, with the property owner being responsible for optional replacement costs.

If a property owner does not wish to participate in the proposed SID or is on a limited income, there are three options:

- The property owner and the City execute a "Defective Concrete Agreement" that requires approval by the City Engineer. The agreement will permit the property owner to seek another manner in which to replace the concrete rather than participate in the SID. A property owner must identify the manner in which the defective concrete will be replaced and provide a timeline as to when replacements will occur. If failure on the part of the property owner to complete the work on time occurs, the agreement becomes null and void. This results in the property being added back to the District or a future district. The District will make the replacements and assess the property owner for the cost of improvements. If a property owner chooses to find another manner in which to complete the concrete replacement, the owner must comply with City standard plans and specifications. No fee permit to work in the public way is required.
- Property owners had the opportunity to file a written protest on or before 5:00 p.m. on the 3<sup>rd</sup> of April 2007 or to attend the protest hearing on Tuesday, April 3, 2007 at 7:00 p.m. in the City Council Chambers; however, in order for the District not to be created, the necessary number of protests must have represented more than one-half of the footage to be assessed within the District.
- If an assessed property owner within the District has a "combined family income at or below the very low income level guidelines established by the Department of Housing and Urban Development in its 'Income Limits for Housing and Community Developments, Section 8 Program for Salt Lake City and Ogden, Utah SMSA,'" the property owner may be eligible for low income deferment. The property owner must be residential and owner occupied to be eligible for low income deferment, and an owner must submit an application with the City. The deferment agreements are reviewed on an annual basis.

A Request for Bids was issued and the Bonds were sold as "private placement" bonds with the award made to the firm offering the lowest interest rate bid. A private placement is when bonds or notes are issued by a state or local government and sold directly to investors but not re-offered to the public. JP Morgan Chase Bank, N.A., was the successful bidder and purchased the Bonds at a net interest cost (NIC) to the City of 4.41%. This rate is the annual interest rate that will be charged on assessments to property owners in this District. In addition to the Bond Resolution and Bond Purchase Agreement a copy of the debt service schedule is attached for your review.

## ARTICLE II

### AUTHORIZATION, TERMS AND ISSUANCE OF SERIES 2009A BONDS

Section 2.1 Authorization of Series 2009A Bonds, Principal Amount, Designation, and Series. In accordance with and subject to the terms, conditions and limitations established in this Bond Resolution, a series of Special Assessment Bonds of the Issuer is hereby authorized to be issued in the aggregate principal amount of \$380,000 (the "Series 2009A Bonds"). The Series 2009A Bonds shall be designated "Salt Lake City, Utah Special Assessment Bonds, Series 2009A (Sidewalk Replacement Special Improvement District 2005/2006, 2006/2007 FY Job No. 102136). The Series 2009A Bonds shall be issued in fully registered form only, without coupons.

Section 2.2 Purpose. The Series 2009A Bonds are hereby authorized to be issued for the purpose of (a) financing the construction and installation of the Improvements, and (b) paying issuance expenses incurred in connection with the issuance of the Series 2009A Bonds.

Section 2.3 Bond Details. The Series 2009A Bonds will be dated as of their date of delivery, and will mature on June 1, 2013, in the principal amount of \$380,000 and will bear interest at the rate of four and forty-one hundredths percent (4.41%) per annum.

The Series 2009A Bonds shall bear interest payable semi-annually beginning on June 1, 2009, and continuing thereafter on each June 1 and December 1 of each year by wire transfer of funds, or by check or draft mailed to the registered owners of record of the Series 2009A Bonds. Because the Purchaser intends to hold the Series 2009A Bonds for investment purposes, it is anticipated the Purchaser will be the only Bondholder as long as any of the Series 2009A Bonds are outstanding. If the Issuer has monies on deposit with the Purchaser, it may request the Paying Agent to instruct the Purchaser to transfer funds from specified accounts for the timely payment of principal or interest on the Series 2009A Bonds.

Each Series 2009A Bond shall accrue interest from the interest payment date next preceding the date on which it is authenticated, unless (a) it is authenticated before the first interest payment date following the initial delivery of the Series 2009A Bonds, in which case interest shall accrue from its initial delivery date, or (b) any Series 2009A Bond is authenticated on an interest payment date, in which case interest shall accrue from such interest payment date; provided that if at the time of authentication of any Series 2009A Bond, interest is in default, such Series 2009A Bond shall accrue interest from the date to which interest has been paid. The Series 2009A Bonds shall bear interest on overdue principal at the aforesaid respective rates.

Section 2.4 Denominations and Numbers. Subject to the provisions of Section 3.3 hereof, the Series 2009A Bonds shall be issued as fully registered bonds, without coupons, in the denomination of one thousand dollars (\$1,000) or any whole multiple thereof. The Series 2009A Bonds shall be numbered with the letter prefix "R" and shall

be numbered from one (1) consecutively upwards in order of issuance. Because the Series 2009A Bonds are being privately placed with the Purchaser under the Bond Purchase Agreement, one bond certificate will be issued initially.

Section 2.5 Paying Agent and Bond Registrar. The Issuer may remove any Paying Agent and any Bond Registrar, and appoint a successor or successors thereto. The Issuer shall submit to the Paying Agent or Bond Registrar, as the case may be, a notice of such removal at least thirty (30) days prior to the effective date of such removal, and shall specify the date on which such removal shall take effect. Such removal shall take effect on the date that each successor Paying Agent and Bond Registrar shall signify its acceptance of the duties and obligations imposed upon it by this Bond Resolution by executing and delivering to the Issuer a written acceptance thereof. The principal of, premium, if any, and interest on the Series 2009A Bonds shall be payable in any coin or currency of the United States of America which, at the respective dates of payment thereof, is legal tender for the payment of public and private debts. Principal of and premium, if any, on the Series 2009A Bonds shall be payable when due to the Holder of each Bond at the principal office of the Paying Agent. Payment of interest on each Bond shall be made to the person which, as of the Record Date, is the Holder of the Bond and shall be made by check or draft mailed to the Person which, as of the Record Date, is the Holder of the Series 2009A Bond, at the address of such Holder as it appears on the registration books of the Issuer kept by the Bond Registrar, or at such other address as is furnished to the Bond Registrar in writing by such Holder on or prior to the Record Date. Pursuant to Section 2.3 hereof, payment of principal or interest on the Series 2009A Bonds also may be made under the direction of the Paying Agent by wire transfer or by inter-fund transfer.

Section 2.6 Mandatory Sinking Fund Redemption. The Series 2009A Bonds are subject to mandatory sinking fund redemption at a redemption price equal to 100% of the principal amount thereof and accrued interest to the redemption date on the dates and in the principal amounts as follows:

Mandatory Sinking Fund Redemption Date	
<u>(June 1)</u>	<u>Principal Amount</u>
2009	\$78,000

2011	74,000
2012	77,000
2013*	81,000

---

\* Final Maturity Date

In the event of a mandatory sinking fund redemption necessitating a reduction in aggregate principal amount of any of the Series 2009A Bonds outstanding, a Bondholder in its discretion: (a) may request the Bond Registrar to issue and authenticate a new Series 2009A Bond certificate, or (b) shall make an appropriate notation on the Series

2009A Bond certificate indicating the date and amounts of such redemption in principal, except in the case of final maturity in which case the certificate must be presented to the Paying Agent prior to payment. Should the Bondholder elect to not submit the Series 2009A Bonds for redemption, the Paying Agent's records shall govern in the case of discrepancy with the noted schedule on the Series 2009A Bond, absent manifest error.

Section 2.7 Sale of the Series 2009A Bonds. Approval is hereby granted for the sale and delivery of the Series 2009A Bonds to the Purchaser at a purchase price of \$380,000 as set forth in the Bond Purchase Agreement. To evidence the acceptance of the Bond Purchase Agreement, the Mayor of the Issuer is hereby authorized to execute and deliver, and the Recorder to seal and attest, the Bond Purchase Agreement in substantially the form set out as Exhibit B which is attached hereto.

Section 2.8 Execution of the Series 2009A Bonds. The Series 2009A Bonds shall be executed on behalf of the Issuer by the Mayor of the Issuer and attested by the Recorder (the signatures of said Mayor and Recorder being either manual and/or by facsimile) and the corporate seal of the Issuer or a facsimile thereof shall be impressed or imprinted thereon. The use of such facsimile signatures of said Mayor and Recorder and such facsimile of the seal of the Issuer on the Series 2009A Bonds are hereby authorized, approved, and adopted by the Issuer as the authorized and authentic execution, attestation, and sealing of the Series 2009A Bonds by said officials. The Series 2009A Bonds shall then be delivered to the Bond Registrar for manual authentication by it. The Certificate of Authentication shall be substantially in the form provided in Section 5.1 hereof. Only such of the Series 2009A Bonds as shall bear thereon a Certificate of Authentication, manually executed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this Bond Resolution, and such certificate of the Bond Registrar shall be conclusive evidence that the Series 2009A Bonds so certified have been duly registered and delivered under, and are entitled to the benefits of this Bond Resolution and that the Holder thereof is entitled to the benefits of this Bond Resolution. The Certificate of Authentication of the Bond Registrar on any Series 2009A Bond shall be deemed to have been executed by it if (a) such Series 2009A Bond is signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication on all of the Series 2009A Bonds issued hereunder or that all of the Series 2009A Bonds hereunder be certified as registered by the same Bond Registrar, and (b) the date of authentication of the Series 2009A Bonds is inserted in the place provided therefor on the Certificate of Authentication.

The Mayor and Recorder of the Issuer are authorized to execute, attest and seal from time to time, in the manner described above, Series 2009A Bonds (the "Exchange Bonds") to be issued and delivered for the purpose of effecting transfers and exchanges of Series 2009A Bonds pursuant to Article III hereof. At the time of the execution, attestation and sealing of the Exchange Bonds by the Issuer, the payee, principal amount, CUSIP number, if any, maturity and interest rate shall be in blank. Upon any transfer or exchange of Series 2009A Bonds pursuant to Article III hereof, the Bond Registrar shall cause to be inserted in appropriate Exchange Bonds the appropriate payee, principal amount, maturity and interest rate. The Bond Registrar is hereby authorized and directed

to hold the Exchange Bonds, and to complete, certify as to registration and authenticate (if applicable) and deliver the Exchange Bonds, for the purpose of effecting transfers and exchanges of Series 2009A Bonds; provided that any Exchange Bonds registered, authenticated (if applicable) and delivered by the Bond Registrar shall bear the same series, maturity and interest rate as Series 2009A Bonds delivered to the Bond Registrar for exchange or transfer, and shall bear the name of such payee as the Bondholder requesting an exchange or transfer shall designate; and provided further that upon the delivery of any Exchange Bonds by the Bond Registrar a like principal amount of Series 2009A Bonds submitted for transfer or exchange, and of like series and having like maturities and interest rates, shall be canceled. The execution, attestation and sealing by the Issuer and delivery to the Bond Registrar of any Exchange Bond shall constitute full and due authorization of such Exchange Bond containing such payee, principal amount, maturity and interest rate as the Bond Registrar shall cause to be inserted, and the Bond Registrar shall thereby be authorized to authenticate and deliver such Exchange Bond in accordance with the provisions hereof.

In case any officer whose signature or a facsimile of whose signature shall appear on any Series 2009A Bond (including any Exchange Bond) shall cease to be such officer before the issuance or delivery of such Series 2009A Bond, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until such issuance or delivery, respectively.

Section 2.9 Delivery of Series 2009A Bonds. The Series 2009A Bonds shall be delivered to the Purchaser at such time and place as provided in, and subject to, the provisions of the Bond Purchase Agreement. The Treasurer is hereby instructed to make delivery of the Series 2009A Bonds to the Purchaser and to receive payment therefor in accordance with the terms of the Bond Purchase Agreement.

Section 2.10 Further Authority. The Mayor and the Recorder of the Issuer and other officers of the Issuer are, and each of them is, hereby authorized to do or perform all such acts and to execute all such certificates, documents and other instruments as may be necessary or advisable to provide for the issuance, sale, registration, and delivery of the Series 2009A Bonds.

## ARTICLE III

### TRANSFER AND EXCHANGE OF SERIES 2009A BONDS; BOND REGISTRAR

#### Section 3.1 Transfer of Series 2009A Bonds.

(a) Any Series 2009A Bond, may, in accordance with its terms, be transferred, upon the registration books kept by the Bond Registrar pursuant to Section 3.3 hereof, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Series 2009A Bond for cancellation, accompanied by delivery of a written instrument of transfer in a form approved by the Bond Registrar, duly executed. No transfer shall be effective until entered on the registration books kept by the Bond Registrar. The Issuer, the Bond Registrar and the Paying Agent may treat and consider the Person in whose name each Series 2009A Bond is registered in the registration books kept by the Bond Registrar as the Holder and absolute owner thereof for the purpose of receiving payment of, or on account of, the principal thereof and interest due thereon and for all other purposes whatsoever.

(b) Whenever any Series 2009A Bond or Bonds shall be surrendered for transfer, the Bond Registrar shall authenticate and deliver a new fully registered Series 2009A Bond or Bonds (which may be an Exchange Bond or Bonds pursuant to Section 2.7 hereof) of the same series, designation, maturity and interest rate and of authorized denominations duly executed by the Issuer, for a like aggregate principal amount. The Bond Registrar shall require the payment by the Bondholder requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer. With respect to each Series 2009A Bond, no such transfer shall be required to be made after the Record Date with respect to any interest payment date to and including such interest payment date.

Section 3.2 Exchange of Series 2009A Bonds. If circumstances not now contemplated result in a modification of the expressed investment intent of the Purchaser and Series 2009A Bonds are later sold to other Bondholders, Series 2009A Bonds may be exchanged at the principal corporate trust office of the Bond Registrar for a like aggregate principal amount of fully registered Series 2009A Bonds (which may be an Exchange Bond or Bonds pursuant to Section 2.7 hereof) of the same series, designation, maturity and interest rate of other authorized denominations. The Bond Registrar shall require the payment by the Bondholder requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange. With respect to each Series 2009A Bond, no such exchange shall be required to be made after the Record Date with respect to any interest payment date to and including such interest payment date.

Section 3.3 Bond Registration Books. This Bond Resolution shall constitute a system of registration within the meaning and for all purposes of the Registered Public Obligations Act, Title 15, Chapter 7, Utah Code Annotated 1953, as amended. The Bond

Registrar shall keep or cause to be kept, at its principal office, sufficient books for the registration and transfer of the Series 2009A Bonds, which shall at all times be open to inspection by the Issuer; and, upon presentation for such purpose, the Bond Registrar shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, Series 2009A Bonds as herein provided.

Section 3.4 List of Bondholders. The Bond Registrar shall maintain a list of the names and addresses of the Holders of all Series 2009A Bonds and upon any transfer shall add the name and address of the new Bondholder and eliminate the name and address of the transferor Bondholders.

Section 3.5 Duties of Bond Registrar. If requested by the Bond Registrar, the Mayor and Recorder of the Issuer are authorized to execute the Bond Registrar's standard form of agreement between the Issuer and the Bond Registrar with respect to the compensation, obligations and duties of the Bond Registrar hereunder which may include the following:

(a) to act as bond registrar, authenticating agent, paying agent, and transfer agent as provided herein;

(b) to maintain a list of Bondholders as set forth herein and to furnish such list to the Issuer upon request, but otherwise to keep such list confidential;

(c) to give notice of any redemption of Series 2009A Bonds as provided herein;

(d) to cancel and/or destroy Series 2009A Bonds which have been paid at maturity or submitted for exchange or transfer;

(e) to furnish to the Issuer at least annually a certificate with respect to Series 2009A Bonds canceled and/or destroyed; and

(f) to furnish to the Issuer at least annually an audit confirmation of Series 2009A Bonds paid, Series 2009A Bonds outstanding and payments made with respect to interest on the Series 2009A Bonds.

## ARTICLE IV

### COVENANTS AND UNDERTAKINGS

Section 4.1 Covenants of Issuer. All covenants, statements, representations, and agreements contained in the Series 2009A Bonds, and all recitals and representations in this Bond Resolution are hereby considered and understood and it is hereby confirmed that all said covenants, statements, representations, and agreements are the covenants, statements, representations, and agreements of the Issuer.

Section 4.2 Ratification of Prior Proceedings. All the proceedings heretofore taken and adopted for the creation of the District and for the construction of the Improvements therein and the assessment of a part of the cost of constructing such Improvements on and against the private properties in the District shall be and the same are hereby ratified, approved, and confirmed. The Issuer hereby finds and represents that no assessment will exceed the benefit to be derived from the Improvements by the piece of property assessed, and no parcel of property will bear more than its proportionate share of the cost of the Improvements to be made.

Section 4.3 Levy and Collection of Assessments. The Treasurer shall be and is hereby authorized and empowered, and it shall be his/her duty to receive and collect all assessments levied by the Assessment Ordinance to pay the cost of the Improvements of the District, the installments thereon, the interest thereon, and the penalties accrued, including without limiting the generality of the foregoing, the whole of the unpaid principal, interest and penalties accrued which become due and payable immediately because of the failure to pay any installment whether of principal (including mandatory sinking fund payments) or interest, when due, and to pay and disburse such payments to the person or persons lawfully entitled to receive the same in accordance with the laws of the State of Utah and all the ordinances and resolutions of the Issuer heretofore or to be hereafter adopted, including the Assessment Ordinance.

All moneys constituting the payment of assessments pursuant to the Assessment Ordinance, including interest thereon, shall be placed in a regular fund to be designated "Special Assessment Fund" of Salt Lake City, Utah Special Assessment Bonds, Series 2009A (Sidewalk Replacement Special Improvement District 2005/2006, 2006/2007 FY Job No. 102136), and shall be used for the purpose of paying the principal of (including mandatory sinking fund payments) and the interest on the Series 2009A Bonds and for no other purpose whatsoever, and as security for such payment, said fund is hereby pledged.

Section 4.4 Investment of Funds. Moneys deposited in the Special Assessment Fund and Guaranty Fund may be invested in Qualified Investments, provided, however, that any moneys remaining in the Special Assessment Fund for more than twelve (12) months may be so invested only upon the Treasurer obtaining an opinion of nationally recognized municipal bond counsel to the effect that such investment will not adversely affect the excludability from federal income taxes of interest on and of the Series 2009A Bonds, all in accordance with Section 103(c) of the Code.

Section 4.5 Guaranty Fund. There is hereby reaffirmed the creation of the Guaranty Fund (the "Guaranty Fund"), and the Issuer agrees with the holder of the Series 2009A Bonds that it will, until the payment of the Series 2009A Bonds in full and the payment of the interest thereon, provide amounts to be transferred to the Guaranty Fund equal each year to such amount as a tax levy of .0002 on all property within the Issuer will produce, either through a levy of a tax of not to exceed .0002 in any one year or by the issuance of general obligation bonds or by appropriation from other available sources. The Guaranty Fund shall include an allocation of ten percent (10%) of the outstanding Series 2009A Bonds, but the entire available balance in the Guaranty Fund shall be for the purpose of guaranteeing to the extent of such fund the payment of Special Assessment Bonds and interest thereon issued against Special Improvement Districts for the payment of local improvements therein, all in the manner and to the extent provided by the laws of the State of Utah. When the Guaranty Fund has a balance equal to ten percent (10%) of the outstanding Series 2009A Bonds plus an allocation as required by the assessment ordinance for each of the other Special Assessment Bonds outstanding, the funding requirement will be deemed to have been met and future funding or transfers will not be required unless the balance drops below the aggregate allocation level. The Guaranty Fund shall be maintained separate and apart from other municipal funds and shall be used and applied only as provided by the laws of the State of Utah. Moneys deposited in the Guaranty Fund shall be invested in such manner as to comply with Section 11-42-701(3)(c) of the Act and Section 148 of the Code, and the Issuer hereby covenants to maintain such books and records and to account for all moneys deposited in the Guaranty Fund with respect to the Series 2009A Bonds so as to ensure that the Allocable Portion of such moneys shall not be invested at a yield in excess of the yield on the Series 2009A Bonds, as applicable.

Section 4.6 Insufficiencies in Special Assessment Fund. Should there be insufficient money in the Special Assessment Fund to pay all of the interest falling due at one time and the principal amount of the Series 2009A Bonds due (including mandatory sinking fund payments), the interest and principal (including mandatory sinking fund payments) shall be paid from the Guaranty Fund on a parity basis to the extent that there is sufficient money in the Guaranty Fund for this purpose, and the Series 2009A Bonds are payable exclusively from the regular assessments levied for said purpose and the Guaranty Fund.

Section 4.7 Lien of Assessment. The assessments, any interest accruing on the assessments, and the penalties and costs of collection of the assessment shall continue to constitute and are hereby declared to be a lien against the properties upon which the assessment is levied within the District from and after the effective date of the Assessment Ordinance, which lien shall be superior to the lien of any trust deed, mortgage, mechanic's or materialman's lien, or other encumbrance, and shall be equal to and on a parity with the lien for general property taxes. Such lien shall continue until the assessment and any interest, penalties, and costs thereon are paid, notwithstanding any sale of the property for or on account of a general property tax, regular tax, other assessment, or the issuance of a tax deed, an assignment of interest by the county, or a sheriff's certificate of sale or deed.

Section 4.8 Deposit of Funds. The funds hereinabove referred to shall be accounted for separate and apart from each other and from any other funds of the Issuer and shall, from time to time as they are accumulated, be deposited in such bank or banks as are designated as depositories of public monies for funds of the Issuer under the depository laws of the State of Utah for the deposit of public funds.

Section 4.9 Default in Payment of Assessments. Default in the payment of any installment of principal (including mandatory sinking fund payments) or interest of the assessments levied pursuant to the Assessment Ordinance, when due, may, at the election of the Issuer, cause the whole of the unpaid principal or interest to become due and payable immediately and the whole amount of the unpaid principal shall thereafter draw interest pursuant to Section 11-42-505 of the Act at the same interest rate as would be applied to delinquent real property taxes for the year in which the balance became effective. In addition, costs and expenses of collection may be added to the delinquent installments. The Issuer covenants and agrees that it will proceed with due diligence to collect delinquent payments plus collection costs. It may place in operation the procedure necessary to provide for a tax sale of all delinquent property in accordance with the ordinances of the Issuer or in the manner provided by Title 59, Chapter 2, Part 13, Utah Code Annotated 1953, as amended, for the sale of property for delinquent general property taxes as modified in Sections 11-42-502 and 504 of the Act.

In lieu of the tax sale enforcement remedy, the Issuer may provide for the summary sale of any assessed property after a delinquency shall have occurred in the payment of any assessment or part or installment of it. The sale shall be in the manner provided for actions to foreclose mortgage liens or trust deeds, except that if at the sale no person or entity shall bid and pay the Issuer the amount due on the assessment plus interest and costs, the property shall be deemed sold to the Issuer for these amounts. The Issuer shall be permitted to bid at the sale.

The proceeds from the sale of any property sold will be placed in the Special Assessment Fund.

The remedies provided in this section for the collection of assessments and the enforcement of liens and any other remedies available under law to the Issuer shall be deemed and construed to be cumulative and the use of any one method or means of collection or enforcement shall not deprive the Issuer of the use of any other method or means. The proceeds from the sale of any property sold will be placed in the Special Assessment Fund.

Section 4.10 Series 2009A Bonds in Registered Form. The Issuer recognizes that Section 149 of the Code requires the Series 2009A Bonds to be issued and to remain in fully registered form in order that interest thereon is exempt from federal income taxation under laws in force at the time the Series 2009A Bonds are delivered. In this connection, the Issuer agrees that it will not take any action to permit the Series 2009A Bonds to be issued in, or converted into, bearer or coupon form.

Section 4.11 Tax Covenants.

(a) The Mayor and the Recorder are hereby authorized and directed to execute such certificates as shall be necessary to establish that the Series 2009A Bonds are not “arbitrage bonds” within the meaning of Section 148 of the Code as the same presently exists, or may from time to time hereafter be amended, supplemented or revised. The Issuer covenants and certifies to and for the benefit of the Bondholders and the beneficial owners of the Series 2009A Bonds that no use will be made of the proceeds of the issue and sale of the Series 2009A Bonds, or any funds or accounts of the Issuer which may be deemed to be Gross Proceeds of the Series 2009A Bonds, which use, if it had been reasonably expected on the date of issuance of the Series 2009A Bonds, would have caused the Series 2009A Bonds to be classified as “arbitrage bonds” within the meaning of Section 148 of the Code. Pursuant to this covenant, the Issuer obligates itself to comply throughout the term of the Series 2009A Bonds with the requirements of Sections 103 through 150 of the Code. The Issuer further represents and covenants that no bonds or other evidences of indebtedness of the Issuer have been or will be issued, sold or delivered within a period beginning 31 days prior to the sale of the Series 2009A Bonds and ending thirty-one (31) days following the delivery of the Series 2009A Bonds.

(b) The Issuer hereby covenants and agrees to determine the Allocable Portion of the Guaranty Fund allocable to the Series 2009A Bonds upon the occurrence of each of the following events:

- (i) upon the date of issuance of the Series 2009A Bonds;
- (ii) when the size of the Guaranty Fund increases as a result of either (A) deposits into the Guaranty Fund, or (B) earnings credited to the Guaranty Fund;
- (iii) when the last bond of any outstanding issue of Special Assessment Bonds is retired; and
- (iv) when new Special Assessment Bonds are issued by the Issuer.

The amount of such Allocable Portion, if any, which exceeds the Unrestricted Portion of Bond Proceeds will, immediately upon such determination of such Allocable Portion, be invested at a yield not exceeding the yield on the Series 2009A Bonds or in Tax-Exempt Obligations. For this purpose, proceeds of and yield on the Series 2009A Bonds shall be based upon the first price at which a substantial amount (not less than 10%) of the principal amount of the Series 2009A Bonds are sold to the public or final purchasers (not including bond houses or brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers). Yield on the Series 2009A Bonds and on the investment of proceeds thereof shall be calculated in the manner provided in Treasury Regulation Section 1.103-13(c) and Section 148(h) of the Code, and the

provisions therein will be complied with in all respects. Thus, generally, yield means that percentage rate which when used in computing the present value of payments of principal of and interest on the Series 2009A Bonds or investments of proceeds thereof produces an amount equal to the purchase price thereof.

(c) (i) There is hereby created and established a fund designated the "Rebate Fund of Sidewalk Replacement Special Improvement District 2005/2006, 2006/2007 FY Job No. 102136 (the "Rebate Fund") for the purpose of compliance with the rebate requirements of Section 148(f) of the Code. The requirements of this subsection (c) are subject to, and shall be interpreted in accordance with, Section 148 of the Code.

(ii) The Issuer shall account for the investment of the Gross Proceeds of the Series 2009A Bonds comprised of the total settlement amount of \$380,000 and make the required arbitrage rebate payments to the federal government from the earnings from said Gross Proceeds of the Series 2009A Bonds or from any other legally available source (provided, however, that this obligation shall not be construed as constituting a debt or liability of the Issuer within the meaning of any constitutional or statutory limitation upon the incurrence of indebtedness by the Issuer) at the times, upon the terms and conditions, and in the manner specified in Section 148(f) of the Code.

(iii) The Issuer shall compute the amount of "Excess Earnings," if any, as required by Section 148(f) of the Code (notwithstanding any provision or requirement in this Bond Resolution to the contrary), and shall transfer into the Rebate Fund such amount from the accounts established hereunder or from the other legally available moneys of the Issuer. Amounts held in the Rebate Fund shall be invested and reinvested by the Treasurer, in Qualified Investments which mature or are subject to redemption by the holder or owner prior to the date such funds are expected to be needed. Notwithstanding anything contained herein to the contrary, interest accruing on and profit realized from funds on deposit in the Rebate Fund shall be deposited into the Rebate Fund.

If at any time the amount in the Rebate Fund exceeds the amount that would be required to be paid to the United States under paragraph (v) below if the Series 2009A Bonds had been paid in full, such excess shall promptly be transferred to the Special Assessment Fund.

(iv) In general, "Excess Earnings" for any period of time means the sum of

(A) the excess of –

(I) the aggregate amount earned from the date of issue of the Series 2009A Bonds on all “Nonpurpose Investments” (including gains on the disposition of such obligations) in which Gross Proceeds of the Series 2009A Bonds are invested (other than amounts attributable to an excess described in this subparagraph (iv)(A)(I)), over

(II) the amount that would have been earned during such period of time if the yield on such Nonpurpose Investments had been equal to the yield on the Series 2009A Bonds, plus

(B) any income during such period of time attributable to the excess described in subparagraph (iv)(A) above.

“Excess Earnings” will not include amounts which need not be taken into account under the special rules of Section 148 of the Code or any successor thereof relating to bona fide debt service funds.

The term “Nonpurpose Investments” shall have the meaning prescribed by Section 148 of the Code or any successor thereof and shall be applied in the manner prescribed in such section.

(v) The Issuer shall make the payments to the United States required in this subsection in installments. The first payment shall be made no later than twenty-nine (29) days after the fifth anniversary of the date of issuance of the Series 2009A Bonds and the payment of each subsequent installment (except the last installment) shall be made not later than five years after the preceding payment was due.

Each installment (except the last installment) shall be in an amount which, when added to all prior installments, is not less than ninety percent (90%) of the Excess Earnings computed as of the anniversary of the date of issuance of the Series 2009A Bonds nearest to the date of payment. Payment of the last installment shall be made not later than sixty (60) days after the date on which the last Series 2009A Bond has been discharged, in an amount which, when added to all prior installments, equals one hundred percent (100%) of the Excess Earnings determined as of the payment date of the last installment.

Each payment shall be filed with the Internal Revenue Service Center, Ogden, Utah, 84201, accompanied by a statement summarizing the Issuer’s determination of the amount required to be paid to the United States together with a copy of the Form 8038-G filed with respect to the Series 2009A Bonds.

(vi) The Treasurer will keep and retain or cause to be kept and retained, until the date three years after the retirement of the last Series 2009A Bond, adequate records with respect to the Series 2009A Bonds and the investment and expenditure of Gross Proceeds thereof to comply

with the aforementioned arbitrage rebate requirements, including without limitation a complete list of all investments and reinvestments of Gross Proceeds of the Series 2009A Bonds including (A) purchase price, (B) purchase date, (C) type of security or investment, (D) accrued interest paid (if any), (E) interest rate (if applicable), (F) dated date (if applicable), (G) principal amount, (H) date of maturity, (I) interest payment dates (if applicable), (J) date of liquidation, (K) amounts received upon liquidation, and (L) the market value of such security or investment on the date it became Gross Proceeds of the Series 2009A Bonds and on the date of the retirement of the last Series 2009A Bond if then held by the Issuer.

(d) The Issuer hereby covenants and agrees that it will not enter into any transaction or cause any transaction to be entered into with respect to the investment of Gross Proceeds of the Series 2009A Bonds, or otherwise, which reduces the amount which may be required to be paid to the United States pursuant to the arbitrage rebate requirements specified hereinabove, because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arms length and had the yield on the Series 2009A Bonds not been relevant to either party.

(e) The Issuer further covenants and agrees to and for the benefit of the Bondholders that the Issuer (i) will not take any action that would cause interest on the Series 2009A Bonds to become includable in gross income for federal income tax purposes, (ii) will not omit to take or cause to be taken, in timely manner, any action, which omission would cause the interest on the Series 2009A Bonds to become includable in gross income for federal income tax purposes, and (iii) will, to the extent possible, comply with any other requirements of federal tax law applicable to the Series 2009A Bonds in order to preserve the excludability of interest on the Series 2009A Bonds from gross income for federal income tax purposes.

Section 4.12 Nondesignation of Series 2009A Bonds. The Issuer has not designated the Series 2009A Bonds, and the Series 2009A Bonds are not qualified, as qualified Tax-Exempt Obligations under Section 265(b)(3) of the Code, relating to the deductibility of a financial institution's interest expenses allocable to tax-exempt interest.

This Series 2009A Bond is one of the Special Assessment Bonds of the Issuer (the "Series 2009A Bonds") limited to the aggregate principal amount of \$380,000 issued under and by virtue of the Assessment Area Act, Title 11, Chapter 42, Utah Code Annotated 1953, as amended (the "Act"), and under and pursuant to a resolution of the Issuer adopted on January 6, 2009 (the "Bond Resolution"), for the purpose of (a) reimbursing the Issuer for costs advanced for installing concrete sidewalks, driveway aprons, curb, gutter, asphalt tie-ins, appurtenances and other miscellaneous work necessary to complete the improvements in a proper workmanlike manner (the "Improvements"), and (b) paying issuance expenses incurred in connection with the issuance of the Series 2009A Bonds.

U.S. Bank National Association is the initial bond registrar and paying agent with respect to the Series 2009A Bonds. Said bond registrar and paying agent, together with any successor bond registrar or paying agent, respectively, is referred to herein as the "Bond Registrar" and the "Paying Agent".

\* Final Maturity Date

In the event of a mandatory sinking fund redemption necessitating a reduction in aggregate principal amount of any of the Series 2009A Bonds outstanding, a Bondholder in its discretion: (a) may request the Bond Registrar to issue and authenticate a new Series 2009A Bond certificate, or (b) shall make an appropriate notation on the Series 2009A Bond certificate indicating the date and amounts of such redemption in principal, except in the case of final maturity in which case the certificate must be presented to the Paying Agent prior to payment. Should the Bondholder elect to not submit the Series 2009A Bonds for redemption, the Paying Agent's records shall govern in the case of discrepancy with the noted schedule on the Series 2009A Bond, absent manifest error

It is hereby certified that a Guaranty Fund has been created by ordinance as authorized by Utah statutes, and the Issuer agrees that at all times during the life of this Series 2009A Bond and until payment thereof in full, said fund shall be at all times maintained as required by ordinance. This Series 2009A Bond is not a general obligation of the Issuer but is payable exclusively out of said Special Assessment Fund and said Guaranty Fund. The Issuer shall not be held liable for the payment of this Series 2009A Bond, except to the extent of the funds created and received from said regular assessments and to the extent of its Guaranty Fund; but the Issuer shall be held responsible for the lawful levy of all regular assessments, for the creation and maintenance of the Guaranty Fund as provided by law, and for the faithful accounting, collection, settlement and payment of the assessments and for the moneys of said fund.

The special assessments made and levied pursuant to the Assessment Ordinance, with accruing interest thereon, and the cost of collection of the assessments constitute a lien upon and against the property upon which such assessments were made and levied from and after the effective date of the Assessment Ordinance, which lien is superior to the lien of any trust deed, mortgage, mechanic's or materialman's lien or other encumbrance. Said lien is equal to and on a parity with the lien for general property taxes and shall continue until the assessments and interest thereon are paid, notwithstanding any sale of the property for or on account of a general property tax, regular tax, other assessment or the issuance of an auditor's deed.

This Series 2009A Bond is transferable as provided in the Bond Resolution only upon the books of the Issuer kept for that purpose at the principal office of the Bond Registrar, by the Registered Owner hereof in person or by his attorney duly authorized in

writing, upon surrender hereof together with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the Registered Owner or such duly authorized attorney, and thereupon the Issuer shall issue in the name of the transferee a new registered Series 2009A Bond or Bonds of authorized denominations of the same aggregate principal amount, series, designation, maturity and interest rate as the surrendered Series 2009A Bond, all as provided in the Bond Resolution and upon the payment of the charges therein prescribed. No transfer of this Series 2009A Bond shall be effective until entered on the registration books kept by the Bond Registrar. The Issuer, the Bond Registrar and the Paying Agent may treat and consider the person in whose name this Bond is registered on the registration books kept by the Bond Registrar as the holder and absolute owner hereof for the purpose of receiving payment of, or on account of, the principal hereof and interest due hereon and for all other purposes whatsoever, and neither the Issuer, nor the Bond Registrar nor the Paying Agent shall be affected by any notice to the contrary.

The Series 2009A Bonds are issuable solely in the form of registered bonds without coupons in the denomination of one thousand dollars (\$1,000) or any whole multiple thereof.

Except as otherwise provided herein and unless the context clearly indicates otherwise, words and phrases used herein shall have the same meanings as such words and phrases in the Bond Resolution.

This Series 2009A Bond and the issue of Series 2009A Bonds of which it is a part are issued in conformity with and after full compliance with the Constitution of the State of Utah and pursuant to the provisions of the Act and all other laws applicable thereto. It is hereby certified and recited that all conditions, acts and things required by the Constitution or statutes of the State of Utah and by the Act and the Bond Resolution to exist, to have happened or to have been performed precedent to or in connection with the issuance of this Series 2009A Bond exist, have happened and have been performed and that the issue of Series 2009A Bonds, together with all other indebtedness of the Issuer, is within every debt and other limit prescribed by said Constitution and statutes, and that the aggregate amount of special assessment bonds of the Issuer for the District, including this Bond, does not exceed the amount authorized by law nor the special assessment levied to cover the cost of Improvements in the District, and that all of said special assessment has been lawfully levied.

This Series 2009A Bond shall not be valid until the Certificate of Authentication hereon shall have been manually signed by the Bond Registrar.

IN WITNESS WHEREOF, SALT LAKE CITY, UTAH, has caused this Series 2009A Bond to be signed in its name and on its behalf by its Mayor and attested by its City Recorder or Deputy City Recorder (the signatures of said Mayor and City Recorder or Deputy City Recorder being by facsimile or manual signature), and has caused its corporate seal or the facsimile of its corporate seal to be impressed or printed hereon, and said officials by the execution hereof adopt as and for their own proper signatures their facsimile signatures appearing on each of the Series 2009A Bonds.
