This memorandum pertains to a proposed resolution that would start a process to designate an area encompassing downtown Salt Lake City as an “assessment area.” Monetary assessments on property within the area would be used for economic promotion activities aimed at benefiting the assessed properties.

The City Council will hold a briefing on the proposed resolution at its November 10 work session. The work session is scheduled to start at 4 p.m. or immediately after the monthly meeting of the Salt Lake City Redevelopment Agency Board of Directors. The work session will be held in Room 326 of the City & County Building, 451 South State Street. The City Council will formally consider the resolution at its November 17 meeting. Adopting the resolution would set the stage for the Administration to notify property owners about the proposed assessment area and set a January 12, 2010, date where property owners may protest the designation of the area.

It should be noted that Salt Lake City has designated downtown assessment areas for economic promotion purposes since 1991. Two other things should be noted. First, the assessment area’s borders would expand under the Administration’s proposal. Second, the City will issue a request for proposals to interested parties to manage economic promotion activities in the assessment area, if the City Council ultimately decides to designate the area. The Downtown Alliance has managed economic promotion activities in all previous and current downtown assessment areas.

OPTIONS

- Adopt the proposed resolution.
- Do not adopt the proposed resolution.

POTENTIAL MOTIONS

- I move the City Council adopt the resolution declaring the City’s intention to designate an assessment area to promote business and economic development activity within the borders described in the Notice of Intention to Designate an Assessment Area attached to the resolution and setting the date of January 12, 2010, to receive or hear protests to the creation of the assessment area.

- I move that the City Council consider the next item on the agenda.

KEY POINTS

- The current assessment area expires April 15, 2010.
- According to the Administration transmittal, the proposed assessment area would generate about \$2,850,922 over a three-year period – roughly \$950,000 per year. Of that \$2,612,757 would be used by the entity awarded the contract to manage the district. The City would use \$152,638 of the assessments for its own management fees, legal fees, and publishing, postage, and recording costs over three years. In addition, \$85,527 would be held in reserve.
- The current assessment rate is .0014726949. The proposed assessment rate is .001411402.
- The proposed assessment rate is based on two things – an increase in value of properties within the proposed area between 2007 and now, and a proposed expansion of the assessment area.
- The current area's boundaries are:
 - North Temple from State Street to 500 West Street.
 - 500 West Street from North Temple to 400 South Street.
 - 400 South Street from 500 West Street to 200 East Street.
 - 200 East Street from 400 South Street to 100 South Street.
 - 100 South Street from 200 East Street to State Street.
 - State Street from 100 South Street to North Temple.
 - 200 South Street from 200 East Street to 300 East Street.
- The proposed area's boundaries are:
 - North Temple from State Street to 700 West
 - 700 West from North Temple to 500 South
 - 500 South from 700 West to 600 West
 - 600 West from 500 South to 400 South
 - 400 South from 600 West to 200 East – including parcels on both sides of the street
 - 200 East from 400 South to South Temple Street – including parcels on both sides of the street.
 - South Temple from 200 East to State Street
 - State Street from South Temple to North Temple
- Under state law, properties cannot be added to the assessment area if they were not included in the Notice of Intention Resolution. However, the City Council can delete properties at its discretion.
- If property owners making up 50 percent or more of a proposed area protest its designation, the area cannot be designated as an assessment area.
- Property parcels valued at less than \$15,000 as well as residential, ecclesiastical, and government-owned properties are exempt from assessment, except those that agree in writing to be assessed.ⁱ
- The economic improvement district first was created in 1991, and the City Council renewed the district in 1994, 1997, 2000, 2003, and 2007. The Administration is following procedure and policy in seeking bids from interested parties to manage economic promotion activities in the assessment area. Since 1991 the City has awarded a three-year contract with an option to renew the contract for three more years.

ISSUES/QUESTIONS FOR CONSIDERATION

- In conjunction with the proposed designation of the assessment area, the Administration plans to issue a request for proposals to manage the assessment area (subject to City Council adoption of the mechanisms designating the area). As of the writing of this memorandum, the details of the timetable for issuing the request for proposals remained to be addressed. The Administration has indicated that it will know more about the timetable next week, probably as early as Monday.
- The current management organization merged with the Salt Lake Chamber in 2003. If the City selects another management entity, how will the entity work with all parties to promote economic development?

DISCUSSION/BACKGROUND

The current practice of creating assessment areas downtown to promote business and economic development stems from the efforts of downtown businesses to find a way to increase business and economic development there.

The 1988 Regional/Urban Design Assistance Team study noted that an “unfortunate combination of factors” in years previous to 1988 had “discouraged” the construction of new office and mixed use buildings in the city’s core. One of the factors the study listed was, “The lack of an organized constituency that promotes continuous and serious renewal in the downtown in a determined and unrelenting way.”

The original group to create an organized constituency to address downtown issues was led in part by Snow, Christensen and Martineau partner John Gates and the late John Schumann of Schumann Capital Management. At the time Mr. Schumann was the chair of the Salt Lake City Planning Commission.

Mr. Gates, Mr. Schumann and others sought to establish a broad-based organization to address downtown issues and “to strengthen our Downtown area by promoting growth, fostering development, encouraging activities, and improving the general environment of the downtown area through open communication between property owners, business owners, tenants, residents, and governmental agencies involved in the downtown district.” The resulting group sought to consolidate the efforts of several organizations that represented downtown business interests including the Capital City Committee, which had organized to find a consensus about how to develop what has become Gallivan Square, and the Central Business Improvement District. The Downtown Merchants Association and the Salt Lake Chamber of Commerce retained their own organizational structures, but the chair of the Retail Merchants Association, and the president and CEO of the Chamber of Commerce were made voting trustees of the Alliance, as was the Mayor of Salt Lake City.

In 1991, the Utah Legislature enacted a law allowing municipalities to create assessment areas to promote economic activities, and the City Council created the first assessment area. To receive the annual assessment, the management organization must sign a contract with the City. In turn, the City has a responsibility to see that assessment funds are well-managed. It should be noted that the current organization under contract with the City – The Downtown Alliance – augments revenue from the City assessment with revenue derived from sponsorships, earned income, grants, foundations and other sources. The Administration estimates that about 35 percent of The Downtown Alliance’s total revenue comes from sources other than assessments.ⁱⁱ

In July 2003, the Downtown Alliance Board of Trustees adopted a motion to merge the Alliance with the Salt Lake Chamber of Commerce after several months of negotiations. Since the merger, the Alliance has continued to promote the downtown as a regional shopping and entertainment area. It has developed and manages events such as First Night and the Farmer’s Market. It also has worked with the City in commissioning and

working on a variety of studies including the *Downtown in Motion* transportation master plan study and the *Downtown Rising* initiative.

RECOMMENDATION: The City Council adopts the Notice of Intention to create the
Central Business Improvement Area 10 (CBIA-10)

DOCUMENT TYPE: Resolution

BUDGET IMPACT: Funding for the Area will be provided by property owner
assessments. The anticipated total income from the three-year
assessment for the Area is approximately \$2,850,922. The City
will charge the Area \$152,638 over the three-year period for
payment of management fees, legal fees, publishing, postage, and
recording costs; \$85,527 will be held in a reserve account and the
balance, \$2,612,757, will be utilized by the management entity for
providing services and promotions.

DISCUSSION:

Background: In 1992 a funding mechanism was created by Salt Lake City Corporation, per the
recommendations of a 1989 RUDAT Downtown redevelopment study commissioned by Salt
Lake City, to create new and enhanced funding for an organization to develop a more unified
approach to downtown marketing, promotions, planning, development, and community
cooperation. This new funding source allowed a special assessment to be placed on taxable

The current contractor, the Downtown Alliance, generates funding for operational and program expenses beyond the funding provided by the special assessment. The additional funding comes from sponsorships, earned income, grants, foundations, and other sources and represents approximately 35% of the total budget for the Downtown Alliance.

Financial Summary

The key financial considerations for the proposed CBIA-10 are as follows:

2009 property valuation in the proposed CBIA - 10	\$2,019,921,835
Total revenue for the proposed Area (three years)	\$2,850,922.00
Assessment rate required	\$.001411402
(assessment rate x total valuation in Area = total revenue)	

The total valuation in the proposed Central Business Improvement Area has increased from the current special improvement area due to increases in property valuations and the expansion of the boundaries. This allows for the assessment rate to decrease from the current rate of .0014726949 to .001411402 and for the total income generated to increase due to the higher valuations in 2009. Please see the financial summary details in Exhibit 2.

Adoption Process & Timeline

Once the CBIA proposal is transmitted to the City Council by the Administration, the Council considers adoption of Notice of Intention to Create CBIA -10, including boundaries and assessment rate. If the Council adopts the proposal, additional steps toward final implementation include the following:

- Property owners in the Area are mailed a Notice of Intention with boundaries and assessment rate;
- RFP for management contract is issued and responses evaluated;
- Property owners have opportunities to protest the creation of the Area or inclusion in it;
- Public hearings and informational meetings are held;
- The management contract is awarded;
- The City Council adopts an ordinance to create the Area; and
- The CBIA-10 takes effect April 2010.

A more detailed process timeline is included as Exhibit 3.

Special Stipulations

Parcels under \$15,000 in valuation as well as residential, ecclesiastical and government owned properties are exempt from the assessment, except those that agree in writing to be assessed. By State law, properties that are not included in the initial Notice of Intent cannot be added as part of the current process; however, properties may be deleted from the Area at the Council's discretion.

Property owners are assessed the full amount but may pay the assessment in three annual installments. If owners of 50% or more of the valuation in the Area boundaries protest the creation the Area cannot be created.

RESOLUTION NO. __ of 2009

A Resolution of the City Council of Salt Lake City, State of Utah (the "City"), designating an Assessment Area for the purpose of levying assessments against properties within the Assessment Area to continue to promote business activity and economic development in an area of Central Downtown Salt Lake City by assessing benefited properties within the Assessment Area for the costs of such economic promotion activities for a period of three years (the "Assessments"); to negotiate a contract with the Downtown Alliance to manage the Assessment Area; and to fix a time and place for protests against the Assessment Area and its assessments, and related matters.

BE IT RESOLVED by the City Council of Salt Lake City, Utah, as follows:

Section 1. The City Council (the "Council") of Salt Lake City, Utah (the "City"), hereby determines that it will be in the best interest of the City to continue to promote business, economic, and community development activities in the central business area of downtown Salt Lake City. The proposed activities are more specifically described hereafter, but generally will include, but will not be limited to, advertising, banners, special events and festivals, newsletters and publications, Christmas lighting, and special projects (the "Economic Promotion Activities") in the downtown area as described hereafter and more specifically identified on maps and plans on file in the Office of the City Recorder of the City. In order to accomplish the Economic Promotion Activities, the City proposes to designate the Salt Lake City, Utah Central Business Improvement Assessment Area No. CBIA-10 (the "Assessment Area") pursuant to Title 11, Chapter 42, Utah Code Annotated 1953, as amended, the areas of which are more particularly described in the Notice of Designation set out hereafter.

Section 2. A portion of the cost of the Economic Promotion Activities shall be paid by a special assessment (the "Assessment") to be levied against business and commercial properties situated within the Assessment Area that are specially benefited by the Economic Promotion Activities. The Assessment may be paid when assessed or, at the option of the property owner, in three (3) annual installments with interest on any delinquent installment until paid.

Section 3. Written protests against the proposed assessments may be presented and filed in the Office of the City Recorder of the City, on or before January 12, 2010, at the hour of 5:00 p.m. Thereafter, at 7:00 p.m., or as soon thereafter as the matter may be heard, on Tuesday, January 12, 2010, at the Council Chambers at 451 South State Street in Salt Lake City, Utah, any protests or other comments shall be heard and considered by the Council. The City Recorder is hereby directed to give notice of designation (the "Notice of Designation" or "Notice") to create the Assessment Area to finance and support the Economic Promotion Activities. The Notice of Designation shall also specify the time within which protests against the proposed assessments may be filed and the date when protests and other comments will be heard and considered. Notice shall be given by publishing a Notice of Designation in the Deseret News, a newspaper of

general circulation in the City, said Notice to be published four times, once during each week for four consecutive weeks, the last publication to be not less than five (5) nor more than twenty (20) days prior to the time fixed in the Notice as the last day for the filing of protests. In addition, the City Recorder shall mail a copy of the Notice by United States Mail, postage prepaid, to each owner of land to be assessed within the Assessment Area at the last known address of such owner, using for such purpose the names and addresses of said owners appearing on the last completed real property assessment rolls of Salt Lake City, Utah, and, in addition, a copy of the Notice shall be mailed, postage prepaid, addressed to "Owner" at the street number of each piece of improved property to be affected by the assessment, said Notices to be so mailed not later than ten (10) days after the first publication of the Notice of Designation. If a street number has not been so assigned, then the post office box, rural route number, or any other mailing address of the improved property shall be used for the mailing of the Notice. Said Notice of Designation shall be in substantially the following form:

NOTICE OF DESIGNATION

PUBLIC NOTICE IS HEREBY GIVEN that on November 17, 2009, the City Council of Salt Lake City, Utah, adopted a resolution (the "Resolution") declaring its intention to designate the Salt Lake City, Utah Central Business Improvement Assessment Area No. CBIA-10 (the "Assessment Area") to finance a portion of the cost of economic promotion and community development, which are more specifically described hereafter (the "Economic Promotion Activities") in the area of downtown Salt Lake City within the Assessment Area and to levy a special assessment (the "Assessment" or "Assessments") for a period of three years as provided in Title 11, Chapter 42, Part 4, Utah Code Annotated 1953, as amended, on real property situated within the Assessment Area for the benefit of which such assessments are to be expended in the management and costs of the Economic Promotion Activities.

DESCRIPTION OF ASSESSMENT AREA

The Assessment Area is described by reference to the following streets (the "Reference Streets"):

- A – North Temple from State Street to 700 West
- B – 700 West from North Temple to 500 South
- C – 500 South from 700 West to 600 West
- D – 600 West from 500 South to 400 South
- E – 400 South from 600 West to 200 East (includes parcels on both sides of the street)
- F – 200 East from 400 South to South Temple including 200 South from 200 East to 300 East (includes parcels on both sides of the street)
- G – South Temple from 200 East to State Street
- H – State Street from South Temple to North Temple

The area of the Assessment Area shall include all property bounded by Reference Streets A through H described above. In addition it shall include parcels of property, subject to the exceptions set out hereafter (the "Peripheral Parcels"), which abut the Reference Streets plus all corner parcels which have a corner touching any of the Reference Streets.

The Resolution, maps, and other information about the Assessment Area are available for examination in the offices of the Salt Lake City Recorder, 451 South State Street, Salt Lake City, Utah.

ACTIVITIES AND MANAGEMENT OF THE ASSESSMENT AREA

The Economic Promotion activities shall include advertising, marketing, special events, festivals, transportation, newsletters, publications, banners, Christmas lighting, security, special projects, housing, town meetings, government policy, cultural promotion, reports, surveys, and other promotional activities. The Economic Promotion activities will be held within the boundaries of the Assessment Area for the benefit of business and commercial property owners within the Assessment Area.

Since 1992 the Downtown Alliance has managed promotional activities for Central Business Improvement Assessment Areas (or districts) Numbers DA-8690-A, DA-8690-B, DA-8690-97, DA-CBID-00, DA-CBID-03 and DA-CBID-06. The City will issue an RFP for a management entity to manage the CBIA-10 through April 2013 (the "Manager"), subject to the creation of the Assessment Area.

The Manager has submitted a proposed budget estimating the costs (the "Estimated Costs") of Economic Promotion Activities within the Assessment Area. Information from the proposed budget is included in the following section:

**ASSESSMENT RATE, FINANCIAL PLAN AND
SOURCES AND USES OF FUNDS**

Funding from Assessments provides only a portion of the total budget for the Assessment Area's programs and activities. The Manager will secure non-assessment funds from other sources such as grants, foundations, earned income, and sponsorships. In addition, sponsors and contributors will pay directly to third party providers a portion of the costs of some Economic Promotion Activities. These supplemental third party payments are not reflected in the projected budget of the Assessment Area. Most, if not all, of these other sources of funds would not be available without the funding from the Assessments or the Economic Promotion Activities of the Assessment Area. Funds received from Assessments are anticipated to be used in the following manner:

Source of Funds⁽¹⁾

Assessment Revenue (for 3-year period)	\$2,850,922.00 ⁽²⁾
--	-------------------------------

Uses of Funds (annual basis)

Contractor:

Marketing and Events	\$992,847.00
Economic Development	992,847.00
<u>General and Administrative</u>	<u>627,063.00</u>
Contractor Total	2,612,757.00

Salt Lake City Administrative Costs and Reserve	<u>238,165.00</u>
---	-------------------

Total	<u><u>\$2,850,922.00</u></u>
-------	------------------------------

(1) Total 2009 taxable value for the Assessment Area = \$2,019,921,835

(2) Proposed assessment rate = .001411402 (assessment revenue ÷ 2009 taxable value.)

PROPERTIES EXCLUDED FROM ASSESSMENT AREA ASSESSMENTS

Residential, ecclesiastical, and government-owned properties shall be excluded from Assessments unless otherwise agreed to in writing by the City and the owners of such properties. Subject to the foregoing sentence, only business and commercial properties shall be assessed. In addition, any properties having a taxable value of \$15,000 or less based upon the most recent real property assessment roll of Salt Lake County, shall be excluded from Assessments. The determination of qualification for exclusion for ecclesiastical and government-owned property shall be based upon exemptions from ad valorem real property taxes for properties used by churches for non commercial purposes and for properties owned and operated by governmental agencies.

BASIS FOR ASSESSMENT

It is proposed to levy a one-time assessment for a three-year period on property in the Assessment Area to pay all or a portion of the estimated costs of Economic Promotion Activities. The assessment shall not exceed the benefits derived by the properties within the Assessment Area. The assessment shall be based on the 2009

taxable property values. In addition to revenues from the assessment, the Manager of the Assessment Area will utilize other funding resources, including revenues from grants, promotions, contributions, and sponsorships.

PAYMENT OF ASSESSMENTS

Assessments shall be payable in full or in three (3) annual installments (the "Assessment Installment" or "Installments"). If payable in three (3) annual installments, the first Installment will fall due fifteen (15) days after the effective date of the ordinance levying the Assessment (the "Assessment Ordinance"), which is currently estimated to be approximately April 15, 2010. The second and third Installments will fall on the first and second anniversary dates of the first Installment. If any Installment is not paid by the due date, the unpaid Installment(s) will accumulate delinquent interest and/or charges in accordance with the Assessment Ordinance and State law.

TIME FOR FILING PROTESTS

To be counted against the creation of the Assessment Area, protests or objections **MUST BE IN WRITING**, signed by the owners of the property proposed to be assessed. The written protest must describe or otherwise identify said property. If the aggregate taxable value of property that is the subject of timely filed written protests exceeds the aggregate taxable value of properties that are not the subject of a written protest, the City Council will not create the Assessment Area. Protests withdrawn prior to the creation of the Assessment Area and protests from areas deleted from the Assessment Area will not be counted against the creation of the Assessment Area.

PROTESTS SHALL BE FILED IN WRITING WITH THE CITY RECORDER OF SALT LAKE CITY EITHER IN PERSON DURING REGULAR BUSINESS HOURS MONDAY THROUGH FRIDAY, OR BY MAIL ON OR BEFORE THE DATE OF THE HEARING AT 5:00 O'CLOCK P.M. ON JANUARY 12, 2010 (ROOM 415, CITY & COUNTY BUILDING). THEREAFTER, AT 7:00 P.M., ON JANUARY 12, 2010, THE CITY COUNCIL WILL MEET AT THE CITY COUNCIL CHAMBERS IN THE CITY & COUNTY BUILDING TO HEAR AND CONSIDER ANY SUCH PROTESTS AND OBJECTIONS TO THE ASSESSMENTS.

SCHEDULE 1
MEETING NOTICE

October 26, 2009

RE: Special Improvement Area No. DA-CBIA-10

Dear Salt Lake City Downtown Property Owner:

Enclosed you will find a copy of a notice of intent to create a three-year Central Business Economic Improvement Area in Downtown Salt Lake City. This Economic Improvement Area has been in place in downtown Salt Lake City since 1992, but requires a renewal process every three years to continue. Since the inception of the Central Business Improvement Area in 1992, the Area has been managed by the Salt Lake City Downtown Alliance under a management contract with Salt Lake City.

A separate request for proposals (RFP) for management services for the Central Business Improvement area is also required, and will be undertaken concurrent with the renewal of the funding for the Central Business Improvement Area.

Each property in the Area (see attached map of the Central Business Area) will be assessed at the rate of .001411402 of the property's assessed value. The assessed value used is the taxable property value in 2009 as determined by Salt Lake County.

If approved, the CBIA-10 will fund a renewal of economic development and economic promotional activities in downtown Salt Lake City. Over the past 17 years, the funds generated by the Area have been used for studying planning issues, promoting and marketing the downtown Area, improving parking and transportation within the downtown Area, funding special events and promotions, signage, recruiting and assisting businesses to the Area, and generally promoting businesses and activities within the boundaries of the Area. For more details on current activities by the Area and the current managers, the Downtown Alliance, please go to www.downtownslc.org.
