OFFICE OF THE MAYOR

July 19, 2010

The Honorable JT Martin  
Salt Lake City Council  
451 South State Street  
Salt Lake City, Utah 84111

Dear JT,

I am pleased to recommend, for City Council approval and formal appointment, John Naser for the position of City Engineer of Salt Lake City Corporation. This position is contingent on City Council approval, is an at will position and serves as the City Engineer for the Engineering Division of the Department of Community and Economic Development. This is a vital Division for the operations of Salt Lake City government. John has proven to be an effective leader in the field of engineering and has served as Deputy City Engineer for the last 3 years.

I am recommending that his salary be set at 110,395.22 per year. This salary represents a pay level of 96% of midpoint for the position classification 39.

Thank you for your consideration.

Regards,

Ralph Becker  
Mayor
