ARTICLE II

FINANCING OF PROJECT; TERMS OF LOAN AND BOND

Section 2.1 <u>Acquisition of Project</u>. Borrower either has acquired, improved, constructed, installed, equipped or ordered and/or shall acquire, improve, construct, install, equip or order the Project pursuant to one or more Purchase Agreements from one or more Vendors. Borrower shall remain liable to the Vendor or Vendors in respect of its duties and obligations in accordance with each Purchase Agreement and shall bear the risk of loss with respect to any loss or claim relating to any of the Project covered by any Purchase Agreement, and neither Lender nor Issuer shall assume any such liability or risk of loss. Borrower covenants and agrees to pay or cause to be paid (at no additional cost to Issuer) such amounts as may be necessary to complete the improvement, construction, acquisition, equipping and installation of the Project and to ensure that the Project is operational to the extent that the Loan Proceeds are insufficient to cause such improvement, construction, acquisition, equipping and installation.

Section 2.2 <u>Purchase of Bond</u>. The Issuer has authorized and hereby agrees to execute and deliver the Bond substantially in the form of <u>Exhibit E</u> hereto to the Lender, and the Lender agrees to purchase the Bond in the amount of up to \$______, all subject to the terms and conditions of this Agreement.

Section 2.3 <u>Loan Proceeds</u>; <u>Interest on Bond and Loan</u>. Issuer hereby agrees, subject to the terms and conditions of this Agreement, to lend the proceeds of the Bonds to Borrower and Borrower hereby agrees to borrow such proceeds from Issuer. The Loan shall be deemed to constitute the full purchase price of the corresponding principal amount of the Bond. On the date of fulfillment of the conditions set forth in Article III, the Issuer agrees to and hereby directs the Lender to disburse, as an initial draw, \$______ of the Loan Proceeds, on behalf of Borrower, to be paid to Wells Fargo Bank, N.A. to repay a construction loan. In addition, the Borrower shall contribute \$______ to pay Costs of Issuance at the closing.

The Bond shall be in such form as to permit the Lender to make incremental advances on its total loan commitment to the Issuer during the period of acquisition and construction of the Project in accordance with Section 2.4 hereof, but in no event shall incremental advances be made beyond the Completion Date.

Upon receipt of evidence of deposit of each advance to Borrower, the Lender shall stamp or write the date and amount of such advance made by the Lender in the appropriate place on the Certificate of Dates of Payment and Amount appearing on the Bond. Each advance made by the Lender on the Bond shall constitute proceeds of the Bond and the Loan and shall be deemed to constitute the full purchase price of the corresponding principal amount of the Bond and the Loan noted on the Certificate of Dates of Payment and Amount appearing on the Bond.

If less than \$3,112,500 is advanced on the Bond on or before the Completion Date, the repayment period shall be revised to reduce each annual principal

installment by multiplying each of said installments described in the Bond by a fraction, the numerator of which is the actual amount advanced on the Bond and the denominator of which is \$3,112,500.

The principal amount of the Bond and the Loan hereunder outstanding from time to time shall bear interest (computed on the basis of actual days elapsed in a 360-day year) at the Interest Rate. Interest accruing on the principal balance of the Loan Proceeds advanced under the Loan and the Bond outstanding from time to time shall be payable as provided in Exhibit A and in the Bond, respectively, and upon earlier demand in accordance with the terms of Section 2.8. Upon the occurrence of a Determination of Taxability, Borrower shall, with respect to future interest payments, begin making Loan Payments calculated at the Gross-Up Rate and in addition, Borrower shall make immediately, upon demand of Lender, a payment to Lender sufficient to supplement prior Loan Payments to the Gross-Up Rate.

Section 2.4 Disbursements.

- (a) Timing of Disbursement. Unless another provision of this Agreement specifies otherwise, on or about the tenth (10th) day of each month, or at such other times as Lender may approve or determine more appropriate, Borrower shall submit to Lender:
 - (i) a description of the work performed, material supplied and/or costs incurred or due for which disbursement is requested; and
 - (ii) the total amount incurred, expended and/or due for each requested item less prior disbursements.

Each Application for Payment by Borrower shall constitute a representation and warranty by Borrower that Borrower is in compliance with all the conditions precedent to a disbursement specified in this Agreement.

- (b) Lender's Right to Condition Disbursements. Lender shall have the right to condition any disbursement upon Lender's receipt and approval of the following:
 - (i) the Application for Payment and an itemized requisition for payment of items;
 - (ii) bills, invoices, documents of title, vouchers, statements, payroll records, receipts and any other documents evidencing the total amount expended, incurred or due for any requested items;
 - (iii) evidence of Borrower's use of a lien release, joint check and voucher system acceptable to Lender for payments or disbursements to any contractor, subcontractor, materialman, supplier or lien claimant;

- (iv) architect's, inspector's and/or engineer's periodic certifications of the percentage and/or stage of construction that has been completed and its conformance to the plans and specifications and governmental requirements based upon any such architect's, inspector's and/or engineer's periodic physical inspections of the Property and Improvements;
- (v) waivers and releases of any mechanics' lien, stop notice claim, equitable lien claim or other lien claim rights;
- (vi) Certificate of Substantial Completion from the Architect prior to the final retention;
- (vii) any other document, requirement, evidence or information that Lender may request under any provision of the Loan Documents [to be defined]; and
- (viii) evidence that any goods, materials, supplies, fixtures or other work in process for which disbursement is requested have been incorporated into the Improvements.

Borrower acknowledges that this approval process may result in disbursement delays and Borrower hereby consents to all such delays.

Section 2.5 <u>Bond Payments and Loan Payments.</u>

Issuer shall pay the principal of, premium, if any in accordance with Section 2.8 hereof, and interest on the Bond, but only from amounts available to the Issuer from Loan Payments paid by Borrower pursuant to this Agreement. Prior to the maturity of the Bond, and for so long as this Agreement is in effect and no Event of Default has occurred and is continuing hereunder, the Borrower shall be responsible for making the Loan Payments described in subparagraph (b) below and said payments shall be applied by the Lender upon receipt thereof in the same amounts and in the same designations (i.e., to the corresponding principal and interest portions of the Bond) to the amounts due on the Bond in accordance with the terms hereof and the terms of the Bond. No provision, covenant or agreement contained in this Agreement or any obligation imposed on Issuer herein or under the Bond, or the breach thereof, shall constitute or give rise to or impose upon Issuer a pecuniary liability, a charge upon its general credit or taxing powers or a pledge of its general revenues. In making the agreements, provisions and covenants set forth in this Agreement, Issuer has not obligated itself except with respect to the application of the Loan Payments to be paid by Borrower hereunder. No recourse shall be had by Lender or Borrower for any claim based on this Agreement, the Bond or the Arbitrage and Tax Certificate against any director, officer, employee or agent of Issuer alleging personal liability on the part of such person, unless such claim is based on the willful dishonesty of or intentional violation of law by such person.

- (b) Borrower shall pay to Lender, as assignee of Issuer, Loan Payments, in the amounts and on the dates set forth in Exhibit A hereto. Additionally, Borrower shall pay to Lender, as assignee of Issuer and holder of the Bond, an amount equal to the product of (i) 18% per annum and (ii) the delinquent amount of any Loan Payment not paid when due. Such Loan Payments and other payments shall be made by Borrower directly to Lender, as Issuer's assignee and holder of the Bond, and shall be credited against Issuer's payment obligations hereunder and under the Bond. All amounts required to be paid by Borrower hereunder shall be paid in lawful money of the United States of America in immediately available funds.
- (c) As security for its obligation to pay the principal of, premium, if any in accordance with Section 2.8 hereof, and interest on the Bond, Issuer assigns to Lender all of Issuer's right to receive Loan Payments from Borrower hereunder, all of Issuer's rights hereunder (except its rights to indemnifications and to notices) and Issuer irrevocably constitutes and appoints Lender and any present or future officer or agent of Lender as its lawful attorney, with full power of substitution and resubstitution, and in the name of Issuer or otherwise, to collect the Loan Payments and any other payments due hereunder and under the Bond and to sue in any court for such Loan Payments or other payments, to exercise all rights hereunder with respect to the Property, and to withdraw or settle any claims, suits or proceedings pertaining to or arising out of this Agreement upon any terms.
- Section 2.6 <u>Payment on Non-Business Days</u>. Whenever any Loan Payment or payment under the Bond or any other payment due hereunder shall be stated to be due on a day which is not a Business Day, such payment may be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of interest or the fees hereunder, as the case may be.
- Section 2.7 <u>Loan Payments To Be Unconditional</u>. The obligations of Borrower to make the Loan Payments required under this Article II and to make other payments hereunder and to perform and observe the covenants and agreements contained herein shall be absolute and unconditional in all events, without abatement, diminution, deduction, setoff or defense for any reason, including (without limitation) any failure of the Property to be delivered or installed, any defects, malfunctions, breakdowns or infirmities in the Property or any accident, condemnation, destruction or unforeseen circumstances. Notwithstanding any dispute between Borrower and any of Issuer, Lender, any Vendor or any other person, Borrower shall make all Loan Payments when due and shall not withhold any Loan Payments pending final resolution of such dispute, nor shall Borrower assert any right of setoff or counterclaim against its obligation to make such payments required under this Agreement.

Section 2.8 Prepayments.

(a) Borrower may, in its discretion, prepay the Loan in whole or in part as follows:

- (i) Notwithstanding section (ii) below, Borrower may prepay at any time and without penalty in any Bond Year an amount not to exceed fifteen percent of the outstanding principal balance of the Loan at the time of the prepayment.
- (ii) Borrower may prepay the Loan on the dates shown in the below table and shall pay to Lender a fee equal to the amount prepaid multiplied by the corresponding penalty as follows:

Date of Prepayment	Penalty
January 21, 2010 through January 20, 2011	.05
January 21, 2011 through January 20, 2012	.04
January 21, 2012 through January 20, 2013	.03
January 21, 2013 through January 20, 2014	.02
January 21, 2014 through January 20, 2015	.01
January 21, 2015 and thereafter	None

- (iii) The Borrower acknowledges that prepayment of such amount may result in Lender incurring additional costs, expenses and/or liabilities, and that it is difficult to ascertain the full extent of such costs, expenses and/or liabilities. The Borrower, therefore, agrees to pay the above-described prepayment fee and agrees that said amount represents a reasonable estimate of the prepayment costs, expenses and/or liabilities of Lender. If Borrower fails to pay any prepayment fee when due, the amount of such prepayment fee shall thereafter bear interest until paid at the rate of interest applicable to unpaid principal after maturity of the Loan.
- (iv) All prepayments of principal shall be applied on the most remote principal installment or installments then unpaid. This prepayment fee shall not be applicable to sums refinanced by any affiliate of Lender.

(b) Borrower shall prepay the Loan;

- A. in full immediately upon demand of Lender after the occurrence of an Event of Default by paying the applicable Prepayment Amount; or
- B. in full immediately upon demand of Lender after the occurrence of a Determination of Taxability by paying the applicable Prepayment Amount plus an amount necessary to supplement the prior Loan Payments to the Gross-Up Rate.

(c) Any Prepayment Amounts paid to the Lender shall be applied to the amount due on the Bond. Upon any prepayment in part of the Loan, the prepayment shall be applied first to Interest accrued thereon and next to the Principal portion of the Loan Payments in the inverse order of maturity. The prepayment amount shall be applied by the Lender to the amount due on the Bond in the same manner.

Section 2.9 Assignment and Pledge to Lender. For and in consideration of the purchase of the Bonds by the Lender and to provide direct recourse to the source of payment of the Bond obligations as well as collateral securing the repayment of the same, the Issuer does hereby irrevocably and absolutely pledge, assign and transfer over to Lender and grant a security interest in favor of Lender in all of the right, title and interest of Issuer arising out of or in connection with or comprised of this Loan Agreement, the Loan, the Loan Payments, the Loan Proceeds (only as and to the extent that the same have not been disbursed pursuant to this Agreement), the Deed of Trust and any other rights of the Issuer as the initial lender under the Loan to the Borrower, including all rights of recourse, collection and payment against the Borrower with respect to the Loan, the indebtedness represented thereby and the other obligations of Borrower with respect to the Loan, the Deed of Trust, the Property and otherwise. As elsewhere provided in this Agreement, the Lender, as the owner and holder of the Bonds has acknowledged that recourse to or against the Issuer is confined to and derived from the rights and interests of Issuer against the Borrower and the Property under and pursuant to the Loan, this Loan Agreement, the Deed of Trust and all associated and related documents, instruments and agreements. By execution hereof, the Borrower acknowledges the foregoing assignment, pledge, transfer and security interest and agrees hereby to perform directly to and make Loan Payments directly to the Lender, recognizing and agreeing that Borrower is directly obligated for the Loan, the Loan Payments and with respect to the Deed of Trust and the Property to the Lender by reason of the same. Borrower hereby acknowledges and agrees that, upon advance of the Loan Proceeds pursuant to this Agreement, the obligations and indebtedness to Lender hereunder and under the Deed of Trust and any associated agreements, documents, papers or instruments evidencing, governing or securing the obligations and indebtedness of the Borrower shall be unaffected by any actions, inactions, omissions, failures, breaches or defaults by the Issuer under the terms of the Loan Agreement or any of the related documents, agreements, papers or instruments ("Issuer Failures"). Borrower hereby affirmatively and knowingly waives, as a defense or counterclaim or other offset or excuse with respect to its obligations under the Loan Agreement, Deed of Trust and other related documents, papers, instruments and agreements, any such Issuer Failures.

Section 7.9 Debt Service Coverage Ratio. Borrower shall maintain its financial condition as follows using generally accepted accounting principles consistently applied and used consistently with prior practices (except to the extent modified by the definitions herein). Borrower will maintain, or cause to be maintained, as of the end of each fiscal year from and after its fiscal year ending [June 30, 2010], the Debt Coverage Ratio for Borrower at not less than 1.25 to 1.00, with "Debt Coverage Ratio" defined as the ratio of Cash Flow (as defined below) to the sum of Current Maturities of Long Term Debt (as defined below) plus interest expense. "Cash Flow" means, with respect to the applicable period of determination, all income of Borrower, including without limitation, income from grants and donations less amortization expense for the fair market value of the non-cash mark-up-mortgage loan less Current Liabilities. "Current Liabilities" means, with respect to the applicable period of determination, the aggregate amount of Borrower's items properly shown as current liabilities on its balance sheet. "Current Maturities of Long Term Debt" means, with respect to the applicable period of determination, that portion of the Borrower's long term debt and capital leases maturing or scheduled to be paid in the prior period.

Section 7.10 <u>Insurance</u>. Borrower shall, while any obligation of Borrower under this Agreement remains outstanding, maintain at Borrower's sole expense, with licensed insurers approved by Lender, the following policies of insurance in form and substance satisfactory to Lender:

- (a) Property Insurance. A Builders Risk Completed Value Hazard Insurance policy, including, without limitation, such endorsements as Lender may require, insuring Lender against damage to the Property and Improvements in an amount acceptable to Lender. Lender shall be named on the policy under a Lender's Loss Payable Endorsement (form #438BFU or equivalent).
- (b) Flood Hazard Insurance. A policy of flood insurance, as required by applicable governmental regulations, or as deemed necessary by Lender.
- (c) Liability Insurance. A policy of comprehensive general liability insurance with limits as required by Lender, insuring against liability for injury

and/or death to any person and/or damage to any property occurring on the Property and/or in the Improvements from any cause whatsoever.

(d) General. Borrower shall provide to Lender the originals of all required insurance policies, or other evidence of insurance acceptable to Lender. All insurance policies shall provide that the insurance shall not be cancelable or materially changed without ten (10) days prior written notice to Lender. Lender shall be named under a Lender's Loss Payable Endorsement (form #438BFU or equivalent) on all insurance policies which Borrower actually maintains with respect to the Property and Improvements. Borrower shall provide to Lender evidence of any other hazard insurance Lender may deem necessary at any time during the Loan.

ARTICLE VIII

NEGATIVE COVENANTS OF BORROWER

So long as the Loan and the Bond shall remain unpaid, Borrower agrees that, without the written consent of the Lender:

- Section 8.1 <u>Lien</u>. Borrower will not create, incur or suffer to exist any mortgage, deed of trust, pledge, lien, security interest, assignment or transfer upon or of any of the Property or any other real estate assets of the Borrower, except for the security interest created pursuant to this Agreement and the liens created pursuant to the Deed of Trust and Permitted Exceptions.
- Section 8.2 <u>Sale of Assets</u>. Borrower will not sell, lease, assign, transfer or otherwise dispose of all or a substantial part of its assets or of any of the Property, or any interest therein (whether in one transaction or in a series of transactions).
- Section 8.3 <u>Consolidation and Merger</u>. Borrower will not consolidate with or merge into any person, or permit any other person to merge into it or acquire (in a transaction analogous in purpose or effect to a consolidation or merger) all or substantially all of the assets of any other person.
- Section 8.4 <u>Accounting</u>. Borrower will not adopt, permit or consent to any material change in accounting principles other than as required by generally accepted accounting principles. Borrower will not adopt, permit or consent to any change in its fiscal year.
- Section 8.5 <u>Transfers</u>. Borrower will not in any manner transfer any property without prior or present receipt of full and adequate consideration.
- Section 8.6 Other Defaults. Borrower will not permit any breach, default or event of default to occur under any note, loan agreement, indenture, lease, mortgage, contract for deed, security agreement or other contractual obligation binding upon Borrower or any judgment, decree, order or determination applicable to Borrower.
- Section 8.7 <u>Place of Business</u>. Borrower will not permit any of the Property or any records pertaining to the Property to be located in any state or area in which, in the event of such location, a financing statement covering such Property would be required to be, but has not in fact been, filed in order to perfect the security interest created pursuant to this Agreement.

Section 8.8 Modifications and Substitutions.

(a) Borrower will not make any material alterations, modifications or additions to the Property which cannot be removed without materially damaging the functional capabilities or economic value of the Property. At the request of Lender, Borrower, at its sole cost and expense, will remove all alterations, modifications and additions and repair the Property as necessary to return the

Property to the condition in which it was furnished, ordinary wear and tear and permitted modifications excepted.

(b) Notwithstanding the provisions of subparagraph (a) of this section, Borrower may, with the prior written consent of Lender, substitute for parts, elements, portions or all of the Property, other parts, elements, portions, equipment or facilities; *provided, however*, that any substitutions made pursuant to Borrower's obligations to make repairs referenced under any provision of this Agreement shall not require such prior written consent. Borrower shall provide such documents or assurances as Lender may reasonably request to maintain or confirm the security interest assigned to Lender in the Property as so modified or substituted.

Section 8.9 <u>Use of Property</u>. Unless required by applicable law or unless Lender has otherwise agreed in writing, Borrower shall not allow changes in the use for which all or any part of the Property was intended at the time this Agreement was executed. Borrower shall not, without Lender's prior written consent, (a) initiate or acquiesce in a change in the zoning classification (including any variance under any existing zoning ordinance applicable to the Property), (b) permit the use of the Property to become a nonconforming use under applicable zoning ordinances, (c) file any subdivision or parcel map affecting the Property, or (d) amend, modify or consent to any easement or covenants, conditions and restrictions pertaining to the Property.

ARTICLE IX

CONSTRUCTION COVENANTS

Section 9.1 <u>Commencement and Completion</u>. Borrower shall continue to construct the Improvements without delay and expects to complete construction of the Improvements on or before the Completion Date. The Completion Date may be extended with the consent of the Lender due to the events listed in Section 9.2 herein. The consent of the Lender shall not be unreasonably withheld.

Section 9.2 Force Majeure. The time within which construction of the Improvements must be completed shall be extended for a period of time equal to the period of any delay directly affecting construction which is caused by fire, earthquake or other acts of God, inclement weather, strike, lockout, acts of public enemy, riot, insurrection, or governmental regulation of the sale or transportation of materials, supplies or labor; provided, however, that Borrower shall furnish Lender with written notice satisfactory to Lender evidencing any such delay within 10 days from the occurrence of any such delay. In no event shall the time for completion of the Improvements be extended more than 60 days beyond the Completion Date.

Section 9.3 <u>Liens and Stop Notices</u>. If a claim of lien is recorded which affects the Property or Improvements or a bonded stop notice is served upon Lender, Borrower shall, within 20 calendar days of such recording or service or within 5 calendar days of Lender's demand, whichever occurs first: (a) pay and discharge the claim of lien or bonded stop notice; (b) effect the release thereof by recording or delivering to Lender a surety bond in sufficient form and amount; or (c) provide Lender with other assurances with Lender deems, in its sole discretion, to be satisfactory for the payment of such claim of lien or bonded stop notice and for the full and continuous protection of Lender from the effect of such lien or bonded stop notice.

Section 9.4 <u>Construction Responsibilities</u>. Borrower shall construct the Improvements in a workmanlike manner. Borrower shall comply with all applicable laws, ordinances, rules, regulations, building restrictions, and requirements of all regulatory authorities having jurisdiction over the Property or Improvements. Borrower shall be solely responsible for all aspects of the construction of the Improvements, including, without limitation, for the quality and suitability of the plans and specifications for the Improvements and their compliance with all governmental requirements, the supervision of the work of construction, the qualifications, financial condition and performance of all architects, engineers, contractors, material suppliers, consultants and property managers, and the accuracy of all applications for payment and the property application of all disbursements. Lender is not obligated to supervise, inspect or inform Borrower or any third party of any aspect of the construction of the Improvements or any other matter referred to above.

Section 9.5 <u>Inspections</u>. Lender shall have the right to enter upon the Property at all reasonable times to inspect the Improvements and the construction work. Any such inspection by Lender is solely to determine whether Borrower is property discharging its

obligations to Lender and may not be relied upon by Borrower or by any third party as a representation or warranty of compliance with this Agreement or any other agreement. Lender owes no duty of care to Borrower or any third party to protect against, or to inform Borrower or any third party of, any negligent, faulty, inadequate or defective design or construction of the Improvements.

ARTICLE X

ASSIGNMENT, SUBLEASING AND SELLING

Section 10.1 Assignment by Lender. This Agreement, and the obligations of Borrower to make payments hereunder, may be assigned and reassigned in whole or in part to one or more assignees or subassignees (who shall be purchaser of the Bond or an interest therein) by Lender at any time subsequent to its execution, without the necessity of obtaining the consent of Issuer or Borrower; provided, however, that no such assignment or reassignment shall be effective unless and until (a) Issuer and Borrower shall have received notice of the assignment or reassignment disclosing the name and address of the assignee or subassignee, which notice Issuer shall maintain as evidence of the ownership and registration of the Bond, and (b) in the event that such assignment or reassignment is made to a bank or trust company as trustee for holders of certificates representing interests in this Agreement and the Bond, such bank or trust company agrees to maintain, or cause to be maintained, a book-entry system by which a record of the names and addresses of such holders as of any particular time is kept and agrees, upon request of Issuer or Borrower, to furnish such information to Issuer or Borrower. Upon receipt of notice of assignment, Borrower will reflect in a book-entry the assignee designated in such notice of assignment, and shall agree to make all payments to the assignee designated in the notice of assignment, notwithstanding any claim, defense, setoff or counterclaim whatsoever (whether arising from a breach of this Agreement or otherwise) that Issuer and Borrower may from time to time have against Lender or the assignee. Issuer and Borrower agree to execute all documents, including notices of assignment and chattel mortgages or financing statements, which may be reasonably requested by Lender or its assignee to protect their interest in the Property and in this Agreement.

Section 10.2 <u>No Sale or Assignment by Borrower</u>. This Agreement and the interest of Borrower in the Property may not be sold, assumed, assigned or encumbered by Borrower, except for the Permitted Exceptions.

ARTICLE XI

EVENTS OF DEFAULT AND REMEDIES

Section 11.1 <u>Events of Default</u>. The following constitute "Events of Default" under this Agreement:

- (a) failure by Borrower to pay to Lender, as assignee of Issuer, when due any Loan Payment or to pay any other payment required to be paid hereunder;
- (b) failure by Borrower or Issuer to observe and perform any other covenant, condition or agreement contained herein, in the Deed of Trust, in the Arbitrage and Tax Certificate or in any other document or agreement executed in connection herewith on its part to be observed or performed for a period of 30 days after written notice is given to Borrower or Issuer, as the case may be, specifying such failure and directing that it be remedied; *provided, however*, that, if the failure stated in such notice cannot be corrected within such 30-day period, Lender will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by Borrower or Issuer, as the case may be, within the applicable period and diligently pursued until the default is corrected;
- (c) initiation by Issuer of a proceeding under any federal or state bankruptcy or insolvency law seeking relief under such laws concerning the indebtedness of Issuer;
- (d) Borrower shall be or become insolvent, or admit in writing its inability to pay its debts as they mature, or make an assignment for the benefit of creditors; or Borrower shall apply for or consent to the appointment of any receiver, trustee or similar officer for it or for all or any substantial part of its property; or such receiver, trustee or similar officer shall be appointed without the application or consent of Borrower, or Borrower shall institute (by petition, application, answer, consent or otherwise) any bankruptcy, insolvency, reorganization, arrangement, readjustment of debt, dissolution, liquidation or similar proceeding relating to it under the laws of any jurisdiction; or any such proceeding shall be instituted (by petition, application or otherwise) against Borrower; or any judgment, writ, warrant of attachment or execution or similar process shall be issued or levied against a substantial part of the property of Borrower:
- (e) determination by Lender that any representation or warranty made by Borrower or Issuer herein or in the Deed of Trust or in the Arbitrage and Tax Certificate or in any other document executed in connection herewith was untrue in any material respect when made;
 - (f) an Event of Taxability shall occur;

- (g) the occurrence of a default or an event of default under any instrument, agreement or other document evidencing, relating to or securing any indebtedness or other monetary obligation of Borrower if such default or event of default has not been cured within any applicable cure periods provided thereunder and could result in the acceleration of the obligations thereunder;
- (h) the occurrence of a default or an event of default under the Deed of Trust, or any other agreement between or among Lender or any of its affiliates and Borrower;
- (i) there is a cessation of construction of the Improvements prior to completion for a continuous period of more than 15 days (except as caused by an event of force majeure for which a longer delay may be permitted under Article IX); or the construction of the Improvements is prohibited, enjoined, or delayed for a continuous period more than 30 days;
- (j) the discovery of any significant Hazardous Materials in, on or about the Property or Improvements. Any such Hazardous Materials shall be "significant" for this purpose if such Hazardous Materials, in Lender's sole discretion, have a materially adverse impact on the value of the Property or Improvements.
- Section 11.2 <u>Remedies on Default</u>. Whenever any Event of Default shall have occurred, Lender, as assignee of Issuer, shall have the right, at its sole option without any further demand or notice, to take any one or any combination of the following remedial steps which are accorded to Lender, as assignee of Issuer, by applicable law:
 - (a) By notice to Issuer and Borrower, Lender may declare the entire unpaid principal amount of the Loan then outstanding, all interest accrued and unpaid thereon and all amounts payable under this Agreement to be forthwith due and payable, whereupon the Loan, all such accrued interest and all such amounts shall become and be forthwith due and payable, without presentment, notice of dishonor, protest or further notice of any kind, all of which are hereby expressly waived by Borrower;
 - (b) In the event of a Default occasioned by Borrower's failure to pay money to a third party as required by this Agreement, Lender may but shall not be obligated to make such payment from the Loan proceeds or other funds of Lender. Borrower shall immediately repay such funds upon written demand of Lender. The Default with respect to which any such payment has been made by Lender shall not be deemed cured until such deposit or repayment (as the case may be) has been made by Borrower to Lender;
 - (c) Lender may, upon five (5) days prior written notice to Borrower, and with or without legal process, take possession of the Property and Improvements, remove Borrower and all agents, employees and contractors of Borrower from the Property and Improvements, complete the work of

construction and market and sell or lease the Property and/or Improvements. For this purpose, Borrower irrevocably appoints Lender as its attorney-in-fact, which agency is coupled with an interest. As attorney-in-fact, Lender may, in Borrower's name, take or omit to take any action Lender may deem appropriate, including, without limitation, exercising Borrower's rights under the Loan Documents and all contracts concerning the Property and/or Improvements;

- (d) If Lender determines at any time that the Improvements are not being constructed in accordance with all governmental requirements, Lender may immediately cause all construction to cease on any of the Improvements affected by the condition of nonconformance. Borrower shall thereafter not allow any construction work, other than corrective work, to be performed on any of the Improvements affected by the condition of nonconformance until such time as Lender notifies Borrower in writing that the nonconforming condition has been corrected;
- (e) proceed by appropriate court action to enforce specific performance by Issuer or Borrower of the applicable covenants of this Agreement or to recover for the breach thereof, including the payment of all amounts due from Borrower. Borrower shall pay or repay to Lender or Issuer all costs of such action or court action, including, without limitation, reasonable attorneys' fees;
 - (f) exercise all rights and remedies under the Deed of Trust; and
- (g) take whatever action at law or in equity that may appear necessary or desirable to enforce its rights with respect to the Property. Borrower shall pay or repay to Lender or Issuer all costs of such action or court action, including, without limitation, reasonable attorneys' fees.

Notwithstanding any other remedy exercised hereunder, Borrower shall remain obligated to pay to Lender any unpaid portion of the Prepayment Amount.

Section 11.3 No Remedy Exclusive. No remedy herein conferred upon or reserved to Lender or Issuer is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle Lender or Issuer to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice other than such notice as may be required by this Article. All remedies herein conferred upon or reserved to Lender or Issuer shall survive the termination of this Agreement.

Section 11.4 Arbitration.

- (a) Arbitration. Upon the demand of any party (other than the Issuer, to which this Section shall not apply) any dispute shall be resolved by binding arbitration (except as set forth in paragraphs 10.4(e) and 10.4(f) below) in accordance with the terms of this Agreement. A "Dispute" shall mean any action, dispute, claim, or controversy of any kind, whether in contract or tort, statutory or common law, legal or equitable, now existing or hereafter arising under or in connection with, or in any way pertaining to, this Agreement and each other document, contract and instrument required hereby or now or hereafter delivered to Lender in connection herewith (collectively, the "Documents") or any past, present or future extensions of credit and other activities, transactions or obligations of any kind related directly or indirectly to any of the Documents, including without limitation, any of the foregoing arising in connection with the exercise of any self-help, ancillary or other remedies pursuant to any of the Documents. Any party may by summary proceedings bring an action in court to compel arbitration of a Dispute. Any party who fails or refuses to submit to arbitration following a lawful demand by any other party shall bear all costs and expenses incurred by such other party in compelling arbitration of any Dispute.
- (b) Governing Rules. Arbitration proceedings shall be administered by the American Arbitration Association ("AAA") or such other administrator as the parties shall mutually agree upon in accordance with the AAA Commercial Arbitration Rules. All Disputes submitted to arbitration shall be resolved in accordance with the Federal Arbitration Act (Title 9 of the United States Code), notwithstanding any conflicting choice of law provision in any of the Documents. The arbitration shall be conducted at a location in Utah selected by the AAA or other administrator. If there is any inconsistency between the terms hereof and any such rules, the terms and procedures set forth herein shall control. All statutes of limitation applicable to any Dispute shall apply to any arbitration proceeding. All discovery activities shall be expressly limited to matters directly relevant to the Dispute being arbitrated. Judgment upon any award rendered in an arbitration may be entered in any court having jurisdiction; provided, however, that nothing contained herein shall be deemed to be a waiver by any party that is a bank of the protections afforded to it under Section 91 of Title 12 of the United States Code or any similar applicable state law. Furthermore, nothing contained herein shall, nor shall any arbitration judgment, allow for any amendment of the special limited obligation of the Issuer as described in this Agreement.
- (c) No Waiver; Provisional Remedies, Self-Help and Foreclosure. No provision hereof shall limit the right of any party to exercise self-help remedies such as setoff, foreclosure against or sale of any real or personal property collateral or security, or to obtain provisional or ancillary remedies, including without limitation injunctive relief, sequestration, attachment, garnishment or the appointment of a receiver from a court of competent jurisdiction before, after or during the pendency of any arbitration or other proceeding. The exercise of any

such remedy shall not waive the right of any party to compel arbitration or reference hereunder.

- Arbitrator Qualifications and Powers; Awards. Arbitrators must be active members of the Utah State Bar or retired judges of the state or federal judiciary of Utah, with expertise in the substantive law applicable to the subject matter of the Dispute. Arbitrators are empowered to resolve Disputes by summary rulings in response to motions filed prior to the final arbitration hearing. Arbitrators (i) shall resolve all Disputes in accordance with the substantive law of the State of Utah, (ii) may grant any remedy or relief that a court of the State of Utah could order or grant within the scope hereof and such ancillary relief as is necessary to make effective any award, and (ii) shall have the power to award recovery of all costs and fees, to impose sanctions and to take such other actions as they deem necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure, the Utah Rules of Civil Procedure, or other applicable law. Any Dispute in which the amount in controversy is \$5,000,000.00 or less shall be decided by a single arbitrator, who shall not render an award greater than \$5,000,000.00 (including damages, costs, fees and expenses). By submission to a single arbitrator, each party expressly waives any right or claim to recover more than \$5,000,000.00. Any dispute in which the amount in controversy exceeds \$5,000,000.00 shall be decided by majority vote of a panel of three (3) arbitrators; provided, however, that all three arbitrators must actively participate in all hearings and deliberations.
- Judicial Review. Notwithstanding anything herein to the contrary, in any arbitration in which the amount in controversy exceeds \$25,000,000.00, the arbitrators shall be required to make specific, written findings of fact and conclusions of law. In such arbitrations (i) the arbitrators shall not have the power to make any award which is not supported by substantial evidence or which is based on legal error, (ii) an award shall not be binding upon the parties unless the findings of fact are supported by substantial evidence and the conclusions of law are not erroneous under the substantive law of the State of Utah, and (iii) the parties shall have in addition to the grounds referred to in the Federal Arbitration Act for vacating, modifying or correcting an award the right to judicial review of (1) whether the findings of fact rendered by the arbitrators are supported by substantial evidence, and (2) whether the conclusions of law are erroneous under the substantive law of the State of Utah. Judgment confirming an award in such a proceeding may be entered only if a court determines the award is supported by substantial evidence and not based on legal error under the substantive law of the State of Utah.
- (f) Real Property Collateral; Judicial Reference. Notwithstanding anything herein to the contrary, no Dispute shall be submitted to arbitration if the Dispute concerns indebtedness secured directly or indirectly, in whole or in part, by any real property unless (i) the holder of the mortgage, lien or security interest specifically elects in writing to proceed with the arbitration, or (ii) all parties to the arbitration waive any rights or benefits that might accrue to them by virtue of

the single action rule statute of Utah, thereby agreeing that all indebtedness and obligations of the parties, and all mortgages, liens and security interests securing such indebtedness and obligations, shall remain fully valid and enforceable. If any such Dispute is not submitted to arbitration, the Dispute shall be referred to a master in accordance with Utah Rule of Civil Procedure 53, and this general reference agreement is intended to be specifically enforceable. A master with the qualifications required herein for arbitrators shall be selected pursuant to the AAA's selection procedures. Judgment upon the decision rendered by a master shall be entered in the court in which such proceeding was commenced in accordance with Utah Rule of Civil Procedure 53(e).

(g) Miscellaneous. To the maximum extent practicable, the AAA, the arbitrators, and the parties shall take all action required to conclude any arbitration proceeding within 180 days of the filing of the Dispute with the AAA. No arbitrator or other party to an arbitration proceeding may disclose the existence, content, or results thereof, except for disclosures of information by a party required in the ordinary course of its business or by applicable law or regulation, or to the extent necessary to exercise any judicial review rights set forth herein. If more than one agreement for arbitration by or between the parties potentially applies to a Dispute, the arbitration provision most directly related to the Documents or the subject matter of the Dispute shall control. This Agreement may be amended or modified only in writing signed by Lender and Borrower. If any provision of this Agreement shall be held to be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or any remaining provisions of this Agreement. This arbitration provision shall survive termination, amendment or expiration of any of the Documents or any relationship between the parties.

Section 11.5 Waiver of Right to Trial by Jury. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (a) ARISING UNDER THE LOAN DOCUMENTS, INCLUDING, WITHOUT LIMITATION, ANY PRESENT OR FUTURE MODIFICATION THEREOF OR (b) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THE LOAN DOCUMENTS (AS NOW OR HEREAFTER MODIFIED) OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HEREWITH, OR THE TRANSACTIONS RELATED HERETO OR THERETO, IN EACH CASE WHETHER SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION IS NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT OR TORT OR OTHERWISE: AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES HERETO TO THE WAIVER OF ANY RIGHT THEY MIGHT OTHERWISE HAVE TO TRIAL BY JURY.

ARTICLE XII

MISCELLANEOUS

Section 12.1 Costs and Expenses of Lender.

- (a) Borrower shall pay to Lender, in addition to the Loan Payments payable by Borrower hereunder, such amounts in each year as shall be required by Lender in payment of any reasonable costs and expenses incurred by Lender in connection with the execution, performance or enforcement of this Agreement, including but not limited to payment of all reasonable fees, costs and expenses and all administrative costs of Lender in connection with the Property, expenses (including, without limitation, attorneys' fees and advances), fees of auditors or attorneys, insurance premiums not otherwise paid hereunder and all other direct and necessary administrative costs of Lender or charges required to be paid by it in order to comply with the terms of, or to enforce its rights under, this Agreement. Such costs and expenses shall be billed to Borrower by Lender from time to time, together with a statement certifying that the amount so billed has been paid by Lender for one or more of the items above described, or that such amount is then payable by Lender for such items. Amounts so billed shall be due and payable by Borrower within thirty (30) days after receipt of the bill by Borrower.
- (b) Borrower may apply to Lender for a waiver of a Default or an Event of Default that Lender may, in it sole discretion, grant; provided, however, if the waiver is in connection with a Default that relates to the tax covenants set forth in Article V of this Agreement, Lender will consider such waiver only if Borrower provides Lender with an opinion of nationally recognized bond counsel to the effect that such Default does not adversely affect the tax-exempt status of the Bond. If it ever becomes necessary for Borrower to apply to Lender for a waiver of a Default or an Event of Default hereunder, Borrower shall pay to Lender a waiver processing fee of \$100.00 for each such request. Payment of any processing fee shall be made by Borrower along with request for such waiver. Any such fee shall be treated by Lender as late interest for purposes of applying such fee.

Section 12.2 <u>Issuer Not Liable</u>. Notwithstanding any other provision of this Agreement, neither Issuer nor any official, officer, agent, servant or employee of Issuer shall be liable to Borrower, Lender or any other person for (a) any action taken by Issuer or by any official, officer, agent, servant or employee of Issuer under this Agreement (except for its gross negligence or willful misconduct), or (b) any failure of Issuer or any official, officer, agent, servant or employee of Issuer to take action under this Agreement (except due to its gross negligence or willful misconduct) unless Issuer (i) is requested in writing by an appropriate person to take such action, (ii) is assured of payment of or reimbursement for any expenses in such action and (iii) is afforded a reasonable period under the circumstances to take such action, except that Issuer agrees to take, or refrain from taking, any action as required by an injunction and to comply with any final

judgment for specific performance. In acting under this Agreement, or in refraining from acting under this Agreement, Issuer may conclusively rely on the advice of its counsel.

Section 12.3 <u>Disclaimer of Warranties</u>. LENDER AND ISSUER MAKE NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR FITNESS FOR USE OF THE PROPERTY OR ANY OTHER WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED, WITH RESPECT THERETO. In no event shall Lender or Issuer be liable for any loss or damage in connection with or arising out of this Agreement, the Property or the existence, furnishing, functioning or Borrower's use of any item or products or services provided for in this Agreement.

Section 12.4 Notices. All notices, certificates, requests, demands and other communications provided for hereunder or the Arbitrage and Tax Certificate shall be in writing and shall be (a) personally delivered, (b) sent by first class United States mail, (c) sent by overnight courier of national reputation, or (d) transmitted by telecopy, in each case addressed to the parties to whom notice is being given at its address as set forth above and, if telecopied, transmitted to that party at its telecopier number set forth above or, as to each party, at such other address or telecopier number as may hereafter be designated by such party in a written notice to the other party complying as to delivery with the terms of this Section. All such notices, requests, demands and other communications shall be deemed to have been given on (a) the date received if personally delivered, (b) when deposited in the mail if delivered by mail, (c) the date sent if sent by overnight courier, or (d) the date of transmission if delivered by telecopy. If notice to Borrower of any intended disposition of the Property or any other intended action is required by law in a particular instance, such notice shall be deemed commercially reasonable if given (in the manner specified in this Section) at least ten (10) calendar days prior to the date of intended disposition or other action.

Section 12.5 <u>Further Assurance and Corrective Instruments</u>. Issuer and Borrower hereby agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such further acts, instruments, conveyances, transfers and assurances, as Lender reasonably deems necessary or advisable for the implementation, correction, confirmation or perfection of this Agreement, the Deed of Trust or the Arbitrage and Tax Certificate and any rights of Lender hereunder or thereunder.

Section 12.6 <u>Binding Effect; Time of the Essence</u>. This Agreement shall inure to the benefit of and shall be binding upon Lender, Issuer, Borrower and their respective successors and assigns. Time is of the essence.

Section 12.7 <u>Severability</u>. In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

- Section 12.8 <u>Amendments</u>. To the extent permitted by law, the terms of this Agreement shall not be waived, altered, modified, supplemented or amended in any manner whatsoever except by written instrument signed by the parties hereto, and then such waiver, consent, modification or change shall be effective only in the specific instance and for the specific purpose given.
- Section 12.9 <u>Execution in Counterparts</u>. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute one and the same instrument, and any of the parties hereto may execute this Agreement by signing any such counterpart.
- Section 12.10 <u>Applicable Law</u>. This Agreement shall be governed by and construed in accordance with the laws of the State.
- Section 12.11 <u>Captions</u>. The captions or headings in this Agreement are for convenience only and in no way define, limit or describe the scope or intent of any provisions or sections of this Agreement.
- Section 12.12 <u>Entire Agreement</u>. This Agreement, the Deed of Trust the Arbitrage and Tax Certificate and the exhibits hereto and thereto constitute the entire agreement among Lender, Issuer and Borrower. There are no understandings, agreements, representations or warranties, express or implied, not specified herein or in such documents regarding this Agreement or the Property financed hereby.
- Section 12.13 <u>Usury</u>. It is the intention of the parties hereto to comply with any applicable usury laws; accordingly, it is agreed that, notwithstanding any provisions to the contrary in this Agreement, in no event shall this Agreement require the payment or permit the collection of interest or any amount in the nature of interest or fees in excess of the maximum permitted by applicable law.
- Section 12.14 Representation Regarding Ethical Standards for Issuer Officers and Employees and Former Issuer Officers and Employees.
