
SALT LAKE CITY COUNCIL STAFF REPORT

DATE: March 2, 2010

SUBJECT: Petition No. PLNPCM2009-00434 – A petition by Jefferson Street Partners requesting that Salt Lake City close and abandon 330 feet of Jefferson Street (approximately 140 West) running north from 800 South.

STAFF REPORT BY: Jennifer Bruno, Deputy Director

AFFECTED COUNCIL DISTRICTS: District 4

**ADMINISTRATIVE DEPT:
AND CONTACT PERSON:** Community and Economic Development Department
Kevin LoPiccolo, Planning Division

NOTICE REQUIREMENTS: Newspaper advertisement once a week for 4 weeks prior to the Public Hearing

The Council's public hearing on this issue is March 2, 2010. The Council may wish to Close the Public Hearing and defer action to March 9th, or vote on the petition at the conclusion of the public hearing.

POTENTIAL MOTIONS:

1. ["I move that the Council"] Close the Public Hearing.
2. ["I move that the Council"] Close the Public Hearing and refer action to March 9th.
3. ["I move that the Council"] **Adopt an ordinance closing Jefferson Street**, running North from 800 South.
2. ["I move that the Council"] Not adopt an ordinance closing Jefferson Street, running North from 800 South.

KEY ELEMENTS:

- A. Key points from the Administration's transmittal are as follows:
1. The requested street closure would be incorporated into the Mark Miller auto dealership, currently located on either side of the subject street closure.
 2. The street extends northward approximately 330 feet from 800 South.
 3. On August 14, 1990, the Salt Lake City Council adopted Ordinance #73 (included in the Administration's transmittal), which closed Jefferson Street in the interior of the block between 700 and 800 South, West Temple and 200 West.
 - i. The applicant was recently advised by First American Title Company that a deed conveying the property from Salt Lake City to the petitioner at the time was never recorded for this portion of Jefferson Street.
 - ii. In reading the ordinance from 1990, it appears that this deed should have been recorded for the entire length of Jefferson Street between 700 and 800 South.

- iii. The application would like to acquire the land in what is remaining of Jefferson Street and eliminate this potential title problem
 - 4. The petitioner owns all properties adjacent to the subject street closure. The uses of the surrounding property are exclusively the Mark Miller auto dealership.
 - 5. The site is zoned Downtown Support (D-2).
 - 6. The subject property is located approximately ½ block from the 900 South TRAX Station (200 West between 800 and 900 South).
 - 7. The subject property to be closed is approximately 330 feet long and approximately 20 feet wide, 6,600 square feet (approximately .15 acres). Property Management has determined that fair market value for the property is approximately \$3.67 per square foot (approximately \$25,000 total), which the applicant will be required to pay prior to disposition of the property.
 - 8. The Planning Commission Staff report notes the following findings in relation to this petition:
 - i. The closure of Jefferson street is consistent with the City's policies, since the applicant owns all of the land adjacent to Jefferson Street, and the street is no longer needed to supply access to properties or utilities. As such, the closure of this section of Jefferson Street will have no significant impacts on the public in general.
 - ii. The planning staff indicates that by closing this portion of the road, a better definition of property line and ownership will be maintained.
 - iii. In addition, planning staff notes the following elements that outweigh alternatives to closing the street:
 - 1. Closing and selling the property could eliminate nuisance activity (loitering, vehicle abandonment);
 - 2. Closing and selling the property will provide the applicant with means for a better development;
 - 3. The closure of this street has no negative impact on property access.
- B. The surrounding land uses are all Downtown Support (D-2). Further South on Jefferson Street (between 800 and 900 South) is a section zoned RMF-45, that includes an RDA-funded townhouse development.
- C. The petitioner has already developed a significant portion of the property (Mark Miller Toyota dealership). The subject portion of Jefferson street now ends at a new building just constructed. Therefore, continuing Jefferson Street north to 700 South would not be possible unless a portion of the building was demolished, and the City purchased the required property from the petitioner.
- D. All necessary City departments and divisions reviewed the proposal and recommended approval of the street and alley closures subject to City standards and specific requirements.
- E. The Administration's transmittal notes that Street Closure and surplus property requests do not require input from a Community Council, although notice was mailed to all property owners within a 450 foot radius, as well as the Chair of the Central City Community Council. An e-mail notice was also sent to all those listed on the Planning Division list-serve.
- F. On July 8, 2009 the Planning Commission held a public hearing on the petition. The Commission passed a motion to forward a positive recommendation to the City Council to

approved the proposed street closure, subject to the typical conditions applied in the street closure ordinance, including fair market value payment and compliance with City Code 2.58 (governing disposition of City owned real property).

- G. An ordinance has been prepared by the City Attorney's office and includes the conditions of approval identified by the Planning Commission. The City Recorder is instructed not to record the ordinance until the conditions have been met and certified by the Planning Director and the City Property Manager.

MATTERS AT ISSUE /POTENTIAL QUESTIONS FOR ADMINISTRATION:

- A. The subject portion of property is located in the West Temple Gateway Redevelopment Area. The City Council, acting as the Board of Directors of the Redevelopment Agency (RDA) has spent the last several years acquiring and developing property along the 200 West TRAX corridor (specifically around the TRAX Station at 850 South 200 West) with the intention of developing the street in a pedestrian-friendly, transit-oriented manner. In 2007, the RDA Board voted to trade land owned by the agency at 747 South 200 West (south of Angelina's Corner, to the north west of the subject property) to the petitioner, for land on the corner of 200 West and 900 South (closer to the TRAX Station as well as other agency-owned parcels). At the time board members voiced concern about the development of the 200 West frontage, and encouraged the petitioner to develop the property in a pedestrian friendly way. *The Council may wish to discuss the development pattern of this block in the context of other RDA investments being made in the area.*
- B. Council Staff has asked the Attorney's Office to review the ordinance previously adopted by the Council in 1990 to determine if it has any bearing on the petition before the Council currently. The Attorney's Office has not responded in time for the printing of this staff report, but an answer will be made available in time for the work session on February 2nd.
- C. The Council's Street Closure policy (see Master Plan and Policy Consideration item E below) does not specifically reference the Council's stated desire to increase the number of mid-block connecting streets and walkways in and around Downtown. *The Council may wish to consider amending the Council's Street Closure Policy to include this policy goal.*

MASTER PLAN AND POLICY CONSIDERATIONS:

- A. The Central Community Future Land Use map (2005), identifies the subject property of the development as Central Business District Support.
 - a. The subject property is in the "Downtown Neighborhood Planning Area" within the Central Community. This Planning Area references the Downtown Master Plan (1995, see next bullet point) and Urban Design Element as the planning/policy documents for the area.
 - b. Relevant Commercial Land Use Policies/Goals outlined in the plan include the following:
 - i. Increase multiple land use activities within a dense urban area following the guidelines established in the Downtown Master Plan and in the City Council's Downtown Economic Development Policy.
 - ii. Encourage commercial projects in and near light rail corridors to support transit oriented development.
 - iii. Encourage the reuse of existing commercial buildings when appropriate to support transit oriented development.

- iv. Encourage the reduction of outdoor storage areas on commercial and industrial establishments and promote urban design methods for screening such land uses.
- B. The Downtown Master Plan (1995) has as a stated goal to establish a mid-block walkway system in and around downtown to encourage pedestrian activity and promote walkability.
 - C. The purpose of the Downtown Support District (D-2), is to accommodate commercial uses and associated activities that relate to and support the Central Business District, but do not require a location within the CBD. This zoning classification permits automobile dealerships as a conditional use. Development can also be less intensive than that of the Central Business District.
 - D. The City's Transportation Master Plan (adopted 2006) identifies this street as a "local" street, providing access to and from abutting property. No other purpose is identified in this plan.
 - E. The Council's street closure policy includes the following:
 - 1. It is Council policy to close public streets and sell the underlying property. The Council does not close streets when that action would deny all access to other property.
 - 2. The general policy when closing a street is to obtain fair market value for the land, whether the abutting property is residential or commercial.
 - 3. There are instances where the City has negotiated with private parties to allow the parties to make public improvements in lieu of a cash payment. The Council and the Administration consider these issues on a case-by-case basis.
 - 4. There should be sufficient public policy reasons that justify the sale and/or closure of a public street, and it should be sufficiently demonstrated by the petitioner that the sale and/or closure of the street would accomplish the stated public policy reasons.
 - 5. The City Council should determine whether the stated public policy reasons outweigh alternatives to the sale or closure of the street.
 - F. The Council's adopted growth policy states: It is the policy of the Salt Lake City Council that growth in Salt Lake City will be deemed the most desirable if it meets the following criteria:
 - 1. is aesthetically pleasing;
 - 2. contributes to a livable community environment;
 - 3. yields no negative net fiscal impact unless an overriding public purpose is served;
 - and
 - 4. Forestalls negative impacts associated with inactivity.
 - G. The City's Strategic Plan and the Futures Commission Report contain statements that support creating attractive conditions for business expansion including retention and attraction of large and small businesses, but not at the expense of minimizing environmental stewardship or neighborhood vitality. The documents express concepts such as maintaining a prominent sustainable city, ensuring the City is designed to the highest aesthetic standards and is pedestrian friendly, convenient, and inviting.

RE: Petition PLNPCM2009-00434: Jefferson Street Partners requesting that Salt Lake City close and abandon 330 feet of Jefferson Street (approximately 140 West) running north from 800 South, and declare it surplus property

STAFF CONTACTS: Kevin LoPiccolo, Planning Program Supervisor, at (801) 535-6003 or kevin.lopiccolo@slcgov.com

RECOMMENDATION: That the City Council hold a briefing and schedule a Public Hearing

DOCUMENT TYPE: Ordinance

BUDGET IMPACT: Property Management has proposed a dollar value of \$3.67 per square foot, which the applicant agrees to pay.

DISCUSSION:

Issue Origin: Jefferson Partners is requesting Salt Lake City close the remaining 330 feet of Jefferson Street (approximately 140 West) running north from 800 South and declare it surplus property. The applicant is requesting the additional land so the property can be incorporated and used as part of the Mark Miller auto dealership.

On August 14, 1990, the Salt Lake City Council adopted Ordinance No. 73, (Attachment B) which closed Jefferson Street in the interior of the block between 700 and 800 South, West Temple and 200 West.

The applicant was advised by First American Title Insurance Company that there has never been a Deed recorded whereby Salt Lake City conveyed its interest in this portion of Jefferson Street that runs approximately 330 feet north of 800 South that was closed by Ordinance No. 73. The applicant would like to acquire the land contained in what is still Jefferson Street and eliminate any potential title problem that may exist regarding the part of Jefferson Street that was closed by Ordinance No. 73.

The City Council has the authority to close public streets. The disposition of City-owned real property is an administrative function under the authority of the Mayor and requires that the Planning Commission declare the subject property surplus.

Analysis: The closure of Jefferson Street is consistent with City's policies, since the applicant owns all of the land adjacent to Jefferson Street and Jefferson Street is no longer needed to supply access or utilities to any of the land previously served by the street.

The proposal was reviewed by all applicable City departments and divisions. There were no issues raised by the City that would prevent the proposal from proceeding. The applicant must comply with all City requirements.

Master Plan Considerations:

Central Community Master Plan, adopted in 2005

The plan identifies the geographic location of the downtown and describes the city's downtown as the "central place" for the Wasatch Front. There is no language on street closures in this area.

Salt Lake City Transportation Master Plan or Major Street Plan, adopted in 2006

The subject street is identified as a "local" street in the Transportation Master Plan. Local streets provide direct access to and from abutting property. Local streets are usually one lane in each direction meant to carry traffic over short distances at low speed.

PUBLIC PROCESS:

Street closures and surplus property requests do not require input from a Community Council.

On June 23, 2009, notice regarding the related Planning Commission hearing was mailed to all property owners within a 450 foot radius of the subject property and to the chair of the Central City Community Council, meeting the fourteen (14) day minimum notification requirement. A notice was also sent to all those listed on the Planning Division list-serve and the agenda was posted on the Division's website. No new comments from the public or from abutting property owners were received as of the date of the Planning Commission hearing.

The Planning Commission held a public hearing on July 8, 2009. At the meeting, the Planning Commission passed a motion to transmit a positive recommendation to the City Council to approve the proposed closure of Jefferson Street, declare it surplus property, and sell the property

to the applicant at a value determined by the Property Management Division. The vote was unanimous in favor of closing the street with the following conditions:

1. Prior to City Council consideration the applicant will work with the City Property Management Division to obtain a compensation price for the subject property.
2. Compliance with City Code 2.58 which regulates the disposition of City owned real property.

RELEVANT ORDINANCES:

Utah State Code, Title 10-9a-609.5: Vacating or altering a street or alley;

Section 2.58 – Sale of Real Property – Notice and Hearing

A decision to close a street is a matter committed to the legislative discretion of the City Council and is not controlled by any one standard. The standards were evaluated in the Planning Commission staff report and considered by the Planning Commission. Discussion and findings for these standards are found on pages 4-5 of the staff report. SALT LAKE CITY ORDINANCE
No. _____ of 2009
(Closing and abandoning a portion of Jefferson Street)

An ordinance closing and declaring as surplus property a portion of Jefferson Street at 800 South Street pursuant to Petition No. PLNPCM2009-00434.

WHEREAS, the Salt Lake City Planning Commission (“Planning Commission”) held a public hearing on July 8, 2009 to consider a request made by Jefferson Partners, LLC (Petition No. PLNPCM2009-00434) to close a portion of Jefferson Street northward from its intersection with 800 South Street and declare same as surplus property; and

WHEREAS, at its July 8, 2009 hearing, the Planning Commission voted in favor of forwarding a positive recommendation on said petition to the Salt Lake City Council (“City Council”); and

WHEREAS, the City Council finds after public hearings that the City’s interest in the portion of the street described below is not necessary for use by the public as a street and that closure of the portion of the street and declaring same to be surplus will not be adverse to the general public’s interest; and

WHEREAS, the title to the closed portion of the street shall remain with the City until sale for fair market value or its equivalent.

NOW, THEREFORE, be it ordained by the City Council of Salt Lake City, Utah:

SECTION 1. Closing and Abandoning Street. A portion of Jefferson Street northward from its intersection with 800 South Street, which is the subject of Petition No. PLNPCM2009-00434, and which is more particularly described on Exhibit “A” attached hereto, and the same hereby is, closed and abandoned and declared no longer needed or available for use as a street.

SECTION 2. Reservations and Disclaimers. The above closure and abandonment is expressly made subject to all existing rights-of-way and easements of all public utilities of any and every description now located on and under or over the confines of this property, and also subject to the rights of entry thereon for the purposes of maintaining, altering, repairing, removing or rerouting said utilities, including the City's water and sewer facilities. Said closure and abandonment is also subject to any existing rights-of-way or easements of private third parties.

SECTION 3. Conditions. This street closure is conditioned upon the following:

a. Payment to the City of fair market value of those portions of the street, or its equivalent, and title to those portions of this street shall remain with the City until sale for fair market value, or the receipt of equivalent value, in accordance with Salt Lake City Code Chapter 2.58; and

b. The street closure is subject to all existing rights-of-way and easements of all public utilities now located on, under or over the subject property; and

SECTION 4. Effective Date. This Ordinance shall become effective on the date of its first publication and shall be recorded with the Salt Lake County Recorder. The City Recorder is instructed not to publish or record this ordinance until the conditions identified above have been met, as certified by the Salt Lake City Property Manager.

SECTION 5. Time. If the conditions identified above have not been met within one year after adoption, this ordinance shall become null and void. The City Council may, for good cause shown, by resolution, extend the time period for satisfying the conditions identified above.

Passed by the City Council of Salt Lake City, Utah this _____ day of _____, 2009.

REQUEST

Jefferson Partners is requesting Salt Lake City close the remaining 330 feet of Jefferson Street (approximately 140 West) running north from 800 South and declare it surplus property.

The applicant is requesting the additional land so the property can be incorporated and used as part of the Mark Miller auto dealership.

PUBLIC NOTICE

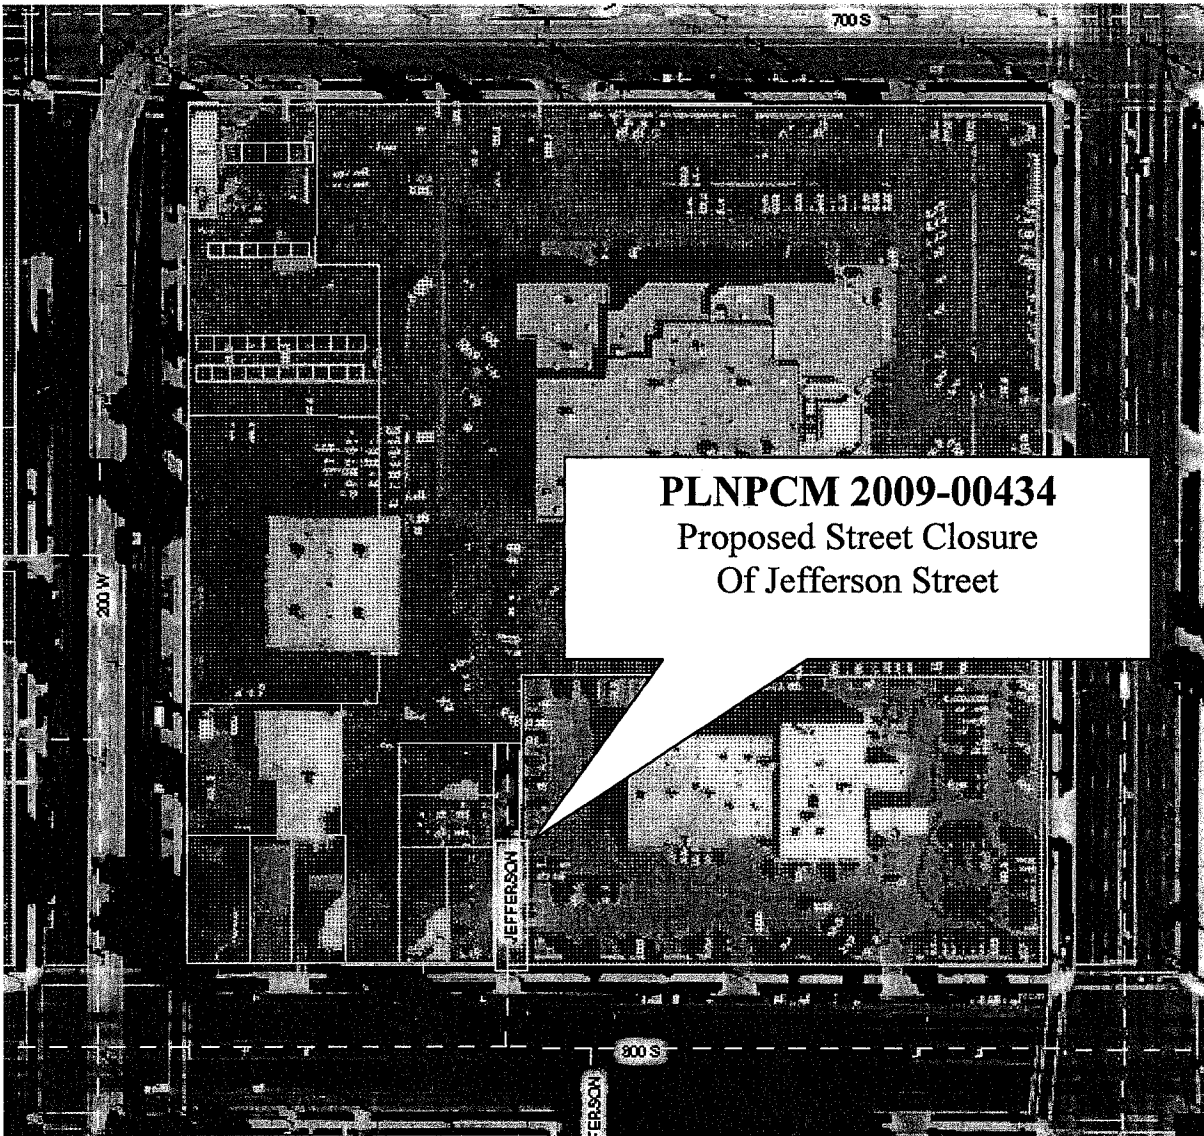

Notice was mailed to all property owners within four hundred and fifty feet (450') radius of the subject property on June 23, 2009, fourteen (14) days prior to the scheduled public hearing. An announcement was also sent to all those on the City's Listserve and was posted on the City's website.

STAFF RECOMMENDATION

Staff recommends that the Planning Commission declare the property surplus and transmit a favorable recommendation to the City Council to close the subject street and recommend to the Mayor to sell the property to the applicant at a value determined by the Property Management Division.

1. All requirements and comments outlined in this staff report and attached as Exhibit C shall be met.
2. Prior to City Council consideration the applicant will work with the City Property Management Division to obtain a compensation price for the subject property.
3. Compliance with City Code 2.58 which regulates the disposition of City owned real property.

VICINITY MAP

PROJECT HISTORY/DESCRIPTION

On August 14, 1990, the Salt Lake City Council adopted Ordinance No. 73, (Attachment B) which closed Jefferson Street in the interior of the block between 700 and 800 South, West Temple and 200 West.

The applicant was advised by First American Title Insurance Company that there has never been a Deed recorded whereby Salt Lake City conveyed its interest in this portion of Jefferson Street that runs approximately 330 feet north of 800 South that was closed by Ordinance No. 73. The applicant would like to acquire the land contained in what is still Jefferson Street and eliminate any potential title problem that may exist regarding the part of Jefferson Street that was closed by Ordinance No. 73.

The closure of Jefferson Street is consistent with City's policies, since the applicant owns all of the land adjacent to Jefferson Street and Jefferson Street is no longer needed to supply access or utilities to any of the land previously served by the street.

COMMENTS

City Department/Division Comments:

The application material was routed to applicable Departments on May 12, 2009, for a request to close the remaining portion of Jefferson Street. Comments received from pertinent City Departments and Divisions are found on Attachment C of this staff report. Comments that have been received by Planning are summarized below.

Property Management – The City must receive consideration for the street closure, but such would reflect the City's claim of only prescriptive rights on this portion of Jefferson Street and would be adjusted to reflect any utility easement which may be retained by the City as part of the closure.

Public Comments

Planning Staff has not received any public inquires regarding this application request to close the remaining portion of Jefferson Street.

STAFF ANALYSIS AND FINDINGS

Master Plan Discussion:

Central Community Master Plan, adopted in 2005

The plan identifies the geographic location of the downtown and describes the city's downtown as the "central place" for the Wasatch Front. There is no language on street closures in this area.

Salt Lake City Transportation Master Plan or Major Street Plan, adopted in 2006

The subject street is identified as a "local" street in the Transportation Master Plan. Local streets provide direct access to and from abutting property. Local streets are usually one lane in each direction meant to carry traffic over short distances at low speed.

Street Closure Guidelines:

Salt Lake City Council Policy and Guidelines for Street Closures

The Planning Commission will need to review the street closure request and make findings based on the following guidelines:

- 1. It is the policy of the City Council to close public streets and sell the underlying property. The Council does not close streets when the action would deny all access to other property.**

Analysis: The portion of street proposed no longer is needed to supply access or utilities to any of the land that was previously served by Jefferson Street.

Finding: Closing the subject street will not deny access to the adjacent properties. The underlying property would be sold at a value determined and the property would be incorporated into the applicant's property.

- 2. The general policy when closing a street is to obtain fair market value for the land, whether the abutting property is residential, commercial or industrial.**

Analysis: The applicant is the sole abutting property owner of the portion of the street in question. The applicant is committed to purchasing the portion of street after it is declared surplus property.

Finding: The right-of-way will be sold at a value to be determined by the Salt Lake City Property Management Division.

- 3. There should be sufficient public policy reasons that justify the sale and/or closure of a public street and it should be sufficiently demonstrated by the applicant that the sale and/or closure of the street will accomplish the stated public policy reasons.**

Analysis: The Salt Lake City Transportation Master Plan identifies Jefferson Street as a local street.

Finding: The closure of this section of Jefferson Street will have no significant impacts on the public in general nor adjacent landowners since all of the surrounding property is owned by the applicant.

- 4. The City Council should determine whether the stated public policy reasons outweigh alternatives to the closure of the street.**

Analysis: By closing this portion of the road a better definition of the property should be maintained.

Finding: Staff finds the following reasons outweigh alternatives to the closure of the street:

1. The Salt Lake City Transportation Master Plan does not identify this street and there are no plans to extend or otherwise improve it;

2. Closing and selling the surplus property could eliminate nuisance activity i.e. suspicious loitering and vehicle abandonment;
3. Closing and selling the surplus property will provide the applicant with the means for a better development;
4. The closure of this street has no negative impact on property access.
5. The applicant is the only abutting property owner.

SALT LAKE CITY ORDINANCE
No. 73 of 1990
(Closing Jefferson Street in the interior
of the block between 700 and 800 South
and West Temple and 200 West
Pursuant to Petition No. 400-823-90)

AN ORDINANCE CLOSING JEFFERSON STREET IN THE INTERIOR OF
THE BLOCK BETWEEN 700 AND 800 SOUTH AND WEST TEMPLE AND 200 WEST
IN SALT LAKE CITY, UTAH.

WHEREAS, the City Council of Salt Lake City, Utah, finds
after public hearing that the City's interest in the public
street described below is not necessary for use by the public as
a street and that closure of said street will not be adverse to
the general public's interests nor will title to the closed
street transfer without subsequent documentation.

NOW, THEREFORE, be it ordained by the City Council of Salt
Lake City, Utah:

SECTION 1. That the public street known as Jefferson
Street which is more particularly described below, be, and the
same hereby is, closed and declared no longer to be needed or
available for use as a public right-of-way and the title thereto
shall remain with the City until it is sold for fair market value
which may be received by the City in the form of completed curb,
gutter, sidewalk, landscaping or other public capital
improvements to be installed on Blocks 14 and 15 as determined by
the City Planning Director.

SECTION 2. RESERVATIONS AND DISCLAIMERS. The above closure is expressly made SUBJECT TO all existing rights-of-way and easements of all public utilities of any kind and every description now located on and under or over the confines of the above-described property and also SUBJECT TO the rights of entry thereon for the purposes of maintaining, altering, repairing, removing or rerouting said utilities, including the City's water and sewer facilities; and all of them. Said closure is SUBJECT TO any existing rights-of-way or easements of private third parties.

SECTION 3. EFFECTIVE DATE. This ordinance shall become effective on the date of its first publication. The City Recorder is instructed to not publish this ordinance until and unless the mayor shall certify that the Petitioner has provided appropriate guarantees for payment of the cost of Jefferson Street in a form acceptable to the City Attorney. Further, the Mayor must certify that petitioner has acquired all of the frontage to Jefferson Street which is being closed by this Ordinance. In the event the conditions are not met within a year

this ordinance shall be void and of no effect and the City Recorder is instructed not to publish it.

Passed by the City Council of Salt Lake City, Utah, this 14th day of August, 1990.

Re: petition PLNPCM2009-00434 to close the remaining portion of Jefferson Street between 700 and 800 South.

The division of transportation review comments and recommendations are as follows:

We recommend approval subject to the removal of the existing drive access on 800 South as per current development review plans proposals and in keeping with past closure approval for Petition 400-724 letter dated 5/11/1989.

Property Management has no concerns regarding the petition to close the remaining portion of Jefferson Street. Property Management notes that the City must receive consideration for the closure, but such would reflect the City's claim of only prescriptive rights in this portion of Jefferson and would be adjusted to also reflect any utility easements which may be retained by the City as part of the closure.

Chief, the application request will be heard by the Planning Commission on July 8, 2009. The Commission will only make a recommendation on this matter and the City Council will approve or deny the request at their meeting.

Do you have any comments regarding the street closure? If so, email them to me.

Thanks,

Attached to Street Closure Application
Regarding Jefferson Street

1. The names, addresses, telephone numbers, fax numbers, and email addresses for the Applicants are as follows:

2. The property owners are the same as the Applicants.

3. The Applicants own all of the property that surrounds and is adjacent to Jefferson Street. The County Tax Numbers (i.e., the "Sidwell Numbers") for the property owned by the Applicants are as follows:

15-12-230-043-0000

15-12-230-038-0000

15-12-211-024-0000

15-12-211-030-0000

15-12-211-029-0000

15-12-211-023-0000

15-12-211-042-0000

4. The property owned by the Applicants (which surrounds Jefferson Street) is currently used as the new, relocated "Mark Miller Toyota" automobile dealership and as a Saturn automobile dealership. After Jefferson Street has been vacated as a City street and the land within it sold and deeded to the Applicants, Applicants plan to incorporate the Jefferson Street land into and use it as part of the existing automobile dealerships.

5. Accompanying this Application is a "Sidwell Map" that shows Jefferson Street and surrounding land. On the Sidwell Map the location of Jefferson Street has been highlighted in yellow. Note that the highlighted area extends farther into the City block than the Sidwell Map shows Jefferson Street to extend. See Paragraphs 7 and 8 below for an explanation of this.

6. Also accompanying this Application is a Survey (done by Bush & Gudgell, Inc., identified as File No. 48035, and certified on January 28, 2009 by Randy D. Smith, a Professional Land Surveyor) that shows: (a) All of the land owned by the Applicants (the boundaries of which have been highlighted in red); (b) The location of Jefferson Street (highlighted in yellow); and (c) A legal description of Jefferson Street. The legal description of Jefferson Street is as follows:

BEGINNING 72.5 feet West (South 89°57'29" West as surveyed) of the Southeast Corner of Lot 3, Block 14, Plat "A," Salt Lake City Survey, and running thence North 20 rods (North 0°00'55" West 333.08 feet as surveyed); thence West 20 feet (South 89°57'23" West as surveyed); thence South 20 rods (South 0°00'55" East 333.08 as surveyed); thence East 20 feet (North 89°57'29" East as surveyed) to the POINT OF BEGINNING.

7. On August 14, 1990, the Salt Lake City Council adopted Ordinance No. 73, which closed a portion of Jefferson Street located within the interior of the City block bounded by 700 South, 800 South, West Temple, and 200 West Streets. That Ordinance was recorded in the office of the Salt Lake County Recorder on July 31, 1991, as Entry No. 5105174 in Book 6341 at Page 2649. A copy of the recorded Ordinance accompanies this Application.

8. Applicants have been advised by First American Title Insurance Company (which is the Title Company that has assisted the Applicants in connection with their purchase of a number of parcels within the subject City block) that there has never been a Deed recorded whereby Salt Lake City conveys its interest in that part of Jefferson Street that was closed by Ordinance No. 73. Consequently, it is possible that the City may still have or may make some claim to that part of Jefferson Street. The Applicants would like this Street Closure Application to apply to all of Jefferson Street located within the subject City block, request that the City close and vacate the entirety of Jefferson Street -- including the part that was vacated by the City via Ordinance No. 73, and request that the City then sell and convey to the Applicants all of the land now or formerly contained within Jefferson Street. This approach, in addition to allowing the Applicants to acquire the land contained in what is still Jefferson Street, should eliminate the title problem that may now exist regarding the part of Jefferson Street that was closed by Ordinance No. 73.

9. The legal description of Jefferson Street set forth at the end of Paragraph 6 above includes both what is still considered Jefferson Street and the part of Jefferson Street that was closed and vacated in 1990.

10. Prior to the filing of this Application, the Applicants were advised by Salt Lake City officials that if Jefferson Street is closed, the City will be willing to sell Jefferson Street to the Applicants for 25% of the fair market value of the land within Jefferson Street. (In these discussions no differentiation was made between the land still considered to be part of Jefferson Street and the land contained in the part that was vacated in 1990. Presumably a lower purchase price would be indicated for the part vacated in 1990, since there is a question regarding who

now owns that part.) This arrangement is acceptable to the Applicants. When the City sells and conveys the Jefferson Street land, the Applicants prefer that it be sold and conveyed only to Jefferson Partners LLC, rather than part being sold and conveyed to each of the Applicants. (Thomas Partners LLC is a wholly-owned subsidiary of Jefferson Partners LLC.)

11. The closure of Jefferson Street is consistent with public policy and with the City's policies, since the Applicants own all of the land adjacent to Jefferson Street and since Jefferson Street is no longer needed to supply access or utilities to any of the land previously served by the street.

12. The Applicants shall immediately pay to the City, when they learn of the amount, the cost of first class postage for mailing to the address of each owner who owns property within 450 feet of Jefferson Street.

IN WITNESS WHEREOF, Applicants have signed this Street Closure Application on the 10 day of April, 2009.

7. Planning Commission Minutes from July 8, 2009

SALT LAKE CITY PLANNING COMMISSION MEETING

In Room 326 of the City & County Building

451 South State Street, Salt Lake City, Utah

Wednesday, July 8, 2009

Present for the Planning Commission meeting were Vice Chair Susie McHugh; Commissioners Michael Gallegos, Angela Dean, Prescott Muir, Michael Fife, Tim Chambless, Kathleen Hill, Matthew Wirthlin, and Babs De Lay. Commissioner Frank Algarin and Chair Mary Woodhead were excused.

A field trip was held prior to the meeting. Planning Commissioners present were: Vice Chair Susie McHugh; Commissioners Tim Chambless, Michael Fife, Michael Gallegos, and Matthew Wirthlin. Staff members present were: Michael Maloy, Kevin LoPiccolo, Nick Britton, Ana Valdemoros, and Cheri Coffey.

A roll is being kept of all who attended the Planning Commission Meeting. Acting Chair McHugh called the meeting to order at 5:45 p.m. Audio recordings of the Planning Commission meetings are retained in the Planning Office for an indefinite period of time. Planning staff members present at the meeting were: Wilford Sommerkorn, Planning Director; Pat Comarell, Assistant Planning Director; Cheri Coffey, Programs Manager; Paul Neilson, City Attorney; Nick Norris, Senior Planner; Michael Maloy, Principal Planner, Kevin LoPiccolo, Planning Programs Supervisor; Robin Zeigler, Historic Preservation Planner; Nick Britton, Senior Planner; Ana Valdemoros, Associate Planner; and Tami Hansen, Planning Commission Secretary.

5:59:39 PM Petition PLNPCM2009-00434; Jefferson Street Closure—a request by Jefferson Partners LLC that the remaining portion of Jefferson Street north of 800 South, east of 200 West, be declared surplus by the City, closed, and sold to the applicant. The purpose of the request is to incorporate the remaining portion of this street into the Mark Miller auto dealership. The property is located in City Council District Four, represented by Luke Garrott. View: [Staff Report](#)

Acting Chair McHugh recognized Kevin LoPiccolo as staff representative.

Mr. LoPiccolo stated that back in 1990 ordinance number 73 essentially abandoned or closed Jefferson Street. Through title work with Mark Miller, First American Title discovered that there was a portion of 330 feet which was not closed as part of that process. He stated that Mr. Miller was resubmitting this application to clean up any title concerns.

6:03:45 PM Public Hearing

Acting Chair McHugh opened the public hearing portion of the petition. She noted that there was no one present to speak to the petition and closed the public hearing.

6:04:03 PM Motion

Commissioner Fife made a motion regarding Petition PLNPCM2009-00434, that the Planning Commission transmit a favorable recommendation to the City Council to close the subject street, and recommend to the Mayor to sell the property to the applicant at a value determined by the Property Management Division, subject to the following conditions:

- 1. All requirements and comments outlined in this staff report and attached as Exhibit C in the staff report shall be met.**
- 2. Prior to City Council consideration the applicant will work with the City Property Management Division to obtain a compensation price for the subject property.**
- 3. Compliance with City Code 2.58 which regulates the disposition of City owned real property.**

Commissioner De Lay seconded the motion.

Commissioners De Lay, Hill, Fife, Gallegos, Dean, Chambless, Muir, and Wirthlin voted, "Aye". The motion passed unanimously.
