

City Council Announcements

October 19, 2010

A. Information Needed by Council Staff

1. In past years, the City Council would adopt an ordinance each year to approve the annual assessment on the properties incorporated within Lighting Districts L01, L02 and L03. This action renews the annual assessment levied upon each parcel of property described in the assessment list for the purpose of operation, maintenance, and electrical energy costs of street lights within the Districts. However, due to a recent change to Utah State Code, Assessment Area Act, Title 11 Chapter 42, the City is now required to hold a Board of Equalization and Review hearing every five years prior to consideration of adopting an annual assessment ordinance.

You are scheduled to adopt a resolution on Tuesday, October 19 for Lighting District L03 (involves Council Districts 3, 4, 5, 6, & 7). The resolution will set the Board of Equalization hearing dates as noted below. As you may recall, the Board of Equalization consists of the following City officials: **a member of the City Council**, a representative of the Office the City Engineer or Project Engineer, and a representative of the City Treasurer's Office.

The Board of Equalization and Review hearings will be held in the first floor conference room at 349 South 200 East. The hours are staggered to provide more opportunity for the public to attend at least one of the hearings.

The Administration has blocked out a one (1) hour time frame for three consecutive days in November (as outlined below).

Tuesday, November 16, 2010	9:00 a.m. to 10:00 a.m.
Wednesday, November 17, 2010	4:00 p.m. to 5:00 p.m.
Thursday, November 18, 2010	6:00 p.m. to 7:00 p.m.

Are any Council Members available to attend the times outlined?
